TECHNICAL REFERENCE NOTICE

Ameritech reserves the right to revise this document for any reason, including but not limited to conformity with standards promulgated by various agencies; utilization of advances in the state of technical arts; or the reflection of changes in the design of any equipment, techniques or procedures described or referred to herein. Liability to anyone arising out of use or reliance upon any information set forth herein is expressly disclaimed, and no representations or warranties, expressed or implied, are made with respect to the accuracy or utility of any information set forth herein.

This document is not to be construed as a suggestion to any manufacturer to modify or change any of its products, nor does this document represent any commitment by Ameritech or any Ameritech Bell company to purchase any product whether or not it provides the described characteristics.

Nothing contained herein shall be construed as conferring by implication, estoppel or otherwise any license or right under any patent, whether or not the use of any information herein necessarily employs an invention of any existing or later issued patent.

Ameritech does not recommend products and nothing contained herein is intended as a recommendation of any product to anyone.
