

Let someone in, even when you're out.

Customize Digital Life with a Door Package.

Have the kids forgotten their keys? Does the pet sitter need to be let in? Did you forget to close the garage? Home is always within reach when you have the AT&T Digital Life™ convenient Door Package. It lets you unlock and lock doors using your smartphone, tablet or PC with just the touch of a button.

Get the full Digital Life experience.

Wouldn't it be handy if you could avoid giving keys to your nanny, cleaner or pet sitter? Imagine watching them come and go on a video stream.

Combine the Door and Video Solutions for unique access codes, indoor and outdoor cameras, and peace of mind. Ask us how Digital Life can be customized to suit your needs.

 **Video Package**
See what's going on with indoor and outdoor cameras.

 **Energy Package**
Control outlets and appliances using your smartphone, tablet or PC.

 **Water Package**
Catch costly water damage before it becomes a problem.

Choose from these options:

- Digital Door Lock
- Garage Door Sensor

Deadbolt Door Lock: Let someone in even when you're out with remote door locks.

Be at home wherever life takes you.
