#### AT&T U-VERSE® VOICE AND TV GENERAL TERMS OF SERVICE Effective February 2016

##### 1. GENERAL AGREEMENT

The following Terms of Service (referred to as “TOS”) are between you, the customer, and one of the following AT&T companies, depending upon your service address: Southwestern Bell Telephone Company; Pacific Bell Telephone Company; Illinois Bell Telephone Company; Indiana Bell Telephone Company, Incorporated; Michigan Bell Telephone Company; Nevada Bell Telephone Company; The Ohio Bell Telephone Company; Wisconsin Bell, Inc.; or BellSouth Telecommunications, LLC (each individually and collectively referred to as “AT&T”). The TOS constitute a legal document that details your rights and obligations as a purchaser of AT&T U-verse Voice service and/or AT&T U-verse TV service (individually and collectively referred to as “Services”). If you purchase AT&T U-verse Voice service, your TOS include the General Terms of Service set forth herein, and the attached Schedule 1. If you purchase AT&T U-verse TV service, your TOS include the General Terms of Service set forth herein and the attached Schedule 2. Your TOS also include the Acceptance Form for Terms of Service for Purchase and Use of AT&T U-verse Voice and/or AT&T U-verse TV provided to you when Services are installed. Your TOS will continue to apply to your U-verse Services when they are transferred from one location to another.

**PLEASE READ THIS AGREEMENT CAREFULLY TO ENSURE THAT YOU UNDERSTAND EACH PROVISION. THIS AGREEMENT REQUIRES THE USE OF ARBITRATION ON AN INDIVIDUAL BASIS TO RESOLVE DISPUTES, RATHER THAN JURY TRIALS OR CLASS ACTIONS, AND ALSO LIMITS THE REMEDIES AVAILABLE TO YOU IN THE EVENT OF A DISPUTE.**

You must accept this TOS as a condition of receiving the Services. For purposes of these TOS, “you” and “your” refer to the person purchasing the Services. “We,” “our,” “us,” refer to AT&T.

AT&T will comply with all applicable federal, state and local laws, to the extent that such laws apply to AT&T and its obligations under the TOS. If there is any conflict between the TOS and such applicable law, such applicable law controls. These conflicts could include, but are not limited to, fees and charges for service, billing and payments, notices, and your rights and remedies.

*Legal Authority.* You must be at least 18 years of age to purchase the Services as an individual or to accept these TOS as an authorized representative for the person or entity who purchases the Services. By accepting these TOS, you confirm you are an adult of at least 18 years of age. If you are an entity, by accepting these TOS, you confirm (through your duly authorized representative) that you are a corporation, partnership, or other legal entity duly formed (and incorporated if applicable) in good standing where required to do business with all legal authority and power to accept these TOS; and you are also confirming that these TOS constitute a valid and binding obligation of yours. All use of the Services, whether or not authorized by you, shall be deemed for your use. You are responsible for ensuring that all use of the Services complies with these TOS.

By enrolling in, activating, using, or paying for the Services, you agree to the terms and conditions in these TOS, including but not limited to the prices, charges, and terms and conditions provided to you in marketing and informational materials associated with the Services and on the AT&T U-verse website, all of which are incorporated herein by reference. If you do not agree to all of the aforementioned terms and conditions, do not use the Services, and cancel the Services immediately by calling AT&T at 800.288.2020.

*Updates.* These TOS may be updated or changed from time to time. You can review the most current version of these TOS at any time at: [att.com/versetermsofservice](http://att.com/versetermsofservice). If AT&T makes a change to these TOS and that change has a material impact on the Services, you will be provided notice of that change, and such notice will be provided consistent with Notice provisions of this TOS. Your continued use of the Services following such notice constitutes your acceptance of those changes.

*Special Arrangements.* Some customers may receive the Services through a special arrangement with their property owner or manager. If you have such an arrangement, these TOS shall apply to the Services, except that AT&T may not directly charge you for Services (including Equipment) provided to you as part of the special arrangement, and the Equipment return provisions may not apply to you even though Equipment remains AT&T-owned. You will be responsible for fees and charges associated with additional Service orders. You may have an additional agreement or contract with your property owner or manager that covers any applicable special arrangement. Any such additional agreement or contract is outside these TOS and AT&T is not responsible for nor bound by the terms of any agreement you may have with your property owner or manager. If the special arrangement with your property owner or manager terminates, you will continue receiving Service under standard billing terms and these TOS unless you notify AT&T.

## **2. ACCEPTABLE USE AND PRIVACY POLICIES**

Use of the Services is subject to the AT&T Acceptable Use Policy (available at <http://www.corp.att.com/aup>), which is incorporated herein by reference. Once you have purchased the Services you will have an account with AT&T ("AT&T Account"). Your AT&T Account will include information applicable to the Services including but not limited to billing information and charges related to the Services (whether recurring or one-time). If you have, or later obtain, an AT&T Access ID, you are subject to the **AT&T Access ID Terms and Conditions** (available at <http://www.att.com/accessidterms>), which are incorporated herein by reference. **The AT&T Privacy Policy**, which is incorporated herein by reference. The AT&T Privacy Policy, which is incorporated herein by reference and is available online at <http://www.att.com/privacy>, addresses AT&T's use of account information and other information specific to your use of AT&T U-verse Services.

AT&T U-verse Services are provided for your non-commercial personal use only, and for your enjoyment in a private residential dwelling/office unit. You agree not to reproduce, duplicate, copy, sell, transfer, trade, resell or exploit for any commercial purposes any portion of the Services, use of the Services, or access to the Services. Further, you agree that the AT&T U-verse TV service will not be viewed in areas open to the public or in commercial establishments and that your AT&T U-verse TV service may not be rebroadcast, nor performed, nor may admission be charged for listening to or viewing AT&T U-verse TV service.

## **3. INSTALLATION/SERVICE**

You will be responsible for payment of service charges for visits by AT&T or its subcontractors to your premises when a service request results from causes not attributable to AT&T or its subcontractors, including, but not limited to, when you are unwilling to complete troubleshooting steps requested by AT&T. You will provide AT&T and its subcontractors with reasonable access to your premises in order to install, maintain, and repair the Service and you authorize any other adult resident or guest at your residence to grant access to your premises for these purposes. You understand and agree that AT&T may drill, cut, and otherwise alter improvements on the premises (including walls, flooring, and/or other surfaces) in order to install, maintain, or repair the Service. If you do not own your premises or your unit is part of a multi-tenant environment (e.g., apartment building, condominium, private subdivision), you warrant that you have obtained permission from any necessary party, including but not limited to the owner, landlord, or building manager, to allow AT&T and its subcontractors reasonable access to install, maintain, and repair the Service and to make any alterations AT&T deems appropriate for the work to be performed.

You acknowledge that AT&T may use existing wiring, including altering the wiring and removing accessories,

located within your unit ("Inside Wiring"). You warrant that you own or control the Inside Wiring, and give AT&T permission to use, alter, and remove equipment from, such wiring. Without limiting any other provisions of this TOS, you agree to indemnify AT&T from and against all claims by an owner, landlord, building manager, or other party in connection with installation, maintenance, repair, or provision of the Services.

#### **4. FEES AND CHARGES**

*Agreement to Pay.* You agree to pay all fees and charges for the Services associated with your AT&T Account, including recurring and nonrecurring charges, taxes, fees, surcharges, and assessments applicable to the Services, associated equipment, installation and maintenance, and including all usage and other charges associated with your account. In order to provide you with the Services, AT&T may pay taxes, fees, and surcharges to municipalities and other governmental entities, which AT&T may pass on to you.

*Late Payment Charge and Dishonored Check or Other Instrument Fee.* If the entire amount of payment due is not received by the payment due date, a late payment charge will be charged to you. AT&T may assign unpaid late balances to a collection agency for appropriate action. You will be charged a fee for any check or other instrument tendered by you and returned unpaid by a financial institution for any reason.

*Unpaid Past Due Charges.* You expressly authorize, and specifically consent to allowing, AT&T and/or its outside collection agencies, outside counsel, or other agents to contact you in connection with any and all matters relating to unpaid past due charges billed by AT&T to you. You agree that, for attempts to collect unpaid past due charges, such contact may be made to any mailing address, telephone number, cellular phone number, email address, or any other electronic address that you have provided, or may in the future provide, to AT&T. All contact information you provide will be kept confidential and used only for the purposes stated above. You agree and acknowledge that any email address or any other electronic address that you provide to AT&T is your private address and is not accessible to unauthorized third parties.

*Changes to Fees & Charges.* If you signed up for Services for a specified term, you agree that if you cancel your plan before the end of the term, you will pay any applicable early termination fee. At the conclusion of your term, AT&T will automatically begin charging the applicable month-to-month fee. If you purchased the Services as part of a bundled offering with one or more other products and are receiving a discount based upon that bundled offering, your discount may cease and you may be billed the standard monthly rate for the Services if you change or disconnect one or more of the services in the applicable bundle. AT&T may, upon notice required by applicable laws, at any time change the amount of or basis for determining any fee or charge or institute new fees or charges.

*Data Usage.* Use of certain services, including but not limited to AT&T U-verse TV features and apps, AT&T Digital Life, home security, home automation and medical alarm systems, will count towards your internet usage allotment. For more information about the use of your residential High Speed Internet Service and the data plans that may apply to your service, how much data you use, and management of your data usage, please refer to [www.att.com/internet-usage](http://www.att.com/internet-usage).

#### **5. BILLING AND PAYMENTS**

*Credit Card Authorization.* You may be asked to provide us with a valid email address and a credit card number from a card issuer that we accept in order to activate your Services. You hereby authorize AT&T to charge and/or place a hold on your credit card with respect to any unpaid charges related to the Services. You authorize the issuer of the credit card to pay any amounts described herein without requiring a signed receipt, and you agree that these TOS are to be accepted as authorization to the issuer of the credit card to pay all such amounts. You authorize AT&T and/or any other company who bills products or services, or acts as billing agent for AT&T to continue to attempt to charge and/or place holds with respect to all sums described herein, or any portion thereof, to your credit card until such amounts are paid in full.

You agree to provide AT&T with updated credit card information upon AT&T's request and any time the information you previously provided is no longer valid. You are solely responsible for maintaining and updating the credit card information. Without limiting the applicability of any other provisions of this TOS, you acknowledge and agree that neither AT&T nor any AT&T affiliated company will have any liability whatsoever for any non-sufficient funds or other charges incurred by you as a result of such attempts to charge, and/or place holds on, your credit card. If you mistakenly provide a debit card number, instead of a credit card number, you authorize all charges described herein to be applied to such debit card unless and until you provide a credit card number. In the event you are enrolled, or later enroll, in an automatic payment or electronic funds transfer plan, you agree that all sums described herein may be charged, at AT&T's option, to the account number provided for such automatic payment or electronic funds transfer plan.

*Advance Payments, Deposits, Fees and Limits.* We may require you to make deposits or advance payments for Services, which we may use to satisfy your initial bill for Services, to offset against any unpaid balance on your account, or as otherwise set forth in these TOS or permitted by law. Interest will not be paid on advance payments or deposits unless required by law. We may require additional advance payments or deposits if we

determine that the initial payment was inadequate. Upon determination solely by AT&T of satisfactory payment history or as required by law, AT&T may begin refunding of the deposit or advance payment through bill credits, cash payments, or as otherwise determined solely by AT&T. Based on your creditworthiness, a non-refundable fee may be required to establish service and we may require you to enroll, and remain enrolled, in an automatic payment or electronic funds transfer plan. We may establish additional limits and restrict service or features as we deem appropriate. If your account balance goes beyond the limit we set for you, we may immediately interrupt or suspend service until your balance is brought below the limit. Any charges you incur in excess of your limit become immediately due.

*Payment Cycle and Cancellation.* Billing for the Services commences when AT&T has provisioned the Services. Recurring charges for each month's Services will be billed one month in advance. Billing is based on a 30-day cycle. Non-recurring and usage-based charges for the Services generally will be billed in the billing cycle following the transaction. Your first bill for Services may include pro-rated charges for a partial monthly period prior to the beginning of your first monthly billing cycle. Upon termination you will be charged for the pro-rated number of days for which you had Services in that billing cycle and, if applicable, you will receive a credit for any balance of payments for Services billed in advance. A downgrade fee may apply if you make changes to your Service within thirty (30) days of Service provisioning or later programming orders.

*Method of Billing/Payment.* Fees and charges for the Services will be billed to your AT&T Account. You will receive an online bill for the Service, unless you specifically notify us that you want to receive a paper bill for the Services (at 800.288.2020). You must register online to establish a personal AT&T My U-verse Account and provide a billing email address. You will then be able to view and pay your bill online by logging on to your personal AT&T My U-verse Account (username and password required). You understand that you have sole responsibility for the security of your password and you are solely responsible for notifying AT&T if your password is lost or stolen. AT&T is not liable for any claims, costs, damages, or expenses arising from a lost, misplaced, or stolen password. If you forgot your password or want to change your password for any reason, you may request to reset your password online. It is your responsibility to notify AT&T immediately if your contact information changes.

