

Top Reasons Why a Home Phone is Important

Reason #1: You can't put a price on peace of mind.

Your home phone is worth more than ever with service plans to fit any budget.

Reason #34: You'll never be alone in the dark.

Know where to find a reliable connection even when the power goes out.

Reason #3: For that time you discovered you were allergic to peanuts.

When you need it most in an emergency, 911 responders can know your exact location.

Reason #5: You'll never get disconnected with grandma.

For the calls that matter the most.

Reason #32: For when you "work" from home.

With a reliable connection, your home phone line can also be your fax line.

Reason #21: You need a way to call your cell phone when you lose it.

Never miss an important call.

Reason #27: Your security system needs to be hooked up to something.

Unmatched peace of mind knowing you're connected even in an emergency.

Reason #16: It's better than having the whole family on speaker phone.

Every person in the household can be on the phone at the same time.
