

## Samsung Infuse 4G Accessories

To prepare for the arrival of the Samsung Infuse 4G in AT&T stores, the company has prepared a robust lineup of 14 fashionable and functional accessories including multiple case options, a vehicle mount and desk mount. All accessories are available in AT&T company-owned stores and online at [www.wireless.att.com](http://www.wireless.att.com). The lineup includes:

**Case-Mate Pop cases (grey and white, \$34.99)**

Dual layers of hard plastic and soft rubber combine for a sleek, modern look, while the innovative lay flat design protects the screen.

**Body Glove Pattern Soft Shell (black, pink, blue; \$29.99)**

Flexible protective gel case with a slim profile. Unique etched design adds subtle style.

**Ballistic HC & Holster (grey/black, \$49.99)**

Five layers of hard core protection that is tested to meet military specifications.

**Ballistic SG (black, \$34.99)**

Three layers of advanced drop protection.

**AG Findings Painted Snap-on Shell (red, \$29.99)**

Provides a lightweight layer of protection.

**Moshi iVisor Screen Protector (\$24.99)**

100% bubble-free, washable and reusable. Installation takes seconds.

**Incipio OffGRID Charging Case (black, \$69.99)**

Designed to charge on the go. Doubles talk time, web, standby, text, and music. Launching 6/05.

**Samsung Vehicle Navigation Mount (\$34.99)**

Fully adjustable, multi-angle neck for dashboard or windshield mounting gives you the ability to use speakerphone and GPS navigation.

**Samsung Desk Dock (\$49.99)**

Listen to music or watch movies and videos in either portrait or landscape mode and keep all of your communications tools and favorite apps close at hand.