*Bill Inquiries and Refunds.* If you believe you have been billed in error for the Services, please notify us within 60 days of the billing date by contacting Customer Service (800.288.2020). AT&T will not issue refunds or credits after the expiration of this 60-day period, except where required by law or regulation. Any amounts refunded in the form of bill credits, cash payments or any other form shall be inclusive of all applicable taxes, fees and surcharges that were originally paid on such amounts. Credit amounts, such as customer loyalty rewards, that do not represent a refund of, or a discount to, the price paid for any good or service will not result in the refund of any tax, fee, or surcharge previously paid by the customer.

*Refunds.* You authorize AT&T to use outside payment processing agencies or other companies for purposes of paying any refund owed to you, and you further authorize AT&T to sell, assign or otherwise transfer its refund rights and obligations under this Agreement to outside payment processing agencies or other companies. You agree that we or the outside payment processing agency or other company that is responsible for your refund may determine in our or, if applicable, their sole and absolute discretion the form of any refund that we issue to you under this Agreement, and such form may include a credit on your next statement, a check, or a prepaid debit card that may be subject to monthly service fees not to exceed \$2.95 per month and that are deducted from the amount of the refund.

*Promotions and Contingent Benefits.* You may receive or be eligible for certain discounts, features, promotions, and other benefits associated with your purchase of the Services as offered to you in marketing and informational materials, on the AT&T U-verse website, or in other materials ("Benefits"). Any and all such Benefits are provided to you so long as you continue to meet qualification requirements; provided, however, such Benefits may be modified or terminated at any time as set forth in these TOS or if you change your Services after installation. Unless otherwise set forth in Benefits materials, standard monthly rates will be charged at the conclusion of the Benefits period or when you no longer qualify for the Benefits.

## **6. EQUIPMENT**

Equipment provided by AT&T may be new or fully inspected and tested. Any equipment or software that was not provided to you by AT&T, including batteries, is not the responsibility of AT&T, and AT&T will not provide support, or be responsible for ongoing maintenance of such equipment. Depending on your service address, your Services will include one of the following Equipment configurations:

- a. A [Wi-Fi Gateway \("WG"\)](#) located inside your premises, and certain service-specific equipment set forth in Schedule 1 and/or Schedule 2 that is required for the Services to function (the WG and service-specific equipment herein collectively referred to as "Equipment"). If you do not purchase the Equipment from AT&T, you agree to pay a monthly equipment fee for the Equipment as part of your purchase of the Services for the duration of your receipt of the Services. Equipment fees may be included in your monthly charge for the Services or be charged separately (different taxes and surcharges may apply to the equipment fees, Service fees, and/or the equipment fee portion of the Service fees). Equipment fee/purchase options

depend on the AT&T U-verse Services you order and installation options you choose. The Equipment requires electrical power from your premises to operate, which you are responsible for providing.

b. If you have an WG inside your premises, you may also have an [Optical Network Terminal \("ONT"\)](#), which is a box that may be located inside your premises, on the outside of your premises, in a central location in a multi-tenant building, or in your garage, where AT&T's fiber network terminates. The ONT also requires electrical power from your home to operate, which you are responsible for providing. AT&T will install your ONT device. The ONT power supply box converts the AC power in your home to the DC power required by the ONT.

c. If you do not have an WG located inside your premises, your service is provided by an [Intelligent Network Interface Device \("iNID"\)](#) and certain service specific equipment set forth in Schedule 1 and/or Schedule 2 that is required for the Services to function (the iNID and certain service-specific equipment therein collectively referred to as "Equipment"). If you do not purchase the Equipment from AT&T, you agree to pay a monthly equipment fee for the Equipment as part of your purchase of the Services for the duration of your receipt of the Services. Equipment fees may be included in your monthly charge for the Services or be charged separately. Equipment fee/purchase options depend on the AT&T U-verse Services you order and the installation options you choose. The iNID includes three components: (1) a unit typically located on the outside of your premises or in your garage where the AT&T network terminates (the outside unit); (2) a home networking hub, which provides wireless networking capability and is located inside your premises, (the inside unit); and, (3) a power supply unit, typically located in a sheltered area either inside your premises or in an attached structure. You are responsible for providing the electrical power for the iNID.

*Battery Backup for WG.* It is your responsibility to provide for your own battery backup. You may choose to purchase battery backup for your WG from third party manufacturers or retailers. For more information and minimum specifications visit [att.com/batterybackup](http://att.com/batterybackup) also see Schedule 1, section IV, for more information on Power Outages and No Battery Backup.

*Battery Backup for ONT.* It is your responsibility to provide for your own battery backup. You may choose to purchase battery backup for your ONT from third party manufacturers or retailers. You agree to read and follow all manufacturer or vendor directions for the replacement and recycling of battery backup. For more information and minimum specifications visit [att.com/batterybackup](http://att.com/batterybackup).

*Battery Backup for iNID.* If there is an iNID at your premises, AT&T provided the initial battery backup. All subsequent battery backups are the responsibility of the customer at the premises. For more information and minimum specifications visit [att.com/batterybackup](http://att.com/batterybackup) also see Schedule 1, section IV, for more information on Power Outages and No Battery Backup.

AT&T reserves the right to manage the AT&T installed Equipment during the time you are an AT&T U-verse customer and retains exclusive rights to data generated by the Equipment. Neither you nor a third party may change, interfere with, or block access to the Equipment data or settings. AT&T will repair or replace damaged Equipment as AT&T deems necessary. You understand that repair or replacement of the Equipment may delete stored content, reset personal settings, or otherwise alter the Equipment. If the Equipment was damaged due to your intentional acts, negligence, or use inconsistent with the TOS as determined by AT&T, you will be responsible for the price of repair or replacement. Any tampering with the Equipment, including, for example, opening and attempting to modify the Equipment, or attempting to connect the Equipment to other hardware, will be treated as damage due to your intentional acts or negligence. You agree that you will use the Equipment only for its intended residential use, and not for any other purpose (such as on another AT&T network, or on another provider's (non-AT&T) network). You agree to use appropriate and reasonable care in using any and all Equipment.

AT&T will not provide support for, or be responsible for, ongoing maintenance or management of, customer-owned equipment, including the battery backup equipment used by AT&T U-verse customers. For more information and minimum specifications visit [att.com/batterybackup](http://att.com/batterybackup).

*Return of Equipment.* Upon termination of the Services for whatever reason, you must return the Equipment, undamaged, within 21 calendar days to AT&T. If the Equipment is not returned within 21 calendar days, or is returned damaged, you will be charged for the value of the Equipment. We may retain any advance payment or deposit, or portion thereof that previously had not been refunded, if you fail to return the Equipment within this time period. If the Equipment is returned within 90 days of termination, any fees charged for the Equipment will be refunded (other than fees for damages). No refunds will be made for any Equipment returned more than 90 days after termination. In addition to termination of service, these return of equipment provisions apply if your existing equipment is replaced or upgraded for any reason.

## **7. INDEMNITY**

You agree to indemnify and hold AT&T and its subsidiaries, affiliates, directors, officers, agents, and employees harmless from any claim, demand, action, citation, or legal proceeding, including, but not limited to, those arising out of or resulting from the death or bodily injury of any person, or the damage, loss, or destruction of any real or tangible personal property, or for reasonable attorneys' fees (except as provided in paragraph 11(e) below), made by any party against AT&T, its subsidiaries, affiliates, directors, officers, agents, and employees arising out of or related to your use of or inability to use the Services, your connection to the Services, the provisioning or alleged failure to provision the Services, a violation of any provision of this TOS, or your violation of any rights of another.

## **8. INTERRUPTIONS, LIMITATIONS, AND MODIFICATIONS TO SERVICE**

Service may be temporarily interrupted or otherwise limited for a variety of reasons; some beyond the control of AT&T. AT&T reserves the right to refuse credit allowances for interruptions of Service. AT&T also reserves the right to modify or discontinue, temporarily or permanently, at any time and from time to time, the Services (or any function or feature of the Services or any part thereof) without liability. You acknowledge that AT&T may establish general practices and limits concerning use of the Services, including without limitation, the limits set forth in the attached Schedule 1 and Schedule 2.

*IP Network Interruptions.* You acknowledge and understand that the Services will not function in the event of an IP network interruption.

## **9. ACCOUNT SECURITY**

*Customer Duty.* You agree to keep confidential all passwords, user IDs, IP addresses, and other account identifiers and are solely responsible for any liability or damages resulting from your failure to maintain that confidentiality. You are solely and fully responsible and liable for all activities that occur under your AT&T Account, password, user ID, or IP address. You agree to: (a) immediately notify AT&T if you suspect any breach of security such as loss, theft, public use (unrestricted, open, communal or shared use by third parties unrelated and/or not affiliated with the Customer either for profit or not for profit) or unauthorized disclosure or use of your AT&T Account, password, user ID, or any credit or charge card number provided to AT&T by calling 800.288.2020; (b) ensure you exit from your account as applicable at the end of each session; and (c) periodically change your password.

*Account Access.* You authorize AT&T to provide information about and to make changes to your AT&T Account, including adding new service, upon the direction of any person able to provide information we deem sufficient to identify you.

*Assumption of Risk.* There is a risk that other users may attempt to access your Services, such as through the Internet or connected networks. You acknowledge this risk as inherent to the shared nature of the Services and you agree to take full responsibility for taking adequate security precautions and safeguarding your data.

*Theft of AT&T Equipment or Service.* You agree to notify AT&T immediately, in writing or by calling the AT&T customer support line, if the Equipment is stolen or if you become aware at any time that Services are being stolen or fraudulently used. When you call or write, you must provide your AT&T Account number and a detailed description of the circumstances of the Equipment theft, including documentation of theft (e.g., a copy of a police report) or stolen or fraudulent use of the Services. You will be responsible for all charges incurred on your AT&T Account until you report the theft or fraudulent use of the Services. You will be responsible for stolen Equipment, however, AT&T may in its sole discretion waive or reduce charges for stolen Equipment upon submission of documentation of theft or other circumstances. Failure to provide notice to AT&T of theft in a timely manner may result in the termination of your Services and additional charges to you. Unless notified otherwise by AT&T, after you report the theft or fraudulent use of the Services, you will remain responsible for paying your monthly fees for Services not stolen or fraudulently used.

## **10. SUSPENSION AND TERMINATION**

*Suspension/Termination by AT&T.* Your Services may be suspended or terminated if your payment is past due. AT&T may also suspend or terminate your Services if it is determined that there is previously unpaid, undisputed, and outstanding debt for U-verse service. Such suspension or termination may continue until satisfactory arrangements have been made for the payment of all past unpaid charges. While your Services are suspended you will not receive automatic credit balances (if any are due) and billing will continue for your monthly charges, and any applicable promotional offers may be discontinued and revoked as determined solely by AT&T. You will be charged a fee to restore your Service from suspension. In addition, AT&T may immediately terminate all or a portion of your Service or suspend Service, without notice, for conduct that AT&T believes (a) is illegal, fraudulent, harassing, abusive, or intended to intimidate or threaten; (b) constitutes a violation of any law, regulation, or tariff (including, without limitation, copyright and intellectual property laws); or (c) is a violation of these TOS, or any applicable policies or guidelines (including the Acceptable Use Policy), and AT&T may refer such use to law enforcement authorities without notice to you. Termination or suspension by AT&T of the Services also constitutes termination or suspension (as applicable) of your license to use any Software, if applicable.

*Contacts to Terminate Service.* You may terminate the Services at any time by calling 800.288.2020. You must pay service fees and other charges incurred through the termination date, including any early termination fees that apply. If you elect not to purchase your Equipment, you may also be charged the value of any Equipment that is not returned in accordance with Section 6.

## **11. DISPUTE RESOLUTION WITH AT&T BY BINDING ARBITRATION**

### **PLEASE READ THIS CAREFULLY. IT AFFECTS YOUR RIGHTS.**

Most customer concerns can be resolved quickly and to the customer's satisfaction by calling AT&T at 800.288.2020. **In the unlikely event that AT&T's customer service department is unable to resolve a complaint you may have to your satisfaction (or if AT&T has not been able to resolve a dispute it has with you after attempting to do so informally), we each agree to resolve those disputes through binding arbitration or small claims court instead of in courts of general jurisdiction.** Arbitration is more informal than a lawsuit in court. Arbitration uses a neutral arbitrator instead of a judge or jury, allows for more limited discovery than in court, and is subject to very limited review by courts. Arbitrators can award the same damages and relief that a court can award. Any arbitration under this Agreement will take place on an individual basis; class arbitrations and class actions are not permitted. For any nonfrivolous claim that does not exceed \$75,000, AT&T will pay all costs of the arbitration. Moreover, in arbitration you are entitled to recover attorneys' fees from AT&T to at least the same extent as you would be in court.

In addition, under certain circumstances (as explained below), AT&T will pay you more than the amount of the arbitrator's award and will pay your attorney (if any) twice his or her reasonable attorneys' fees if the arbitrator awards you an amount that is greater than what AT&T has offered you to settle the dispute.

### **Arbitration Agreement:**

- a. AT&T and you agree to arbitrate all disputes and claims between us. This agreement to arbitrate is intended to be broadly interpreted. It includes, but is not limited to:
- claims arising out of or relating to any aspect of the relationship between us, whether based in contract, tort, statute, fraud, misrepresentation or any other legal theory;
  - claims that arose before this or any prior Agreement (including, but not limited to, claims relating to advertising);
  - claims that are currently the subject of purported class action litigation in which you are not a member of a certified class; and
  - claims that may arise after the termination of this Agreement.

