

Top 10 Reasons AT&T U-verse is Cooler Than Cable

AT&T U-verse TV offers you a new entertainment experience with leading content, service integration and features that are unmatched in the marketplace, making U-verse TV cooler than cable.

1. Total Home DVR

With Total Home DVR – **currently being rolled out market-by-market*** – you can watch HD and SD recordings from a single DVR on other connected TVs in the home. You can also pause a recorded show and pick it up where you left off in another room, play back up to four recorded shows at once, and play back the same recorded show on different TVs at different points.

2. More HD channels than most local cable providers currently offer

U-verse HD technology delivers rich, realistic video and 5.1 channel audio with a wide selection of HD channels. U-verse TV also features a robust channel lineup and a large library of Video On Demand titles for viewers of all ages.

3. AT&T Yahoo! Web and Mobile Remote Access to DVR

With U-verse TV and Internet, you can schedule DVR recordings even when you're on the go from any Internet-connected computer or compatible wireless device. And you can record up to four shows at once – something no other provider offers today.

4. Built-in Picture-in-Picture

You can channel surf without missing a minute of the program you're watching by using the Picture-in-Picture browse feature.

5. AT&T U-bar

The U-bar allows you to access customizable stock, weather, sports and traffic information on your TV screen, based on the preferences you set on the AT&T High Speed Internet portal.

6. Local Yellow Pages search

YELLOWPAGES.COM TV gives you an intuitive new way to search your local Yellow Pages directory on your television screen.

7. AT&T Yahoo! Games

You can play your favorite games on your television screen, including Sudoku, Solitaire, JT's Blocks, Mah-Jongg Tiles and Chess.

8. Yahoo! Sports Fantasy Football

You can track the progress of your fantasy team - including current team matchups and league standings - directly from your TV screen through the sports section of the AT&T U-bar. Join an existing league for free or create your own league.

9. Advanced search functionality

U-verse TV has a unique search capability that allows you to search programs or the VOD library by title or an actor's name.

10. AT&T Online Photos from Flickr

You can simply and conveniently watch slideshows and browse your online photos right from the comfort of your couch, on your U-verse TV screen.
