

# Get iReady

Here's what you need to get ready for iPhone 3G.

## Selections you will need to make

### Step 1 – Select a model

- 8GB - \$199 for new activations and qualified upgrades / purchase an early upgrade for \$399, available in black
- 16GB - \$299 for new activations and qualified upgrades / purchase an early upgrade for \$499, available in black or white

Two-year contract is required.

### Step 2 – Quantity

You may purchase 1 iPhone per person in line.

### Step 3 – Select Your Accessories

- Bluetooth headset
- Car charger
- Leather case
- Apple Care – extended warranty
- Phone skins
- iTunes gift card
- Phone holster

### Step 4 – Choose a rate plan

Select your rate plan and text plan from the options listed in the tables below.

### iPhone for Business

For access to corporate email (via Microsoft Exchange), company intranet sites, and/or other business solutions/applications, add an Enterprise Data Plan for iPhone for \$45 per month. For personal email and web, add a Data Plan for iPhone for \$30 per month. An eligible business voice plan is required for use with iPhone. Business customers are encouraged to visit [att.com/iphoneforbusiness](http://att.com/iphoneforbusiness) for information on where to purchase iPhone 3G.

### Things to Know

Wireless Phone Insurance is not available for iPhone. Prepaid is not available for iPhone 3G. Data Global Plans for iPhone can be added for reduced data rates in 41 countries. For a complete list of countries and rates visit [att.com/wirelessinternational](http://att.com/wirelessinternational).

## Are you new to AT&T?

### Opening an AT&T account is easy

It's easy to open an account with AT&T. Here is some information to help get you started:

- Credit check is required - come prepared with photo ID and Social Security Number
- A deposit may be required at time of purchase upon credit review
- An activation fee of \$36 will be billed to your account
- Two-year contract is required

Reduce your wait time on launch day. Visit the store where you will purchase iPhone 3G, prior to July 11, for a pre-qualifying credit check.

### Port (transfer) your existing phone number

You will need to provide account information as it appears on record with your current service provider, which includes:

- Account number
- Name of the account holder
- Account holder's SSN or Tax ID
- Billing address
- PIN or password (if applicable)

Information provided must exactly match your current service provider's records. If there is a mismatch in the data, your port will be delayed.

### Transfer your data to iPhone 3G

- iPhone syncs with applications on your Mac or PC, allowing you to transfer your calendar, contacts, email, photos and music seamlessly to your iPhone 3G.

## Are you already an AT&T Customer?

### See if you qualify for an upgrade

Do you qualify for discounted pricing? Find out now! Log in to [att.com/iphone](http://att.com/iphone) or visit a store prior to July 11.

### Upgrade Fee

You will be charged an \$18 upgrade fee which will be billed to your account.

### Transfer your data to iPhone 3G

- iPhone syncs with applications on your Mac or PC, allowing you to transfer your calendar, contacts, email, photos and music seamlessly to your iPhone3G.
- Before you transfer files, organize your contacts, calendar, and email to be sure all information is current.
- Check and clear your voicemail. Any existing voicemail messages will be lost once your new phone is activated.