References to "AT&T", "you," and "us" include our respective subsidiaries, affiliates, agents, employees, predecessors in interest, successors, and assigns, as well as all authorized or unauthorized users or beneficiaries of Services under this or prior Agreements between us. Notwithstanding the foregoing, either party may bring an individual action in small claims court. This arbitration agreement does not preclude you from bringing issues to the attention of federal, state, or local agencies. Such agencies can, if the law allows, seek relief against us on your behalf. **YOU AGREE THAT, BY ENTERING INTO THIS AGREEMENT, YOU AND AT&T ARE EACH WAIVING THE RIGHT TO A TRIAL BY JURY OR TO PARTICIPATE IN A CLASS ACTION.** This Agreement evidences a transaction in interstate commerce, and thus the Federal Arbitration Act governs the interpretation and enforcement of this provision. This arbitration provision shall survive termination of this Agreement.

- b. A party who intends to seek arbitration must first send to the other, by certified mail, a written Notice of Dispute ("Notice"). The Notice to AT&T should be addressed to: Office for Dispute Resolution, AT&T, 1025 Lenox Park Blvd., Atlanta, GA 30319 ("Notice Address"). The Notice must (1) describe the nature and basis of the claim or dispute; and (2) set forth the specific relief sought ("Demand"). If AT&T and you do not reach an agreement to resolve the claim within 30 days after the Notice is received, you or AT&T may commence an arbitration proceeding. During the arbitration, the amount of any settlement offer made by AT&T or you shall not be disclosed to the arbitrator until after the arbitrator determines the amount, if any, to which you or AT&T is entitled.

**You may download or copy a form Notice and a form to initiate arbitration from here:**  
**[www.att.com/arbitration-forms](http://www.att.com/arbitration-forms).**

- c. After AT&T receives notice at the Notice Address that you have commenced arbitration, it will promptly reimburse you for your payment of the filing fee, unless your claim is for greater than \$75,000. (The filing fee currently is \$200 but is subject to change by the arbitration provider. If you are unable to pay this fee, AT&T will pay it directly upon receiving a written request at the Notice Address.) The arbitration will be governed by the Commercial Arbitration Rules and the Supplementary Procedures for Consumer Related Disputes (collectively, "AAA Rules") of the American Arbitration Association ("AAA"), as modified by this Agreement, and will be administered by the AAA. The AAA Rules are available online at

<http://www.adr.org>, by calling the AAA at 800.778.7879, or by writing to the Notice Address. (You may obtain information that is designed for non-lawyers about the arbitration process at [att.com/arbitration-information](http://att.com/arbitration-information).) The arbitrator is bound by the terms of this agreement. All issues are for the arbitrator to decide, except that issues relating to the scope and enforceability of the arbitration provision are for the court to decide. Unless AT&T and you agree otherwise, any arbitration hearings will take place in the county (or parish) of your billing address. If your claim is for \$10,000 or less, we agree that you may choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing as established by the AAA Rules. If your claim exceeds \$10,000, the right to a hearing will be determined by the AAA Rules. Regardless of the manner in which the arbitration is conducted, the arbitrator shall issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the award is based. Except as otherwise provided for herein, AT&T will pay all AAA filing, administration and arbitrator fees for any arbitration initiated in accordance with the notice requirements above. If, however, the arbitrator finds that either the substance of your claim or the relief sought in the Demand is frivolous or brought for an improper purpose (as measured by the standards set forth in Federal Rule of Civil Procedure 11(b)), then the payment of all such fees will be governed by the AAA Rules. In such case, you agree to reimburse AT&T for all monies previously disbursed by it that are otherwise your obligation to pay under the AAA Rules. In addition, if you initiate an arbitration in which you seek more than \$75,000 in damages, the payment of these fees will be governed by the AAA rules.

d. If, after finding in your favor in any respect on the merits of your claim, the arbitrator issues you an award that is greater than the value of AT&T's last written settlement offer made before an arbitrator was selected, then AT&T will:

- pay you the amount of the award or \$10,000 ("the alternative payment"), whichever is greater; and
- pay your attorney, if any, twice the amount of attorneys' fees, and reimburse any expenses (including expert witness fees and costs) that your attorney reasonably accrues for investigating, preparing, and pursuing your claim in arbitration ("the attorney premium").

If AT&T did not make a written offer to settle the dispute before an arbitrator was selected, you and your attorney will be entitled to receive the alternative payment and the attorney premium, respectively, if the arbitrator awards you any relief on the merits. The arbitrator may make rulings and resolve disputes as to the payment and reimbursement of fees, expenses, and the alternative payment and the attorney premium at any time during the proceeding and upon request from either party made within fourteen (14) days of the arbitrator's ruling on the merits.

e. The right to attorneys' fees and expenses discussed in paragraph (d) supplements any right to attorneys' fees and expenses you may have under applicable law. Thus, if you would be entitled to a larger amount under the applicable law, this provision does not preclude the arbitrator from awarding you that amount. However, you may not recover duplicative awards of attorneys' fees or costs. Although under some laws AT&T may have a right to an award of attorneys' fees and expenses if it prevails in an arbitration, AT&T agrees that it will not seek such an award.

f. The arbitrator may award declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim. **YOU AND AT&T AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN YOUR OR ITS INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING.** Further, unless both you and AT&T agree otherwise, the arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of a representative or class proceeding. If this specific provision is found to be unenforceable, then the entirety of this arbitration provision shall be null and void.

g. Notwithstanding any provision in this Agreement to the contrary, we agree that if AT&T makes any future change to this arbitration provision (other than a change to the Notice Address) during the period of time that you are receiving Services, you may reject any such change by sending us written notice within 30 days of the change to the Arbitration Notice Address provided above. By rejecting any future change, you are agreeing that you will arbitrate any dispute between us in accordance with the language of this provision.

## 12. SOFTWARE

The Services use and include certain software and/or firmware (the "Software"). Some Software resides on the Equipment.

*End User License Agreement.* If you downloaded or installed Software, your use of that Software is subject to the End User License Agreement that accompanied that Software. With regard to any Software (including Software upgrades, changes, or supplements) which is not accompanied by an End User License Agreement, AT&T, or its

applicable third party licensors, grants you a limited, personal, nontransferable, and nonexclusive right and license to use the object code of its Software on the Equipment; provided that you do not (and do not allow any third party to) copy, modify, create a derivative work of, reverse engineer, reverse assemble, or otherwise attempt to discover any source code or structure, sequence and organization of, sell, assign, sublicense, distribute, rent, lease, grant a security interest in, or otherwise transfer any right in the Software. You acknowledge that this license is not a sale of intellectual property and that AT&T or its third-party licensors, providers, or suppliers continue to own all right, title, and interest to the Software and related documentation. The Software is protected by the copyright laws of the United States and international copyright treaties.

*Export Limits.* You shall comply with all export laws and restrictions and regulations of the Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control ("OFAC"), or other United States or foreign agency or authority, and shall not export, or allow the export or re-export of the Software in violation of any such restrictions, laws or regulations. By downloading or using the Software, you agree to the foregoing and represent and warrant that you are not located in, under the control of, or a national or resident of any restricted country or on any such list.

*Restricted Rights.* The Software is provided with RESTRICTED RIGHTS. Use, duplication, or disclosure by the Government is subject to restrictions as set forth in subparagraphs (a) through (d) of the Commercial Computer Restricted Rights clause at 48 CFR 52.227-19 when applicable, or in subparagraph (c)(1)(ii) of The Rights in Technical Data and Computer Software clause of DFARS 252.227-7013 and in similar clauses in the NASA FAR Supplement.

*Non-AT&T Software, Services or Applications.* Your use of the Services may also include access to and use of software, services and/or applications which interact with the Services and which are provided by non-AT&T third parties, and, when applicable, those third-parties terms and conditions apply to your access to and use of such non-AT&T software, services and/or applications. AT&T is not liable to you for any loss or injury arising out of or caused, in whole or in part, by your use of any such software, services, and/or applications accessed through, or in conjunction with, the Service.

NOTICE ABOUT AUTOMATIC SOFTWARE UPGRADES. AT&T, or its applicable third-party licensors may provide Software upgrades, updates, or supplements (such as, but not limited to, adding or removing features or updating security components). You understand and agree that AT&T, or the applicable third-party licensor, have the unrestricted right, but not the obligation, to upgrade, update, or supplement the Software on the Equipment at any time. Although unlikely, Software upgrades, updates, or supplements could reset your Equipment and erase saved preferences and stored content.

### **13. DISCLAIMER OF WARRANTIES**

YOU EXPRESSLY UNDERSTAND AND AGREE THAT:

1. YOUR USE OF THE SERVICES IS AT YOUR SOLE RISK. THE SERVICES ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS. AT&T EXPRESSLY DISCLAIMS ALL WARRANTIES OF ANY KIND, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT.
2. AT&T MAKES NO WARRANTY THAT (i) THE SERVICES WILL MEET YOUR REQUIREMENTS, (ii) THE SERVICES WILL BE UNINTERRUPTED, TIMELY, SECURE, OR ERROR-FREE, (iii) THE RESULTS THAT MAY BE OBTAINED FROM THE USE OF THE SERVICES WILL BE ACCURATE OR RELIABLE, (iv) THE QUALITY OF ANY PRODUCTS, SERVICES, INFORMATION, OR OTHER MATERIAL PURCHASED OR OBTAINED BY YOU THROUGH THE SERVICES WILL MEET YOUR EXPECTATIONS, OR (v) THE SERVICES WILL NOT CONFLICT OR INTERFERE WITH OTHER SERVICES FROM AT&T OR THIRD PARTIES THAT YOU RECEIVE AT YOUR PREMISES.
3. NO ADVICE OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED BY YOU FROM AT&T OR THROUGH OR FROM THE SERVICES WILL CREATE ANY WARRANTY NOT EXPRESSLY STATED IN THESE TOS.

### **14. LIMITATION OF LIABILITY**

YOU EXPRESSLY UNDERSTAND AND AGREE THAT, UNLESS PROHIBITED BY LAW, AT&T SHALL NOT BE LIABLE TO YOU FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES, INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR PERSONAL INJURY, PROPERTY DAMAGE, LOSS OF REVENUE OR PROFITS, BUSINESS OR GOODWILL, USE, DATA, OR OTHER INTANGIBLE LOSSES (EVEN IF AT&T HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES), RESULTING FROM: (a) USE OF THE SERVICES (WHICH INCLUDES EQUIPMENT, SOFTWARE, AND INSIDE OR OUTSIDE WIRING), (b) THE PERFORMANCE OR NONPERFORMANCE OF THE SERVICES, (c) THE INSTALLATION, MAINTENANCE, REMOVAL, OR TECHNICAL SUPPORT OF THE SERVICES, EVEN IF SUCH DAMAGE RESULTS FROM THE NEGLIGENCE OR GROSS NEGLIGENCE OF AN AT&T INSTALLER, TECHNICIAN, OR OTHER REPRESENTATIVE, (d) ANY INABILITY TO REACH 911 EMERGENCY SERVICES, ANY ALLEGED INTERFERENCE WITH ALARM OR MEDICAL MONITORING SIGNALS, OR ANY FAILURE OF ALARM OR MEDICAL MONITORING SIGNALS TO REACH

THEIR INTENDED MONITORING STATIONS ALLEGEDLY AS A RESULT OF THE SERVICES AND/OR (e) BATTERY BACKUP.

IN ANY EVENT, YOUR SOLE AND EXCLUSIVE REMEDY FOR ANY DISPUTE WITH AT&T IN CONNECTION WITH THE SERVICE IS A REFUND NOT TO EXCEED THE TOTAL AMOUNT OF SERVICE FEES PAID DURING THE IMMEDIATELY PRECEDING TWELVE MONTH PERIOD.

#### **15. EXCLUSIONS AND LIMITATIONS**

SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF CERTAIN WARRANTIES OR THE LIMITATION OR EXCLUSION OF LIABILITY FOR INCIDENTAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES. ACCORDINGLY, SOME OF THE ABOVE LIMITATIONS OF SECTIONS 13 AND 14 MAY NOT APPLY TO YOU.

#### **16. NOTICE**

Unless otherwise specified in these TOS, notices to you may be made via email, regular mail, posting online at [att.com/u-verse/att-terms-of-service.jsp](http://att.com/u-verse/att-terms-of-service.jsp), recorded announcement, bill message, bill insert, newspaper ad, postcard, letter, or call to your billed telephone number. In addition, if you purchase AT&T U-verse TV service, AT&T may also provide notices of changes to these TOS or other matters by displaying notices on AT&T U-verse TV. It is your responsibility to check for such notices.

Unless otherwise specified in these TOS or required by applicable law, notices by you to AT&T must be given by calling 800.288.2020 and such notices are effective as of the date that our records show we received your call.

#### **17. INTELLECTUAL PROPERTY**

All portions of the Services and Equipment and any firmware or software used to provide the Services or provided to you in conjunction with providing the Services, or embedded in the Equipment, and all Services, information, documents, and materials on related website(s) are the property of AT&T or third-party providers and are protected by trademark, copyright, or other intellectual property laws and international treaty provisions. All websites, corporate names, service marks, trademarks, trade names, logos, and domain names (collectively "Marks") of AT&T or third-party providers are and shall remain the exclusive property of AT&T or third-party providers, and nothing in this Agreement shall grant you the right or license to use such Marks.

