

# Catch water damage before it's too late.

## Customize Digital Life with a Water Package.

Leaking faucets, broken pipes or a faulty hose on your washing machine can cause costly bills and water damage. But not if you get a Water Package from AT&T Digital Life.<sup>SM</sup> You'll be instantly alerted – and you can even shut off the water main remotely.

## Get the full Digital Life experience.

By combining the Water Package with the Door Package, you'll know if a leak occurs. But also, you can unlock doors remotely to let a trusted professional in to fix it. Problem solved! Learn more about our range of packages today.
