

## **International Calling: Staying in Touch Around the Globe with Your Wireless Phone**

AT&T's wireless customers enjoy the most robust selection of world phones and international discount calling plans, along with the best global coverage of any wireless provider. With voice service in more than 220 countries and data service (email, Web browsing) in 200 countries, AT&T customers can travel around the globe and make and receive calls on the same wireless number they use at home. AT&T also offers voice and data roaming coverage on more than 140 major cruise ships. In addition, AT&T offers ultra-fast 3G network speeds in more than 125 countries, including Japan and South Korea.

### ***Making International Calls from the U.S.***

**AT&T World Connect.** It's easy and convenient to make international calls from your mobile phone. This plan offers discounted per-minute rates on long distance calls from the U.S. to 220 countries for just \$3.99 a month.

### ***Calling and Traveling in North America***

**AT&T Mexico.** For \$4.99 a month, customers receive discounted rates when they travel to or call Mexico.

**AT&T Canada.** For \$4.99 a month, customers receive discounted rates when they travel to or call Canada.

### ***Using Your Mobile Device Abroad***

**AT&T World Traveler.** For \$5.99 a month, customers receive discounted calling rates when traveling in more than 100 countries.

**PDA/Smartphone/BlackBerry/iPhone International Data Plans.** Travelers who need to work while vacationing can take advantage of discounted international data plans in over 90 countries. PDA/BlackBerry and smartphone users can choose from a 20MB plan for an additional \$24.99 a month or a 50MB plan for an additional \$59.99 a month. iPhone users can also choose from a 100MB plan for an additional \$119.99 per month, and a 200MB plan for an additional \$199.99 per month. Visit [www.att.com/worldpackages](http://www.att.com/worldpackages) for more information. \*Additional BlackBerry plans available for business customers. Call 866-928-8222 for details.

**International DataConnect Plans.** While abroad, travelers can maintain wireless connectivity to work or home with a laptop card. For \$109.99 a month, customers receive 5 GB of data in the U.S. plus 100MB in Canada and Mexico. For \$139.99 a month, customers receive 5 GB of data in the U.S. plus 100MB in over 90 countries, or for \$229.99 a month, customers receive 5 GB of data in the U.S. plus 200MB in over 90 countries. Visit [www.att.com/worldpackages](http://www.att.com/worldpackages) for more information.

**AT&T Global Messaging 50 Package.** Many customers enjoy the freedom of sending a text message or picture message anytime to stay in touch with friends and family in the U.S. while traveling in a foreign time zone. With the Global Messaging 50 Package, customers can send 50 mobile messages at discounted rates—including text, instant, picture and video—from more than 90 countries for a flat rate of \$10.00 per month.