#### **18. CREDIT REPORTING AUTHORIZATION**

As permitted under applicable laws and without limitation to other rights provided in these TOS or other applicable policies, you authorize AT&T to (a) disclose your account information, including your payment history and confidential information, to credit reporting agencies or private credit reporting associations, and (b) periodically obtain and use your credit report and other credit information from any source in connection with AT&T's offering of the Services and other services. You understand that if you fail to fulfill the terms of your obligations under these TOS, AT&T may report your failure to a credit reporting agency.

#### **19. ASSIGNMENT**

AT&T may assign these TOS and its rights and obligations pertaining to the provision of the Services, or parts thereof, to a parent or affiliated company without notice to you. You may not assign these TOS or your rights or obligations pertaining to the Services or any parts thereof without the written consent of AT&T.

#### **20. MISCELLANEOUS PROVISIONS**

1. These TOS do not provide any third party with a remedy, claim, or right of reimbursement.
2. These TOS, any policies, guidelines, or other documents referenced herein, the provisions set forth in any marketing and informational materials or promotional offers for the Services, and the terms and conditions posted on the AT&T U-verse website constitute the entire agreement between AT&T and you and supersede any prior agreements between you or AT&T with respect to the subject matter of these TOS.
3. These TOS and the relationship between you and AT&T will be governed by the law of the state of your billing address except to the extent such law is preempted by or inconsistent with applicable federal law. In the event of a dispute between us, the law of the state of your billing address at the time the dispute is commenced, whether in litigation or arbitration, shall govern except to the extent that such law is preempted by or inconsistent with applicable federal law.
4. The failure of AT&T to exercise or enforce any right or provision of these TOS will not constitute a waiver of such right or provision.
5. If any provision of these TOS is found by a court or agency of competent jurisdiction to be unenforceable, the parties nevertheless agree that the remaining provisions of these TOS shall remain in full force and effect. The foregoing does not apply to the prohibition against class or representative actions that is part of the arbitration clause; if that provision is found to be unenforceable, the arbitration clause (but only the arbitration clause) shall be null and void.
6. To the fullest extent permitted by law, you and AT&T agree that regardless of any statute or law to the contrary, any claim or cause of action arising out of or related to use of the Service or these TOS must be filed within one (1) year after such claim or cause of action arose or be forever barred.
7. The section titles and paragraph headings in these TOS are for convenience only and have no legal or

contractual effect.

## **SCHEDULE 1 AT&T U-VERSE VOICE**

### **I. Service Description**

AT&T U-verse Voice is a residential enhanced voice communication service that converts voice communications into Internet Protocol (IP) packets that are carried over AT&T's IP network. It may be generically referred to as "voice over IP" or "VoIP." The Service includes direct-dialed calling and certain calling and call management features or advanced features associated with the Service, including additional features or advanced features which may be offered at additional costs, all of which AT&T, in its sole discretion, may add, modify, or delete from time to time. The Service also includes a telephone number or numbers that will be included in printed directories and/or directory assistance databases, and options, available at additional costs, to have numbers withheld from printed directories and/or directory assistance databases. The Service is not available for business use. It is not mobile or nomadic and will function only in your home.

When you accept these TOS, you become the main account holder for each telephone number assigned to the AT&T U-verse Voice service and all plans, features, and functionalities associated with each telephone number, whether those telephone numbers, plans, features, and functionalities are purchased initially or are added subsequently. These TOS apply to all such telephone numbers, and to the Service and the plans, features, and functionalities associated with the Service, for both the main account and all sub accounts. You will be asked to choose a unique name for the main account (your main account ID).

*Subaccounts.* You may create up to ten subaccounts under your main account, for others in your household (each subaccount will have a separate password and ID). Main account holders are responsible for all activity on their main account and on any and all subaccounts. Violations of these TOS in a main account or in a subaccount can result in suspension or termination of the main account and all associated subaccounts. Call histories (call logs for outgoing, answered, and missed calls) for each telephone number are accessible in the main account and in each subaccount created under the telephone number. Main account holders can reset subaccount passwords and IDs by contacting Customer Service and can delete and recreate subaccounts. You agree to advise all subaccount holders that the main account holder can have access to all aspects of their subaccount, including, but not limited to, feature settings, voicemail messages, and address books. All subaccount holders can therefore have no expectation of privacy vis-à-vis the main account holder with regard to any aspect of the subaccount.

### **II. Billing And Payments**

For AT&T U-verse Voice service, nonrecurring and usage-based charges generally billed in the billing cycle following the transaction include, but are not limited to, international calling (including surcharges for international termination to a wireless phone number), Operator Services, Directory Assistance (411 or xxx.555.1212), call trace, and overage minutes associated with defined minutes-of-use plans (e.g. U-verse Voice 200 plan). Partial minutes are rounded up for per-minute usage charges.

### **III. Service-Specific Equipment**

AT&T U-verse Voice service requires a regular touchtone landline telephone, which you must supply and which must be connected to the WG or iNID, either directly or through your home's inside wiring. (Rotary and pulse phones will not work). The WG or iNID will support up to two U-verse Voice lines (telephone numbers used for inbound and outbound calling).

You agree that neither you nor a third party will move Equipment used for AT&T U-verse Voice service within your premises or to any other physical location outside of the premises where it was installed by AT&T. AT&T U-verse Voice service is not designed to be nomadic and will not function properly if the WG is moved or altered by a non-AT&T employee. If you require the WG to be moved, you must contact AT&T. Failure to do so may result in a failure of the Service and/or in AT&T's termination of your Service.

### **IV. Interruptions, Limitations, And Modifications to Service**

Since voice over IP is dependent on the IP network, the availability of an adequate power source, and correct Equipment configuration, AT&T does not guarantee that AT&T U-verse Voice service will be continuous or error-free. You acknowledge and understand that AT&T cannot guarantee that voice over IP communication is completely secure.

You also acknowledge that AT&T may establish general practices and limits concerning use of the AT&T U-verse Voice service, including without limiting other limitations set forth in these TOS or otherwise, AT&T U-verse Voice service cannot be used to make or receive operator-assisted collect or third-party billing calls, nor can AT&T U-verse Voice service be used to make 900/976 calls; area code 500, 700, and 710 calls; 10-10-XXX dial-around calls; or international operator or directory assistance calls. Also, the ability to call certain N11 services (211, 311, 511) may not be available.

AT&T also limits the maximum number of days that messages will be retained; the maximum number messages that will be retained by the Service; the maximum size of any message; and the maximum disk space that will be allotted on AT&T's servers on your behalf. You agree that AT&T will have no responsibility or liability for the deletion, for failure to store or to deliver any messages and other communications, for the modification or malformation of communications over the AT&T U-verse Voice service, or for other content maintained or transmitted by AT&T U-verse Voice service. You acknowledge that AT&T reserves the right to log off accounts or disconnect sessions that are inactive for an extended period of time. You further acknowledge that AT&T reserves the right to change these general practices and limits at any time without advance notice.

If you also purchase AT&T U-verse TV call history, information for all missed and answered calls can be displayed on your TV screen and cannot be PIN protected. Call history for dialed calls cannot be displayed on your TV screen. Also, Caller ID information may be displayed on your TV screen at the time you purchase AT&T U-verse Voice and AT&T U-verse TV or in later iterations of the Services.

*Power Outages and No Battery Backup.* YOU ACKNOWLEDGE AND UNDERSTAND THAT AT&T U-VERSE VOICE REQUIRES ELECTRICAL POWER TO FUNCTION. AT&T DOES NOT PROVIDE BATTERY BACK UP FOR YOUR SERVICE. YOU MAY CHOOSE TO PURCHASE BATTERY BACKUP FOR YOUR iNID, WG, IAD\* AND YOUR ONT (IF YOU HAVE ONE) FROM THIRD PARTY MANUFACTURERS OR RETAILERS. YOU ACKNOWLEDGE AND UNDERSTAND THAT IT WILL TAKE TIME TO CHARGE AN INITIAL BATTERY BACKUP AFTER U-VERSE VOICE IS INSTALLED AND/OR AFTER A REPLACEMENT BATTERY IS INSTALLED. YOU ACKNOWLEDGE AND UNDERSTAND THAT TO CONSERVE BATTERY POWER DURING A POWER OUTAGE, YOU SHOULD NOT ATTEMPT TO USE THE BATTERY BACKUP FOR ANY PURPOSE OTHER THAN TO POWER YOUR U-VERSE VOICE SERVICE (OR TO POWER YOUR INTERNET CONNECTION, FOR THE PURPOSE OF POWERING YOUR PREMISES ALARM, IF YOU HAVE AN IP-BASED PREMISES ALARM THAT USES AT&T U-VERSE HIGH SPEED INTERNET). YOU ACKNOWLEDGE AND UNDERSTAND THAT THE BATTERY BACKUP DOES NOT PROVIDE POWER FOR CORDLESS PHONES AND THAT, IF YOU ARE USING A CORDLESS PHONE WITH YOUR AT&T U-VERSE VOICE SERVICE, A SEPARATE BATTERY BACKUP OR OTHER POWER SOURCE MAY BE REQUIRED IF THERE IS A POWER OUTAGE. YOU ACKNOWLEDGE AND UNDERSTAND THAT YOU ARE SOLELY RESPONSIBLE FOR DETERMINING WHEN THE iNID, WG, IAD\* AND ONT BATTERY BACKUP REQUIRES REPLACEMENT AND FOR REPLACING AND RECYCLING USED BATTERIES IN ACCORDANCE WITH MANUFACTURER OR VENDOR DIRECTIONS. YOU ALSO ACKNOWLEDGE AND UNDERSTAND THAT YOU ARE SOLELY RESPONSIBLE FOR OBTAINING AND MAINTAINING BATTERY BACKUP OR OTHER SOURCES OF POWER FOR ANY CORDLESS PHONES YOU USE WITH YOUR U-VERSE VOICE SERVICE. FOR MORE INFORMATION AND MINIMUM SPECIFICATIONS VISIT [ATT.COM/BATTERYBACKUP](http://ATT.COM/BATTERYBACKUP).

\*IAD applies only in the AT&T U-verse Voice and TV Terms of Service for Business.

#### **V. AT&T U-verse Voice 911 Limitations**

YOU HEREBY ACKNOWLEDGE AND AGREE TO ALL OF THE INFORMATION BELOW REGARDING THE LIMITATIONS OF 911 SERVICE OVER AT&T U-VERSE VOICE SERVICE AND THE DISTINCTIONS BETWEEN 911 SERVICE OVER AT&T U-VERSE VOICE SERVICE AND 911 SERVICE OVER TRADITIONAL WIRELINE TELEPHONE SERVICE. YOU AGREE TO ADVISE ALL INDIVIDUALS WHO MAY PLACE CALLS OVER AT&T U-VERSE VOICE SERVICE OF THE 911 LIMITATIONS DESCRIBED BELOW.

AT&T MAKES NO WARRANTY THAT AT&T U-VERSE VOICE SERVICE FOR ACCESS TO 911 WILL BE UNINTERRUPTED, TIMELY, SECURE, OR ERROR-FREE OR BATTERY BACKUP POWER WILL BE SUFFICIENT TO MAINTAIN THE SERVICE THROUGHOUT ANY AND/OR ALL POWER OUTAGES.

911 SERVICE OVER AT&T U-VERSE VOICE SERVICE IS ONLY AVAILABLE AT YOUR SERVICE ADDRESS, WHILE CONNECTED TO A PROPERLY POWERED iNID, OR WG (AND A PROPERLY POWERED ONT, IF APPLICABLE) AND AFTER AT&T U-VERSE VOICE HAS BEEN ACTIVATED.

911 SERVICE OVER AT&T U-VERSE VOICE SERVICE WILL NOT FUNCTION IF YOUR iNID OR WG FAILS OR IS NOT CONFIGURED CORRECTLY OR IF YOUR AT&T U-VERSE VOICE IS INTERRUPTED OR NOT FUNCTIONING FOR ANY REASON, INCLUDING, BUT NOT LIMITED TO, IN THE EVENT OF A POWER OUTAGE (UNLESS YOU HAVE WORKING BATTERY BACKUP POWER), NETWORK OUTAGE, OR DISCONNECTION OF YOUR SERVICE BECAUSE OF BILLING ISSUES. IF THERE IS A POWER OUTAGE, YOU MAY BE REQUIRED TO RESET OR RECONFIGURE THE EQUIPMENT PRIOR TO BEING ABLE TO USE YOUR SERVICES, INCLUDING USE FOR 911 CALLING. YOU ACKNOWLEDGE THAT AT&T STRONGLY RECOMMENDS YOU MAINTAIN AT ALL TIMES AN ALTERNATIVE MEANS OF ACCESSING 911 SERVICES, SUCH AS VIA CELLULAR TELEPHONE SERVICE.

