## Benefits of paperless\*

### Paperless is safer

Nearly 85% of identity theft is due to lost or stolen paper bills, payments, and statements.

### Save gas and the environment

If only 20% of U.S. households switched to online bills, statements and payments, the impact every year would:

- Avoid using 135 million gallons of gasoline.
- Avoid 720 thousand tons of greenhouse gas.
- Save 147 million pounds of paper.
- Save 2 million beautiful trees.
