

RYAN EGGOLD as BEN WILKINS

A reluctant hero, Ben finds himself drawn into a global conspiracy when he comes into possession of the Dodecahedron—an object that can change the world for the better – if he can keep it from falling into the wrong hands.

SARAH ROEMER as SARAH

Sarah and Ben were once a couple. But after years of waiting for him to live up to his potential she moved to New York City to work on a political campaign. When Ben finds himself in hot water in New York he goes to Sarah for help and re-kindles the relationship.

SHANNON LUCIO as KATHERINE

Katherine was Ben’s father’s Teaching Assistant at Hudson University. She will help Ben to better understand her father’s work and search out the secrets behind Nikola Tesla’s connection to the Dodecahedron.

RYAN McPARTLIN as ERIC THORNE

A cop who questions Ben in a murder he is investigating, Eric may not be who he seems.

EUGENE BYRD as CHARLES

A member of a fringe group of outsiders who call themselves Jack Boxers, Charles will become Ben's ally in the search for the Dodecahedron.

FRANK JOHN HUGHES as WILLIAM

Another Jack Boxer who will fill Ben in on his father's affiliation with their group and his study of the Dodecahedron.