YOU ACKNOWLEDGE AND UNDERSTAND THAT AT&T WILL NOT BE LIABLE FOR ANY LOSSES INCURRED DIRECTLY OR INDIRECTLY AS A RESULT OF SERVICE OUTAGE AND/OR INABILITY TO DIAL 911 USING YOUR AT&T U-VERSE VOICE SERVICE OR INABILITY TO ACCESS EMERGENCY SERVICE PERSONNEL FOR ANY

REASON, INCLUDING BUT NOT LIMITED TO THE 911 CHARACTERISTICS AND LIMITATIONS SET FORTH IN THIS DOCUMENT AND/OR THE CHARACTERISTICS, LIMITATIONS, AND/OR FAILURE OF THE 911 NETWORK ITSELF.

WITHOUT LIMITING ANY PROVISIONS OF THE TOS, YOU AGREE TO DEFEND, INDEMNIFY, AND HOLD HARMLESS AT&T, ITS SUBSIDIARIES, AFFILIATES, OFFICERS, AGENTS, DIRECTORS, EMPLOYEES, AND ANY OTHER SERVICE PROVIDER WHO FURNISHES SERVICES TO YOU IN CONNECTION WITH THE AT&T U-VERSE VOICE SERVICE, FROM ANY AND ALL CLAIMS, LOSSES (INCLUDING LOSS OF PROFITS OR REVENUE), LIABILITIES, DAMAGES, FINES, PENALTIES, DEMANDS, ACTIONS, COSTS, AND EXPENSES (INCLUDING, WITHOUT LIMITATION, REASONABLE ATTORNEY FEES) BY, OR ON BEHALF OF YOU OR ANY THIRD PARTY OR USER OF THE AT&T U-VERSE VOICE SERVICE, REGARDLESS OF THE NATURE OF THE CLAIM, INCLUDING WITHOUT LIMITATION CLAIMS RELATED TO 911 DIALING, ARISING FROM OR IN CONNECTION WITH ANY FAILURE OR OUTAGE OF AT&T U-VERSE VOICE SERVICE OR ANY FAILURE OR OUTAGE OF THE 911 NETWORK ITSELF.

#### **VI. Premise Alarm Systems and Other Device Compatibility**

AT&T MAKES NO WARRANTY THAT (i) AT&T U-VERSE VOICE SERVICE USED AS A COMMUNICATIONS PATHWAY FOR MONITORED PREMISE ALARM SYSTEMS, (INCLUDING BURGLAR ALARMS, MONITORED FIRE ALARMS, AND/OR MEDICAL MONITORING SYSTEMS OR DEVICES), WILL BE UNINTERRUPTED, TIMELY, SECURE, OR ERROR-FREE, (ii) THE SERVICE WILL BE COMPATIBLE WITH ANY PARTICULAR OR ALL MONITORED PREMISE ALARM SYSTEMS (INCLUDING BURGLAR ALARMS, MONITORED FIRE ALARMS, AND/OR MEDICAL MONITORING SYSTEMS OR DEVICES OR (iii) ANY BATTERY BACKUP POWER EQUIPMENT YOU MAY PURCHASE WILL BE SUFFICIENT TO MAINTAIN YOUR U-VERSE VOICE SERVICE THROUGHOUT ANY AND/OR ALL POWER OUTAGES. SEE MANUFACTURER INFORMATION FOR BATTERY LIFE DURING A POWER OUTAGE. YOU ARE RESPONSIBLE FOR PURCHASING AND MAINTAINING ANY DESIRED BATTERY BACKUP EQUIPMENT.

*Potential Incompatibility with Monitored Fire Burglar Alarm, Monitored Fire Alarm, and Medical Monitoring Systems, and Other Devices.* MONITORED FIRE ALARM AND BURGLAR ALARM SYSTEMS AND MEDICAL MONITORING DEVICES MAY NOT BE COMPATIBLE WITH AT&T U-VERSE VOICE SERVICE.

IF YOU HAVE OR PURCHASE A MONITORED FIRE ALARM OR BURGLAR ALARM SYSTEM OR A MEDICAL MONITORING DEVICE THAT YOU INTEND TO USE WITH AT&T U-VERSE VOICE AS THE COMMUNICATIONS PATHWAY, YOU AGREE TO CONTACT YOUR PROVIDER FOR THOSE SYSTEMS/DEVICES TO DETERMINE COMPATIBILITY WITH AT&T U-VERSE VOICE SERVICE AND TO ARRANGE FOR YOUR PROVIDER TO TEST SUCH SYSTEMS/DEVICES AFTER INSTALLATION OF AT&T U-VERSE VOICE SERVICE. YOU ALSO ACKNOWLEDGE AND UNDERSTAND THAT EVEN IF SUCH SYSTEMS AND DEVICES ARE COMPATIBLE WITH AT&T U-VERSE VOICE SERVICE, THEY WILL NOT BE ABLE TO COMMUNICATE WITH MONITORING STATIONS DURING A POWER OUTAGE UNLESS YOU MAINTAIN BATTERY BACKUP POWER FOR AT&T U-VERSE VOICE AS DESCRIBED IN THIS TOS. IF YOU PURCHASE A MONITORED BURGLAR ALARM OR MONITORED FIRE ALARM SYSTEM AFTER U-VERSE VOICE HAS BEEN INSTALLED, YOU ALSO AGREE TO CALL AT&T PRIOR TO INSTALLATION OF ANY SUCH SYSTEM. SUBSEQUENT INSTALLATION OF THESE SYSTEMS MAY REQUIRE RE-WIRING OF AT&T U-VERSE VOICE SERVICE, WHICH MAY ALSO RESULT IN TIME AND MATERIAL CHARGES. (AT&T DOES NOT PROVIDE SUPPORT FOR, OR RE-WIRING OF AT&T U-VERSE VOICE IN SUPPORT OF, MEDICAL MONITORING SYSTEMS OR DEVICES).

ONCE U-VERSE VOICE HAS BEEN INSTALLED FOR USE WITH A MONITORED FIRE ALARM OR MONITORED BURGLAR ALARM SYSTEM, YOU AGREE THAT YOU WILL NOT CHANGE OR MODIFY THE INSIDE WIRING OF YOUR HOME OR MOVE OR RECONFIGURE YOUR RG IN ANY WAY WITHOUT CONTACTING AT&T AND YOUR ALARM SERVICE PROVIDER. YOU ALSO AGREE THAT YOU WILL NOT PLUG ANY TELEPHONE EQUIPMENT INTO THE BACK OF THE WG. YOU ACKNOWLEDGE AND UNDERSTAND THAT IF YOU CHANGE OR MODIFY YOUR INSIDE WIRING, MOVE OR RECONFIGURE YOUR WG IN ANY WAY, OR PLUG ANY TELEPHONE EQUIPMENT INTO THE BACK OF THE WG IT COULD RESULT IN A FAILURE OF YOUR MONITORED BURGLAR ALARM OR MONITORED FIRE ALARM SYSTEM.

BY ACCEPTING THESE TOS, YOU USE AT&T U-VERSE VOICE SERVICE AT YOUR OWN RISK AND WAIVE ANY CLAIM AGAINST AT&T FOR INTERFERENCE WITH OR DISRUPTION OF A MONITORED FIRE ALARM OR BURGLAR ALARM SYSTEM, A MEDICAL MONITORING DEVICE, OR OTHER SUCH SYSTEMS OR DEVICES DUE TO THE AT&T U-VERSE VOICE SERVICE.

#### **VII. Local Number Portability**

In the event you are transferring an existing phone number for your AT&T U-verse Voice service (i.e., porting a number to AT&T U-verse Voice service), you hereby authorize AT&T to process your order for AT&T U-verse Voice and to notify your existing provider of your decision to switch your local, local toll, and long distance services to AT&T U-verse Voice service, and you represent that you are authorized to take this action. Not all telephone numbers are eligible for porting to AT&T U-verse Voice service.

### **VIII. AT&T U-verse Voicemail**

AT&T U-verse Voice service includes AT&T U-verse Voicemail, a full-featured voicemail service. If you access your AT&T U-verse Voicemail voice mailbox from outside your local calling area, you may incur applicable local toll or long distance charges.

In addition, AT&T U-verse Voicemail service allows you the option to integrate your AT&T wireless service voice mailbox with your AT&T U-verse Voicemail mailbox. (Wireless service from AT&T must be separately purchased.) Calls forwarded to your AT&T U-verse Voicemail voice mailbox from your wireless phone will not incur airtime charges. However, airtime charges may apply when using your wireless handset to retrieve messages. Pager notification allows your pager to notify you when a message is received in your U-verse Voicemail voice mailbox. Your pager can have either an email address or your pager can have a telephone number associated with it and must be set up through the AT&T U-verse. Paging service and equipment must be purchased separately. Other restrictions may apply.

AT&T Unified Voicemail may include a Voicemail-to-Text (VMTT) feature that provides automated transcription of your voicemail. AT&T is not responsible nor liable for: 1) errors in the conversion of or its inability to transcribe voicemail messages to text/email; 2) lost or misdirected messages; or 3) content that is unlawful, harmful, threatening, abusive, obscene, tortious, or otherwise objectionable. We do not filter, edit or control voice, text, or email messages, or guarantee the security of messages. We can interrupt, restrict or terminate VMTT without notice, if your use of VMTT adversely impacts AT&T's network, for example that could occur from abnormal calling patterns or an unusually large number of repeated calls and messages; or if your use is otherwise abusive, fraudulent, or does not comply with the law.

You are solely responsible for and will comply with all applicable laws as to the content of any text messages or emails you receive from VMTT that you forward or include in a reply to any other person. You authorize AT&T or a third party working on AT&T's behalf to listen to, and transcribe all or part of a voicemail message and to convert such voicemail message into text/email, and to use voicemail messages and transcriptions to enhance, train and improve AT&T's speech recognition and transcription services, software and equipment. You agree that the results of benchmarking VMTT against competing products or services is AT&T confidential information requiring AT&T written consent to disclose in accordance with the BSA or RSA as may be applicable to you. Additional charges may apply to receiving email on your wireless device from VMTT, as well as, replying to or forwarding VMTT messages via SMS (text) or email, depending on your plan. Transcription times cannot be guaranteed. You are responsible for providing a correct email address and updating the email address when changes to the email account are made.

### **IX. Prohibited Uses of AT&T U-verse Voice Service**

You agree that you will NOT use AT&T U-verse Voice service:

1. As a business service or for a business purpose.
2. To engage in auto-dialing, continuous or extensive call forwarding, telemarketing, fax broadcasting or fax blasting, or for uses that result in excessive usage inconsistent with normal residential usage patterns. In addition, connection of your AT&T U-verse Voice service to a device which converts use of the Service to an outbound trunk line by more than one individual is prohibited. If AT&T determines, in its sole discretion, that you are reselling or transferring AT&T U-verse Voice service or that you are using AT&T U-verse Voice service for any of the aforementioned activities, AT&T reserves the right, without advance notice, immediately to terminate or modify the Service, or to change your call plan to a different offer on a prospective basis, and in addition, to assess additional charges for each month in which excessive usage occurred. If you subscribe to a calling plan which includes unlimited calling of any type, unless otherwise specified by your specific plan in marketing materials associated therewith, consistent monthly use in excess of 5,000 aggregate minutes per month, taking into account all types of calling in your plan which are provided on an unlimited basis, shall be presumed to be inconsistent with these restrictions and shall be subject to the conditions above.
3. As an announcement service, particularly with regard to AT&T U-verse Messaging, which is provided as an integral component of AT&T U-verse Voice service and is designed as a voice-mail, not an announcement, service. Use of AT&T U-verse Messaging service as an announcement service and/or other improper or excessive use may impair AT&T's ability to provide reasonable service to other customers. AT&T reserves the right to cancel your AT&T U-verse Voice service at any time, with or without notice, if as determined solely by AT&T based on its network/service design and usage experience, your messaging service is (1) being used in an improper manner including, but not limited to, using it as an announcement service or for unlawful purposes, (2) consistently generating excessive usage, (3) affecting AT&T's ability to provide reasonable service to other customers, or (4) being used to interfere with another's use of the voicemail system.

## **X. Suspension/Termination**

Without limiting other rights set forth in these TOS, AT&T may either terminate your AT&T U-verse Voice service or transfer your AT&T U-verse Voice service to a different telephone number without penalty, upon reasonable notice, if AT&T stops providing AT&T U-verse Voice service either generally or in your area, if at any time 911 service over AT&T U-verse Voice service is not available, or for other reasons associated with the provisioning of 911 service to your premises. AT&T also may terminate your order for Service if you do not activate the Service within 90 days or if you do not formally acknowledge information about 911 service limitations in accordance with directives from AT&T.

Service suspension may, and cancellation will, result in your loss of the number associated with the AT&T U-verse Voice service. Suspension (but not termination) of AT&T U-verse Voice service still allows (assuming working battery backup during power outage) for the following dialing privileges: outbound calling to 911, outbound calling to Operator Services (for emergency assistance only), and inbound calling (intended to maintain a call back path for emergency service providers). AT&T has no responsibility for retaining or delivering messages that are located in any voice mailbox at the time of the suspension or termination, or that are addressed to any main account holder or subaccount holder thereafter.

## **XI. What Terms Only Apply To Specific States?**

North Carolina. If you reside in Durham or Concord, your Service may not include a telephone number or numbers in printed directories and/or directory assistance databases, and you may not have the option to have numbers withheld from printed directories and/or directory assistance databases.

