

A smartphone packed with features, versatility and style.

Samsung Propel™ Pro

Exclusively from AT&T

- Only AT&T offers the Samsung Propel™ Pro—a feature-rich smartphone offering outstanding versatility in a sleek, stylish and compact vertical-slider design that easily fits in your pocket.
- This smartphone has it all: easy-to-use work and personal email, text messaging, Web browsing, music, and impressive photo and video capabilities. And it comes with Microsoft® Windows Mobile® 6.1 Standard, providing easy and intuitive homepage access to email, calendar, messaging, IMs, pictures, music, and more. And because it's Windows, virtually every task you'll want to accomplish is one you already know how to do.
- Offers a full slide-out QWERTY keyboard for fast and easy text input, 3.6 Mbps HSDPA, a 528 Mhz applications processor, an intuitive new joystick navigation system and more.

World phone, world-class capabilities

- Tri-band HSDPA/Quad EDGE spectrum support offers global capability for use in the U.S. and around the world.
- Built-in WiFi 802.11 b/g makes it easy to browse the Internet on public or private networks.
- Includes integrated aGPS for use with Location-based Services like AT&T Navigator, providing turn-by-turn navigation that gets you where you're going.

Small, smart, fast

- Small size and familiar user interface make the Samsung Propel™ Pro easy to carry around and simple to use—providing the portability of a “voice-first” mobile phone plus the ability to handle all your email and messaging needs.
- The new joystick center navigation system maneuvers 360 degrees for free-flowing movement, so it's easy to switch from one smartphone function to another and make instant point-and-select decisions.

Take your music and pictures with you

- For fun, news, and entertainment value, the Samsung Propel™ Pro offers robust multimedia tools for rich mobile video and music experiences, including Video Share calling, AT&T Music and CV-video.
- You can snap quality photos on-the-go with the built-in 3-megapixel auto-focus camera.

Reliable and flexible

- The Samsung Propel™ Pro is designed and built by Samsung, known for its innovative and reliable engineering.
- In addition to being easy to use and convenient to carry, it's also customizable with the capability to add features from thousands of Microsoft® Windows Mobile® applications.

Samsung Propel™ Pro

Features, flexibility and style

The Samsung Propel™ Pro handles all your voice and data communication needs both for work and entertainment—in an easily pocketable form factor.

Your world. Delivered.

IMPORTANT INFORMATION: Coverage not available in all areas. Equipment price and availability may vary by market and may not be available from independent retailers. Specifications subject to change. Up to \$36 activation fee applies. Certain benefits and service features may require you to purchase additional hardware, software, obtain network connection and pay monthly access and/or per use charges. Subscriber must live and have a mailing address within AT&T's wireless-owned network coverage area. This device is sold for use on AT&T's wireless systems. It may not be compatible with other wireless systems. Battery life, talk and standby times are approximate and depend on network configuration, signal strength, features selected and customer usage patterns. Network speed is no indication of the speed at which your device sends or receives data. Actual speeds depend on distance from cell site, network availability and traffic, device, applications, tasks, file size and other factors. Availability, speed of delivery and timeliness of information is not guaranteed. Terms of service will vary based on selected service plans. Other conditions and restrictions apply. See business/service agreement, rate plan brochure(s) and coverage map(s) for details. Early Termination Fee: None if cancelled in the first 30 days; thereafter \$175. Some agents impose additional fees. Samsung and the Samsung logo are registered trademarks of Samsung Electronics America, Inc.
