SBC YAHOO! DSL BUSINESS EDITION

SBC Yahoo! DSL Business Edition gives small businesses the tools they need in order to work more efficiently and to better compete in today's marketplace. SBC Yahoo! DSL business customers benefit from the convenience of a customizable portal with relevant business content, such as financial news and stock reports, putting valuable workplace tools at their fingertips. In addition to the standard SBC Yahoo! DSL features, business customers can benefit from premium business content from hundreds of publications, content filtering to control employees' Web browsing, e-mail, instant messaging and chat activities and access to permission marketing tools to send, manage and track up to 100 e-mail messages a month for free.

Have Fun and Learn New Things

Enjoy music videos and your own customized commercial-free radio station.

Play a variety of online games with others, or alone.

Watch premium TV and movie footage.

Free Photo Storage

Insert up to 300 photos into your mail messages from your desktop, your Yahoo! Photos account, or from the web using Yahoo! Image Search.

At no extra charge, get unlimited storage for all your digital pictures at SBC Yahoo! Photos — enough to keep a lifetime of memories in one convenient location. Plus, you can share, edit, and get high-quality prints of your photos.

Access to High-Resolution Photo Downloads

Get access to the high-resolution versions of your online photos at any time. Plus, your friends enjoy the same convenience when you share your photos with them. Pictures sent in PhotoMail are automatically saved to a temporary album on Y! Photos where recipient can view them for up to 90 days.

Premium Broadband Content

Experience the sights and sounds with special broadband programming prepared just for you — from web premieres to behind-the-scenes footage of your favorite movies and TV shows.