## **SCHEDULE 2 AT&T U-VERSE TV SPECIFIC TERMS OF SERVICE**

### **I. Service Description**

AT&T U-verse TV includes content available via AT&T U-verse TV, Equipment (see Section 6 of the General Terms of Service), Software (see Section 12 of the General Terms of Service), accessories, and tools (including a "remote access" tool which allows you to access portions of your AT&T U-verse TV service from a website or other medium).

### **II. Billing And Payments**

For AT&T U-verse TV service, nonrecurring and usage-based charges generally billed in the billing cycle following the transaction include, but are not limited to, Video on Demand and Pay Per View. As long as payments are current, you will have a limit (up to a maximum of \$150) per bill cycle on such one-time orders billed to your account. This limit will vary based on creditworthiness or for other reasons. A downgrade fee may apply if you make changes to your Service within 30 days of Service provisioning or later programming orders.

### **III. Service-Specific Equipment**

Equipment for AT&T U-verse TV service includes an AT&T U-verse TV Receiver ("Receiver"), which is valued at \$10 per month and included in the service fee on your monthly invoice, and, if applicable, a Wireless Access Point ("WAP") to provide connection for a wireless Receiver. You may request additional Receivers and limits on the number of available Receivers for a household may apply. Additional equipment fees or other fees may apply to all AT&T U-verse TV equipment, including, but not limited to, the Receiver(s). Receivers are subject to all applicable taxes, fees and surcharges.

### **IV. Interruptions, Limitations, And Modifications To Service**

Some programming may not be available in certain areas due to legal, regulatory, and contractual prohibitions, including restrictions of the Federal Communications Commission and sports blackouts. If you also purchase AT&T U-verse Voice service, Caller ID information for AT&T U-verse Voice calls can be displayed on your TV screen. In addition, call history information for all missed and answered calls can be displayed on your TV screen and cannot be PIN protected. Call history for dialed calls cannot be displayed on your TV screen.

As permitted under applicable law, in addition to other rights provided for in this TOS, in the event a payment is past due, AT&T may restrict your account to prevent access to Video on Demand, Pay Per View, and other usage-based services and content.

### **V. Disclaimer of Warranties**

YOU EXPRESSLY UNDERSTAND AND AGREE THAT AT&T MAKES NO WARRANTY THAT THE SERVICE WILL ALLOW YOU TO RECORD, VIEW, OR TRANSFER ANY PARTICULAR PROGRAM OR CONTENT.

### **VI. Intellectual Property**

AT&T U-verse TV is provided for your non-commercial personal viewing, use, and enjoyment in a private residential dwelling/office unit. You agree that the AT&T U-verse TV service will not be viewed in areas open to

the public or in commercial establishments, and that admission will not be charged for listening to or viewing the Service. Your AT&T U-verse TV Service may not be copied, transmitted, reproduced, published, broadcast, rewritten, redistributed, or performed except as permitted by the “fair use” provisions of the U.S. copyright laws.

## AT&T PRIVACY POLICY

### About Our Privacy Policy

Whenever you do something like buy one of our products, watch a show or download an app, information is created. Because we know your privacy is important, we have a Privacy Policy to explain how we collect, use and protect that information. There’s a quick summary below, and the entire policy is written in [an easy FAQ format](#). We want to simplify this, so you can make informed choices about your privacy, and then spend the rest of your time enjoying our products and services.

**Effective July 24, 2015**

### A Quick Summary of Our Privacy Policy

Our privacy policy applies to your use of our products and services. We will always provide you with notice of material changes to this Policy. In order to do things like constantly improve our services, products and relationship with you, we may collect different types of information that help us learn more about how you use our offerings.

### Here’s some of the information we collect:

- **Account Information** includes your name, address, telephone number, e-mail address, service-related details such as payment data, security codes, service history and other information like that;
- **Network Performance & Usage Information** tells us how you use our networks, our products and our services, and how well our equipment and networks are performing;
- **Web Browsing & Wireless Application Information** tells us about the websites you visit and the mobile applications you use on our networks;
- **Location Information** tells us where your wireless device is located, as well as your ZIP-code and street address;
- **TV Viewing Information** tells us about which programs you watch and record and similar information about how you use our video services and applications.

### Here are the three basic ways we collect it:

- We get information from you when you do things like make a purchase from us;
- We collect it from how you use our products and services;
- We obtain information from other sources, like credit agencies, marketing companies, and other service providers.

### Here are just some of the ways we use it. To:

- Provide services and improve your customer experience;
- Send you bills for your services;
- Respond to your questions;
- Address network integrity and security issues;
- Do research and analysis to maintain, protect, develop and improve our networks and services;
- Let you know about service updates, content, offers and promotions that may be of interest to you;
- Improve entertainment options;
- Deliver Relevant Advertising;
- Create External Marketing & Analytics Reports;
- Assist in the prevention and investigation of illegal activities and violations of our Terms of Service or Acceptable Use Policies.

### Some examples of who we share your Personal Information with:

- **Across AT&T companies** to give you the best customer experience and to help you get everything we have to offer.
- **With other companies that perform services on our behalf** only as needed for them to perform those services. We require them to protect your information consistent with our Policy.
- **With other companies and entities, to:**
  - Respond to 911 requests and other emergencies or exigencies;
  - Comply with court orders and other legal process;
  - Assist with identity verification, and preventing fraud and identity theft;
  - Enforce our agreements and property rights; and
  - Obtain payment for products and services including the transfer or sale of delinquent accounts to third parties for collection

### Details on Personal and Anonymous & Aggregate Information

- What is Personal Information? Information that identifies or reasonably can be used to identify you.
- What is Anonymous? This is information that doesn't identify you and can't reasonably be used to identify you specifically.
- What is Aggregate? We take a whole bunch of people's data and combine it into anonymous groups or categories.
- How do we use this information? We use and share this information in many ways including research, analysis, retail marketing, and Relevant Advertising. This data is also included in External Marketing & Analytics Reports.
- Want to learn more? Go [here](#).

### Our privacy commitments

- We don't sell your Personal Information to anyone for any purpose. Period.
- We keep your [Personal Information](#) in our business records while you are a customer, or until it is no longer needed for business, tax or legal purposes.
- We will keep your information safe using encryption or other appropriate security controls.

### Our Online Privacy Policy for Children

- We want you to know that we don't knowingly collect personally identifying information from anyone under the age of 13 unless we first obtain permission from the child's parent or legal guardian.

### Your Choices & Controls

- For information about children's safety and parental controls, view our [AT&T Smart Controls and DIRECTV Parental Controls](#).
- You have choices about certain types of advertising you get from us;
- You can control whether your anonymous information is used in our External Marketing & Analytics Reports;
- You can choose whether to receive marketing calls, e-mails or text messages from us;
- You have a choice about how we use your Customer Proprietary Network Information.

Visit our [Privacy Policy](#) for more information.

## Your California Privacy Rights

California Civil Code Section 1798.83 entitles California customers to request information concerning whether a business has disclosed Personal Information to any third parties for their direct marketing purposes. As stated in this Privacy Policy, we will not sell your Personal Information to other companies and we will not share it with other companies for them to use for their own marketing purposes without your consent.

## California Web Site Data Collection & "Do Not Track" Notices

**Web Site Data Collection:** We do not knowingly allow other parties to collect personally identifiable information about your online activities over time and across third-party web sites when you use our websites and services. AT&T provides information about the opt-out choices it makes available, and the opt-out choices provided by certain third-party website and mobile application analytics companies we use [here](#).

**"Do Not Track" Notice:** Because the providers of "do not track" and similar signals do not yet operate according to common, industry-accepted standards, AT&T currently does not respond to those signals. For more information on Do Not Track, please visit [www.allaboutdnt.com](http://www.allaboutdnt.com).

California customers who wish to request further information about our compliance with these requirements, or have questions or concerns about our privacy practices and policies may contact us at [privacypolicy@att.com](mailto:privacypolicy@att.com), or write to us at AT&T Privacy Policy, 1120 20th Street, N.W., 10th Floor, Washington, DC 20036.

## AT&T Privacy Policy FAQ

### Our AT&T Privacy Policy in easy, FAQ format.

We understand that everyone thinks that privacy policies are long, complicated and difficult to understand. So we're going to try to make this as simple as possible.

### DEFINITIONS

#### Let's start with what we mean when we say:

**Aggregate Information:** Information that we combine into anonymous groups of customers or users. One way to think of it is in terms of a survey or opinion poll. Aggregate information would tell you that 80 percent of the people voted for a candidate, but not who actually voted. These groups are large enough to reasonably prevent individuals from being identified.

**Anonymous Information:** Information that doesn't directly identify and can't reasonably be used to identify an individual customer or user.

**Customer:** Anyone who purchases or uses our products or services. When a customer purchases retail products or services for use by others, like a family account, those family members also are customers.

**Mobile Application:** A software application that runs on smartphones, tablet computers or other mobile devices and that allows users to access a variety of services and information.

**Personal Information:** Information that directly identifies or reasonably can be used to figure out the identity of a customer or user, such as your name, address, phone number and e-mail address. Personal Information does not include published listing information.

**Relevant Advertising:** Uses aggregate information about groups of people (like age, ethnicity, income range, where those groups live and work, and their interests) to develop advertising that is more likely to be useful to

that group. It does not use individual data about what a specific person might like. "Online behavioral advertising" is one type of relevant advertising. It uses interest categories based on the websites visited by groups of people to deliver advertising online.

**User:** Anyone who visits our websites or uses our mobile applications.

**Website:** And other terms like "Internet site," "site" and "web page" all mean the same thing, namely any page or location on the Internet, no matter what device (cell phone, tablet, laptop, PC, etc.) or protocol (http, WAP, ftp or other) is used to access the page or location.

## QUESTIONS ABOUT THE SCOPE OF THIS POLICY

1. What does this Policy cover?

This Privacy Policy covers our practices regarding the information we collect about our customers and users (how we collect it and how we use it). Use of our products and services, as well as visits to our websites, are subject to this Privacy Policy.

2. Do you have any Privacy Policies other than this one?

Yes. Companies that do not operate under our brand, or certain co-branded services, may have separate privacy policies

Some areas outside the United States require us to work a little differently. In that case, AT&T may adopt separate privacy policies as necessary to reflect the requirements of applicable local laws. Satellite TV subscribers in certain U.S. Territories also may have separate privacy policies.

The [Joint AT&T EchoStar Privacy Policy](#) for AT&T|DISH Network Customer Account Information remains in effect for AT&T|DISH subscribers.

3. What about my family members and other users of my AT&T account? Does this Policy apply to them?

Yes. You're responsible for making sure all family members or other users under your account understand and agree to this Policy. Get everyone together and talk about it. Or, send it by e-mail to make sure they're on board. Hang it on the fridge. Up to you, just share it!

4. When is information not covered by this Policy?

Any time you give information to companies other than AT&T. Some examples are:

- When you use a non-AT&T Wi-Fi service;
- When you download applications or make purchases from other companies while using our Internet or wireless services;
- When you go to a non-AT&T website from one of our websites or applications (by clicking on a link or an advertisement, for example);
- If you use public forums - such as social networking services, Internet bulletin boards, chat rooms, or blogs - the information is publicly available, and we cannot prevent distribution and use of that information by other parties;
- Information about your location, usage and the numbers you dial when you're out and about and roaming on the network of another company;
- When you purchase or use non-AT&T products (such as wireless devices, internet browsers and mobile applications) in combination with AT&T services;
- When we license our brand to other companies for their use in marketing and selling certain non-AT&T products and services, information you give those companies is not covered by this Policy.

5. Can my information be covered by this policy and other privacy policies at the same time?

Yes, that can happen. For example:

Sometimes we will provide a service with other companies. In that case your information may be subject to this Policy and that of the other companies. For example, if you use AT&T High Speed Internet services "powered by" Yahoo! Inc., your information may be covered by both this Policy and the [Yahoo! Privacy Policy](#).

If you purchase one of our products or services from a retailer like Best Buy or Amazon.com, for example, any information you provide to them may be subject to both their policy and ours.

If you connect to our Wi-Fi service through another network, such as one provided in a hotel, airport or other venue, any information collected from your use of that network could be subject to either the AT&T policy or the venue policy, and sometimes both. The same thing applies if you connect to our network through your employer's corporate network, or any network operated by a non-AT&T company.

We think it's a great idea to take a look at the privacy policies of any companies you do business with to learn how they use your information.

6. What about business customers?

We may have written product or service agreements with our business customers that contain specific provisions about confidentiality, security or handling of information. When one of these agreements differs from or conflicts with this Policy, the terms of those agreements will apply. This Policy does not apply to commercial satellite TV customers. In all other instances, the terms of this Policy apply.

## QUESTIONS ABOUT THE INFORMATION WE COLLECT, HOW WE COLLECT IT AND HOW WE USE IT

1. What information do we collect?

We may collect different types of information based on your use of our products and services and on our business relationship with you.

