

# Andy Geisse

CEO

AT&T Business Solutions

Andy Geisse, Chief Executive Officer - AT&T Business Solutions, is responsible for leading worldwide sales, operations and marketing for AT&T's Business group, which serves over 3.5 million business customers. AT&T Business Solutions provides solutions and services that meet the emerging and advanced needs of global enterprises, U.S. Federal, State and Local governments and small businesses.

Prior to his current position, Mr. Geisse served as Executive Vice President of AT&T's Global Customer Service, where he was responsible for all customer service functions for AT&T's Business Solutions.

Mr. Geisse, a 33-year AT&T veteran, has served in a variety of key executive leadership positions

for the company's wireline and wireless organizations, both in the U.S. and abroad.

From 2004 to 2007, Geisse served as the company's Chief Information Officer. Prior to that role, he was Senior Vice President-Enterprise Software Solutions. His experience also includes several leadership positions in the wireless industry, including serving as CEO of VTR Cellular from 1995-96 and Chairman and CEO of STARTEL from 1996-1998 – both Chilean wireless providers partially owned by AT&T at the time.

Mr. Geisse earned bachelor's degrees in Economics and Mathematics from The University of Missouri, an Executive Management degree from Carnegie Mellon, and a MBA from Washington University.
