Wireless Service Agreement

Wireless Number:

123-555-0000

Account Number:

55555555

The Wireless Service Agreement consists of:

- 1. This Customer Service Summary.
- 2. The Terms of Service.
- 3. The rate plan and applicable feature terms.

Early Termination Fee

If I terminate this Agreement before expiration of my Service Commitment, I will pay AT&T an Early Termination Fee of \$175, reducing by \$5.00 for each full month completed toward the commitment term for each wireless telephone number associated with the service.

If I am signing on behalf of an entity, I represent that I am authorized to sign on its behalf, and I agree to be jointly responsible with the entity for payment of any sums that become due under, and to be bound by, this Agreement. I agree you can collect directly from me without first proceeding against the entity.

Contract Provisions

This Agreement incorporates and includes by reference AT&T's current services Terms and Conditions Booklet #FMSTCT06080118E including its binding arbitration clause. This Agreement also incorporates and includes by reference the versions of the following AT&T brochures that are effective as of the date of this Agreement: i. AT&T's Rate Plan Brochure describing the services listed above under "Monthly Plan;" and, ii. AT&T's Features Brochure(s) describing the service feature(s) listed above under "Other Services." I acknowledge that the Terms and Conditions Booklet, the Rate Plan Brochure and the Features Brochure(s) were separately provided to me at the time I signed this Agreement.

Service/Coverage Limitations

Service is not available at all times in all places. Coverage maps are available at att.com/wireless and are subject to the additional limitations described there. There are gaps in coverage within the service areas shown on coverage maps, which, by their nature, are only approximations of actual coverage. I accept AT&T's service with these limitations.

iPhone Customers

AT&T is Apple's exclusive carrier partner for iPhone in the United States. An eligible data plan for iPhone is required. This data plan covers data usage in the United States and does not cover international data usage and charges. If it is determined that you are using an iPhone on your account without an eligible data plan, AT&T reserves the right to add an eligible data plan to your account and bill you the appropriate monthly fee.

30-Day Cancellation Policy

I may terminate this Agreement within thirty (30) days after activating service without paying an Early Termination Fee. I will pay for service fees and charges incurred through the termination date, but AT&T will refund my activation fee, if any, if I terminate within three (3) days of activating the service. Also, I may have to return any handsets and accessories purchased with this Agreement. If I terminate after the 30th day but before expiration of the Agreement's Service Commitment, I will pay AT&T an Early Termination Fee for each wireless telephone number associated with the service.

Mobile Content

I understand that wireless devices can be used to purchase goods, content, and services (including subscription plans) like ring tones, graphics, games, and news alerts from AT&T or other companies. I understand that I am responsible for all authorized charges associated with such purchases from any device assigned to my account, that these charges will appear on my bill (including charges on behalf of other companies), and that such purchases can be restricted by using parental controls available from your AT&T salesperson, at att.com/wireless, or by calling AT&T.

Optional Wireless Phone Insurance Is Available

If not already enrolled, ask about optional Wireless Phone Insurance. If eligible, you have 30 days from the date of activation or upgrade to add it. Provided by Asurion Protection Services, underwritten by CNA. See brochure for complete terms and conditions. Key terms include:
