

Eligibility & Pricing for iPhone

How do I know if I am eligible for an upgrade?

- Existing iPhone customers can visit www.att.com/phoneupgrade from a PC or mobile browser to verify their upgrade eligibility and help them place an order for iPhone 4S and iPhone 4 8GB. Today, you can upgrade to existing iPhone inventory (iPhone 3GS, Phone 4 16GB and 32GB models).
- You can always call *639# from your AT&T handset and we'll send you a text with your upgrade date.

What about enterprise customers? How can they check eligibility?

- Our business customers can visit www.att.com/phoneupgrade to or verify upgrade eligibility by dialing *639# or by visiting the Premier Web site.

Do current iPhone 4 customers qualify as a “new and qualified customer” eligible for the best iPhone 4S pricing?

- Existing iPhone customers who are upgrade eligible will qualify for our best pricing.

Pricing

- AT&T will immediately make its best pricing available to new and upgrade eligible customers. Pricing includes:

Device	New and “Upgrade Eligible” Customers	Early Upgrade
iPhone 3GS	\$0.99	\$250.99
iPhone 4 8GB	\$99.99	\$349.99
iPhone 4S 16GB	\$199.99	\$449.99
iPhone 4S 32GB	\$299.99	\$549.99
iPhone 4S 64GB	\$399.99	\$649.99

All new and current iPhone customers who are upgrade eligible, plus existing customers who choose to upgrade early must agree to a two-year term commitment, and select an eligible voice and data plan for iPhone. AT&T is also offering iPhone 4 16GB and 32GB models at new, lowered price points of \$149.99 and \$199.99, respectively, with a two year term commitment plus voice and data plans, while supplies last.