- **Account Information:**
  - **Contact Information** that allows us to communicate with you. We get this information when you order or register for our services. This would include information like your name, address, telephone number and e-mail address.
  - **Billing Information** related to your financial relationship with us, such as the services we provide to you, the telephone numbers you call and text, your payment history, your credit history, your credit card numbers, Social Security number, security codes and your service history.
- **Technical & Usage Information** related to the services we provide to you, including information about how you use our networks, services, products or websites. Some examples include:
  - **Equipment Information** that identifies the equipment on our networks, such as equipment type, device IDs, device status, serial numbers, settings, configuration and software.
  - **Network Performance & Usage Information** about the operation of the equipment, services and applications you use on our networks. Examples of this might include wireless device location, the number of text messages sent and received, voice minutes used, calling and texting records, bandwidth used, and resources you use when uploading, downloading or streaming data to and from the Internet. We also collect information like transmission rates and delays, data associated with remote monitoring services and security characteristics.
    - Some Network Performance & Usage Information and some Billing Information is **Customer Proprietary Network Information or "CPNI."** Unique rules apply to CPNI. Go [here](#) to learn more about what it is, how we use it and the choice you can make about that use.
  - **Web Browsing & Mobile Application Information** such as IP addresses, URLs, data transmission rates and delays. We also learn about the pages you visit, the time you spend, the links or advertisements you see and follow, the search terms you enter, how often you open an application, how long you spend using the app and other similar information.

- **Location Information** includes your ZIP-code and street address, as well as the whereabouts of your wireless device. Location information is generated when your device communicates with cell towers, Wi-Fi routers or access points and/or with other technologies, including the satellites that comprise the Global Positioning System.
- **TV Viewing Information** is generated by your use of any of our satellite or IPTV (U-verse) services. These services may include video on demand, pay per view, DVR services, applications to watch your TV on the go for tablet or smartphone (such as the TV Everywhere app) and similar AT&T services and products, including the programs and channels you and those in your household watch and record, the times you watch and how long you watch. It also includes information like the interactive channels and games provided by U-verse or DirectTV. We also collect information related to your use and interaction with the equipment in your home, including the TV receivers, set top boxes, remotes and other devices you may use to access our services.

## 2. How Do You Collect Information?

In three basic ways:

- **You Give It To Us** when you make a purchase or set up an account with us;
- **We Automatically Collect Information** when you use our networks, products and services. For example, we use network tools to collect your call records; we collect wireless device location from our network and from your device; and we also use cookies, web server logs and other technologies.
- **We Obtain Information from Outside Sources** like credit reports, marketing mailing lists, and commercially available geographic and demographic information along with other publicly available information, such as public posts to social networking [sites](#).

## 3. How Do You Use My Information?

We use your information to improve your experience and to make our business stronger. Some examples include:

- Providing and managing your services, responding to your questions and addressing problems;
- Delivering customized content, or advertising, such as personalized offers for products and services that may be of interest to you;
- Communicating service updates, offers and promotions;
- Protecting network integrity and security, ensuring quality control, optimizing capacity and preventing misuse;
- Network enhancement planning, engineering and technical support;
- Conducting research and analysis for maintaining, protecting and developing our networks and our services;
- Preventing illegal activities, suspected fraud, and potential threats to our networks and our customers' networks;
- Investigating violations of our Terms of Service, Acceptable Use Policies, or other service conditions or restrictions; and
- Protecting the safety of any person.

## 4. Do you use the information I store using one of your cloud services?

We only use it to provide you with that service, unless we first get your permission to use it for something different.

## QUESTIONS ABOUT INFORMATION SHARING

### 1. Do you provide information for phone books and Caller ID?

Yes and No.

Yes, we share the names, addresses and telephone numbers of our wireline telephone and U-verse Voice customers with businesses that publish directories and provide directory assistance services. We are required by law to do that. We honor your request for non-published or non-listed phone numbers. Once we provide published listing information to those businesses, they may use, sort, package, repackage and make it available again in different formats to anyone.

Yes, We also provide wireline and wireless calling name and number information for CallerID, and related services like Call Trace, which allow a person receiving a call to obtain the name and number of the party calling them.

No, we do not give listing information for wireless numbers to phone book publishers or directory assistance services without your permission.

2. Do you share my Personal Information internally?

Yes. Our products and services are developed, managed, marketed and sold by a variety of AT&T companies. Sharing this information helps us offer you the high quality, seamless and innovative range of products you have come to expect from us. Some of these include:

- Wireless voice, data, Internet, home security, automation and remote monitoring services provided by AT&T Mobility and AT&T Digital Life; and
- The suite of satellite and IPTV services, Voice and High Speed Internet Access services offered by AT&T companies.

If one of our subsidiaries does not operate under the AT&T brand, information sharing with that subsidiary is handled as though it is a non-AT&T company.

3. Do you share my Personal Information with other companies for them to market to me?

We will only share your Personal Information with other companies for them to use for the marketing of their own products and services when we have your consent.

4. Are there any other times when you might provide my Personal Information to other companies or entities?

Yes. We share your Personal Information with companies that perform services for us, like processing your bill. Because we take our responsibility to safeguard your Personal Information seriously, we do not allow those companies to use it for any purpose other than to perform those services, and we require them to protect it in a way consistent with this Policy.

Companies that perform these services may be located outside the United States or the jurisdiction where you reside. If your Personal Information is shared with these companies, it could be accessible to government authorities according to the laws that govern those jurisdictions.

There are also occasions when we provide Personal Information to other companies or other entities, such as government agencies, credit bureaus and collection agencies, without your consent. Some examples include sharing to:

- Comply with court orders, subpoenas, lawful discovery requests and other legal or regulatory requirements, and to enforce our legal rights or defend against legal claims;
- Obtain payment or make refunds for products and services that appear on your AT&T billing statements, including the transfer or sale of delinquent accounts or refund obligations to third parties for collection or payment;
- Enforce our agreements and protect our rights or property,
- Assist with identity verification and e-mail address validation;
- Notify, respond or provide information (including location information) to a responsible governmental entity in emergency or exigent circumstances or in situations involving immediate danger of death or serious physical injury; and

- Notify the National Center for Missing and Exploited Children of information concerning child pornography of which we become aware through the provision of our services.
5. Do you share my personally identifiable TV Viewing Information with other companies?

We don't share your personally identifiable TV Viewing Information with other companies for them to use for the marketing of their own products and services without your consent. We are required to notify you about the special requirements we must follow when it comes to sharing your personally identifiable TV Viewing Information in response to a Court Order:

**Notice Regarding Disclosure of Personally Identifiable Information of Satellite and IPTV Subscribers in Response to A Court Order**

- In the case of a court order obtained by a non-governmental entity, AT&T is authorized to disclose personally identifiable information collected from TV subscribers as a result of the subscriber's use of TV service only after providing prior notice to the subscriber.
- In the case of a court order obtained by a governmental entity, AT&T is authorized to disclose personally identifiable information collected from TV subscribers as a result of the subscriber's use of TV service only if, in the court proceeding relevant to the order:
  - The governmental entity offers clear and convincing evidence that the subject of the information is reasonably suspected of engaging in criminal activity and that the information sought would be material evidence in the case; and
  - The subject of the information has an opportunity to appear and contest the governmental entity's claim; and
  - We have provided notice to the subscriber as required by applicable state law.

**QUESTIONS ABOUT MY INFORMATION & ADVERTISING**

1. Do you use my information to send me advertising?

Yes. We may use information like the preferences you have expressed and interests you have demonstrated on our websites, in our stores and through use of our products and services, to provide you with marketing information and advertisements for AT&T products and services. Those ads may be delivered on our websites and mobile applications. This is called "first party" advertising. It is part of our service relationship and you are not able to opt-out from this type of advertising.

We or our advertising partners may also use [anonymous information gathered through cookies and similar technologies](#), as well as other anonymous and aggregate information that either of us may have to help us tailor the ads you see on non-AT&T sites. For example, if you see an ad from us on a non-AT&T sports-related website, you may later receive an ad for sporting equipment delivered by us on a different website. This is called "online behavioral advertising," which is a type of Relevant Advertising.

2. Do you use my information for other types of Relevant Advertising?

Yes. We may also use information we get through your use of our products and services, from our advertising partners, and information like your age and gender to deliver Relevant Advertising that is not online behavioral advertising. We combine your anonymous information with that of other users into aggregate "audience segments." These segments are based on particular interests and/or factual characteristics that everyone in that audience segment is likely to share. We might use that information to send you advertisements that are relevant to those interests or characteristics.

We are careful to create Relevant Advertising with aggregate audience segments that are large enough that you can't be identified individually.

3. Do you use the location of my device for advertising purposes?

Yes. AT&T uses information about the locations you visit in order to create combined wireless location interest characteristics that can be used to provide Relevant Advertising to you and others like you.

Location characteristics are types of locations - like "movie theaters." People who live in a particular geographic area (a city, ZIP-code or ZIP+ 4 code, for example) might appear to have a high interest in movies, thanks to collective information that shows wireless devices from that area are often located in the vicinity of movie theaters. We might create a "movies characteristic" for that area, and deliver movie ads to the people who live there.

We may associate your wireless device with a particular geographic area, such as a city, ZIP-code, or ZIP + 4 code, based on your billing address or the cell towers you connect with most frequently.

In addition to other privacy protections, the process we use to create our audience segment includes a requirement that the ZIP + 4 or other geographic area to which a wireless location is assigned must contain a minimum of 25 households. ZIP + 4 codes with less than 25 households are combined with other ZIP + 4 codes to satisfy this requirement.

4. What's in it for me?

Just like the name says, you get advertising that's more relevant to your interests. For example, if a particular audience segment, like adults between the ages of 21 and 25 with a certain income range, has demonstrated a greater interest in movies than other segments, we might send them a movie ad for a movie geared toward young adults. This is just one way we deliver content that's more relevant.

5. How do you use information about the programs I watch on TV to advertise to me?

We combine information about the shows that our customers are watching with their common interests to help us figure out what types of advertising they might be interested in seeing.

It sometimes works like this: We look at the group of people watching a particular show. We identify common characteristics within that group. We use those characteristics to identify and deliver advertising that might be most relevant to watchers of that TV show. We might also deliver that same advertising during shows that appear to have similar audiences.

6. Do I ever have a chance to tell you what I'm personally interested in?

Yes. With some programs offered or powered by AT&T you can sign up to receive text-message offers from businesses that are near your current location and match the interests you've selected. You can change your mind at any time and stop participating in these programs.

When we add new offers like AT&T Internet Preferences we'll let you know, so you can decide if you'd like to participate. For example, we may offer you free or discounted services in exchange for the use of your Personal Information for advertising and other similar purposes. We promise, before we use any of your Personal Information (including information we gather as an Internet service provider) for such purposes, we will always give you the opportunity to make an informed choice about whether to participate.

7. What information do you provide to advertisers?

AT&T may provide reports to advertisers and other business customers about the success of its advertising campaigns. Those reports contain aggregate information about the number of times a particular ad was viewed, when it was viewed, whether it was viewed on a TV, a mobile device or a computer, demographics associated with the viewing audience and other similar information. Your anonymous information will not be included in aggregate reports about the success of Relevant Advertising campaigns if you have opted-out of Relevant Advertising delivered by AT&T.

## QUESTIONS ABOUT LOCATION INFORMATION

1. What is location information?

Exactly what it sounds like! It includes your ZIP-code and street address, as well as the whereabouts of your wireless device.

2. How is it used?

We use it in all kinds of ways, here are some examples:

- **We Provide Wireless Voice and Data Services:** We monitor, collect and use wireless location information, together with other information we get from our network and your wireless device, to maintain and improve our network. We also might use location information with your consent to provide you with a customized experience. For example, when you dial 411 Directory Assistance for a business telephone number, we might use your wireless location information to return the number of the business location closest to you.
- **Location Based Services (LBS):** Your device can be used to access a ton of services based on location. We offer these services via applications that have been pre-loaded or downloaded by you on your device. LBS also may be provided via text message or other functionality. We'll give you prior notice and ask for your consent when your location is used or shared. The form of consent may vary, but will be appropriate for the type of AT&T LBS you use.
- **LBS from other providers:** With your consent (to us or the other company) we also may enable LBS from other companies by providing location information to their developers or location service providers.
- We use it for [Advertising](#).

3. How accurate is wireless location information?

It depends on the technology we're using. For example, we can locate your device based on the cell tower that's serving you. The range could be up to 1,000 meters in any direction from the tower in urban areas, and up to 10,000 meters in rural areas. Wi-Fi networks provide more accurate location information, associating you with the place where the network is located - like a coffee shop - or to an area within or around that place.

Services such as 411, 911, a "friend locator" application or a navigation/mapping application, require more precise information. So for those we develop a more precise estimate of location by associating the serving cell tower ID with other information, like the latitude and longitude of the tower, radio frequency parameters, GPS information and timing differences in radio signals. Depending on a variety of factors, those methods may estimate the location of your device to within 30 to 1000 meters.

4. Are you the only ones who can locate my wireless device?

Other companies may also be able to locate your device. For example, your handset manufacturer and your operating system provider may be able to locate your device. If you download mobile applications, those apps may be able to obtain your location directly from your handset or the operating system. Mobile applications that give you access to your employer's network may also give your employer the ability to locate your device.

We urge you to review Policies of all providers.

## QUESTIONS ABOUT AGGREGATE AND ANONYMOUS INFORMATION

1. Where do you get anonymous information?

Sometimes we'll collect information about how you use our products [using cookies and other similar technologies](#). This information doesn't include your Personal Information and is considered anonymous.

