

The HTC Status™ and the Facebook® Share Button a new way to connect people

4 BILLION THINGS ARE SHARED PER DAY ON FACEBOOK

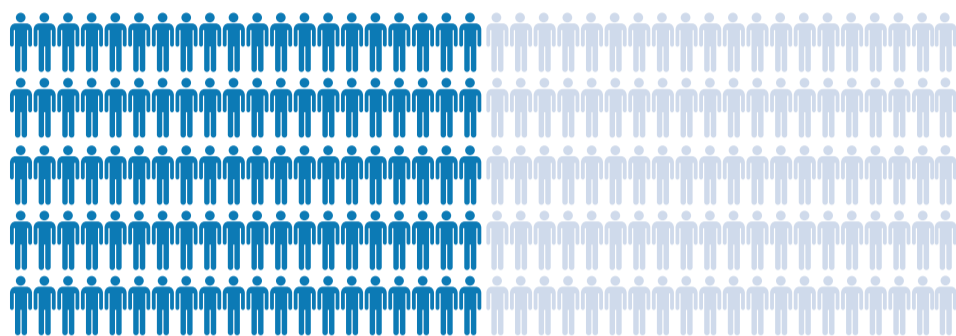

Status **Photo** **Link** **Video** **Question**

People on Facebook

There are more than 750 million active users on Facebook (users who have returned to the site in the last 30 days).

50% of those users log in on any given day. \uparrow = 3,875,000 people

You and 749,999,999 others like this.

250 million users access and share content on Facebook from their mobile device.

And we are twice as likely to share content from a mobile device than from a desktop or laptop!

USERS SPEND

700 billion

MINUTES PER MONTH ON FACEBOOK

The time it would take a pilot to fly a plane around the world 170,000 times equals the amount of time Facebook users spend on the site each month.

The average user has **130 Friends**

70% of facebook users are outside the United States

More than 30 billion pieces of content (web links, news stories, blog posts, notes, photo albums, etc.) are shared each month.

You and 749,999,999 others each created and shared 90 pieces of content last month.

Bonjour!

There are more than 70 translations available on Facebook.

What's Next ?

Since its launch in 2004, Facebook has made it easier to stay in touch and communicate with new and old friends all over the world.

STAY CONNECTED ON THE GO

The HTC Status™, exclusively from AT&T, is the next step in staying connected when you're home or on the go.

IF WE'VE COME THIS FAR IN JUST SEVEN YEARS...
imagine what will happen in the next seven!