When we collect information that identifies you personally, we may anonymize it for certain purposes. We remove data fields (such as name, address and telephone number) that can reasonably be used to identify you. We also use a variety of statistical techniques and operational controls to anonymize data. Anonymizing information is one of the tools we use to protect your privacy.

2. Tell me more about aggregate information.

Aggregate information is a form of anonymous information. We combine data that meet certain criteria into anonymous groups. For example, we might want to compare how customers in Beverly Hills, CA

(or any city, county or ZIP-code) use their cell phones to how customers in Boulder, CO use their cell phones. In order to do that, we would combine customer data in each of the geographies into anonymous groups and look at all that aggregate data to understand how the two groups are different or similar.

3. Do you share anonymous or aggregate information?

Yes, we may share this information with other companies and entities for specific uses, which may include:

- Universities, laboratories, think tanks and other entities that conduct networking, social, behavioral, environmental and other types of scientific research, for the purpose of creating fundamental new knowledge;
- Municipalities, government or other entities that may use this data for purposes such as municipal and transportation planning, and emergency and disaster response coordination.

We share this information in external reports like our External Marketing & Analytics Reports and Metric Reports.

## **QUESTIONS ABOUT EXTERNAL MARKETING AND ANALYTICS REPORTS**

1. Tell me more about the External Marketing & Analytics Program.

We use aggregate information to create External Marketing & Analytics Reports that we may sell to other companies for their own marketing, advertising or other similar uses.

These reports may be a combination of information from wireless and Wi-Fi locations, TV Viewing, calling and texting records, website browsing and mobile application usage and other information we have about you and other customers. You have a choice about whether your anonymous information is included in the reports that we sell or provide to other companies.

Some examples of External Marketing & Analytics Reports include:

- Reports for retail businesses that show the number of wireless devices in or near their store locations by time of day and day of the week, together with demographic characteristics or other information about the users (such as device type, age or gender) in those groups.
- Reports that combine anonymous TV Viewing behaviors with other aggregate information we may have about our subscribers to create reports that would help a TV network better understand the audiences that are viewing their programs, those that are not, how frequently they watch, when they watch and other similar information; and
- Reports for device manufacturers that combine information such as device type, make and model with demographic and regional location information to reflect the popularity of particular device types with various customer segments.

2. Do you provide companies with individual anonymous data as part of your External Marketing & Analytics Program?

Yes. For example, we might share anonymous TV Viewing Information with media research companies that combine this data with other information to provide audience analysis services about what shows certain audience segments are watching. When we provide individual anonymous information to businesses, we require that they only use it to compile aggregate reports, and for no other purpose. We also require businesses to agree they will not attempt to identify any person using this information, and that they will handle it in a secure manner, consistent with this Policy.

3. Do you use my anonymous information in other types of external reports?

Yes, we may use your anonymous information to provide Metrics Reports to our business customers and service suppliers. These reports are considered part of the underlying service and we do not sell them to other customers or suppliers.

For example, if you connect to our Wi-Fi service in a hotel, airport or other venue you should know the operator of that venue is our business customer, and that we will provide that operator with Metrics Reports about usage of and communications with the Wi-Fi network in their location. Those reports contain statistical information like:

- The number of devices connecting to the Wi-Fi network, duration of Wi-Fi sessions and the amount of bandwidth used during those sessions; and
- Foot-traffic data, including the numbers of devices inside and outside the store at a given time; the number of new and frequent visitors; where visitors are located within the store (e.g., specific departments or other locations within the venue) and frequency of visits and time spent within the store.
- **NOTE:** When your wireless device is turned on, it regularly sends out signals that enable it to connect to cell towers, Wi-Fi access points or other technologies so that we (and others) are able to provide you with services. These signals can be used to determine your device location. You can turn Wi-Fi to the "off" position on the "settings" feature of your device to prevent the collection of these signals by Wi-Fi equipment in retail stores and other public places.

Another example, we also license video programming from content providers. As part of our agreement, we provide them with Metrics Reports. These reports contain combined measurements and statistical information related to the number of TV subscribers who watched or accessed a particular program at a particular time and other similar measurements.

## QUESTIONS ABOUT OUR ONLINE PRIVACY POLICY FOR CHILDREN

1. Do you collect information about my children's use?

We do not knowingly collect personally identifying information from anyone under the age of 13 unless we first obtain permission from the child's parent or legal guardian.

2. What happens when my child is using an account not registered to them?

Internet and wireless devices and services purchased for family use may be used by children without our knowledge. When that happens, information collected may appear to us to be associated with the adult customer who subscribes to our services and will be treated as the adult's information under this Policy.

3. What can I do to help better protect my child's information?

We encourage you to spend time online with your children, and to participate in and monitor their online activity. We have developed a website that offers safety and control tools, expert resources and tips designed to help you manage technology choices and address safety concerns. Please visit [AT&T Smart Controls](#) for more information.

4. What if my child has an AT&T e-mail sub-account?

If you create an AT&T e-mail sub-account for a child under the age of 13:

- With your permission we collect your child's name, nicknames and aliases, alternative e-mail address, birth date, gender and ZIP-code.
- We use the information collected on sub-accounts to create and maintain those accounts, for research, to customize the advertising and content seen on our pages and for other marketing purposes. Your child can use their AT&T e-mail address and password to log onto websites and online services provided by us, like [uverse.com](#). We and our advertising partners may collect and use information about customers who log onto those sites as described in the "[Questions about the Information We Collect, How we Collect It and How We Use It](#)" section of this Privacy Policy. A list of the advertising partners who collect information on our sites and the ability to opt-out of advertising provided by those partners is available [here](#)
- We will not contact a child under the age of 13 about special offers or for marketing purposes without parental consent.

- You or your child can review, edit, update, and delete information relating to your child's sub-account and, if you no longer wish your child to have such an account, you can revoke your consent at any time, by logging on to manage your account [here](#).

You may e-mail us at [privacypolicy@att.com](mailto:privacypolicy@att.com), call us at 800.495.1547 or write to us at AT&T Privacy Policy, 1120 20th Street, N.W., 10th Floor, Washington, DC 20036 with any questions or concerns you may have about our Children's Online Privacy Policy.

## QUESTIONS ABOUT DATA PROTECTION AND SECURITY

1. Do we sell your Personal Information?

No. We do not sell your [Personal Information](#) to anyone, for any purpose. Period.

2. How long do we keep your Personal Information?

We keep your [Personal Information](#) as long as we need it for business, tax or legal purposes. After that, we destroy it by making it unreadable or undecipherable.

3. What safeguards does AT&T have in place?

We've worked hard to protect your information. And we've established electronic and administrative safeguards designed to make the information we collect secure. Some examples of those safeguards include:

- All of our employees are subject to the [AT&T Code of Business Conduct \(COBC\)](#) and certain state-mandated codes of conduct. Under the COBC, all employees must follow the laws, rules, regulations, court and/or administrative orders that apply to our business - including, specifically, the legal requirements and company policies surrounding the privacy of communications and the security and privacy of your records. We take this seriously, and any of our employees who fail to meet the standards we've set in the COBC are subject to disciplinary action. That includes dismissal.
- We've implemented technology and security features and strict policy guidelines to safeguard the privacy of your Personal Information. Some examples are:
  - Maintaining and protecting the security of computer storage and network equipment, and our security procedures require employee user names and passwords to access sensitive data;
  - Applying encryption or other appropriate security controls to protect Personal Information when stored or transmitted by us;
  - Limiting access to Personal Information to only those with jobs requiring such access; and
  - Requiring caller/online authentication before providing Account Information so that only you or someone who knows your Account Information will be able to access or change the information.
  - Although we strive to keep your Personal Information secure, no security measures are perfect, and we cannot guarantee that your Personal Information will never be disclosed in a manner inconsistent with this Policy (for example, as the result of unauthorized acts by third parties that violate the law or this Policy).

4. Will you notify me in case of a security breach?

Laws and regulations guide us in how to give you notification when certain types of sensitive information are involved in a security breach. We will provide you with notice in accordance with these laws and regulations.

5. Can I review and correct my Personal Information?

Yes. We are happy to help you review and correct the Personal Information we have associated with your account and billing records. Please contact us.

6. Have your privacy practices been certified?

Yes, and we're very proud of it! TRUSTe has awarded us the [TRUSTe Privacy Seal](#). As an independent third party, TRUSTe's mission is to accelerate online trust among consumers and organizations globally through its leading privacy Trustmark and innovative trust solutions.

Our TRUSTe Privacy Seal signifies that TRUSTe has reviewed our Privacy Policy and practices for compliance with [TRUSTe's program requirements](#). These include transparency, accountability and choice regarding the collection and use of your Personal Information. The TRUSTe program covers only information that is collected through our [certified web sites](#).

## QUESTIONS ABOUT FUTURE CHANGES

1. What happens if there is a change in corporate ownership?

Information about our customers and users, including Personal Information, may be shared and transferred as part of any merger, acquisition, sale of company assets or transition of service to another provider. This also applies in the unlikely event of an insolvency, bankruptcy or receivership in which customer and user records would be transferred to another entity as a result of such a proceeding.

2. Will I be notified if there are changes to this policy?

We may update this Privacy Policy as necessary to reflect changes we make and to satisfy legal requirements. We will post a prominent notice of the change on our websites. We will provide you with other appropriate notice of important changes at least 30 days before the effective date.

## YOUR CHOICES & CONTROLS

1. You can choose not to receive some types of advertising online, on your satellite TV service or on your wireless device.

- Opt-out of Relevant Advertising delivered by AT&T [here](#).
- Opt-out of Online Behavioral Advertising provided by AT&T and other advertisers on your computer by clicking the "[Advertising Choices](#)" link at the bottom of our web pages.
- Opt-out of interest-based advertising on att.net powered by Yahoo! [here](#).
- Opt-out of online behavioral advertising from many other ad networks [at the Network Advertising Initiative \(NAI\) site](#).
- When you see online ads for AT&T products and services that display this icon , click and you will get information on how to opt-out.
- To limit collection of data on web sites that may be used for advertising, go [here](#) for information on how to manage cookies and other similar technologies on your computer.

2. Do I have choices about receiving first party advertisements from AT&T?

Because first party advertising is part of the service you receive when you visit our websites and use our mobile applications, we don't offer an opt-out for first party advertising.

3. You can also choose not to receive other types of marketing from AT&T.

We realize that unwanted marketing contacts can be a hassle and we've worked hard to meet the expectations of customers and potential customers who have expressed a desire to limit certain types of solicitation communications from us.

**E-Mail:** Every marketing e-mail we send contains instructions and a link that will allow you to stop additional marketing e-mails for that product or service type. You also can unsubscribe from AT&T marketing e-mails [here](#).

**Text Messages:** Opt-out of AT&T marketing text message contacts by replying "stop" to any message.

**AT&T Consumer Telemarketing:** Ask to be removed from our consumer telemarketing lists by contacting us at [one of the numbers listed here](#). You also can ask the AT&T representative to remove you from our telemarketing lists when you receive a marketing or promotional call from us.

**AT&T Business Telemarketing:** Where required by state laws and/or regulations, we honor requests to be removed from our telemarketing lists from business customers.

**Federal Do Not Call:** The FTC maintains a National Do Not Call Registry at [donotcall.gov](http://donotcall.gov), and your state may maintain its own Do Not Call Registry. Putting your number on these Registries also may limit our AT&T telemarketing calls to that number.

**Postal Mail:** To review our Residential Do Not Mail Policy Statement and to limit postal mail solicitations, click [here](#). You will still receive billing statements, legal notices, product updates and other similar correspondence, and you may still receive some promotional mailings.

All of our practices are designed to satisfy state and federal legal requirements limiting marketing contacts. Those laws and regulations - such as the requirements governing the state and federal "Do Not Call" lists - generally permit companies to contact their own current and, in some cases, former customers, even when those customers are listed on the federal and state "Do Not Call" lists.

Restricting our use of your CPNI will not eliminate all types of our marketing contacts.

4. Can I choose to exclude my anonymous information from your External Marketing & Analytics and other similar reports?

Yes. Click [here](#) to opt-out. This opt-out also applies to the sharing of your anonymous information with other companies for their use in creating marketing and analytics reports. Although this opt out does not apply to Metrics Reports, it will apply if we combine Metrics Report information with other customer information (like demographics) to create reports that we provide to our business customers or service suppliers.

5. What is DNS error assist?

When you mistype a web address, or the address is not working, DNS Error Assist provides an automated list of similar pages - such as possibly the one you meant to type - for your consideration. The service is provided on your AT&T residential broadband connection, and you can opt-out [here](#). If you opt-out, you will get a standard "no results found" error message instead of the error-assist page.

6. Are there any other opt-out choices I should know about?

We may use services provided by analytics companies to obtain information about website performance and how you use our mobile applications and other products and services. Go [here](#) for more information about the opt-outs made available by some of those vendors, and to make choices about participation.

7. These Choices and Controls also are available at [www.att.com/yourchoices](http://www.att.com/yourchoices).

## HOW TO CONTACT US ABOUT THIS POLICY

- We encourage you to contact us directly at either of these addresses below for any questions about this Privacy Policy.

- E-mail us at [privacypolicy@att.com](mailto:privacypolicy@att.com)
- Write to us at AT&T Privacy Policy, 1120 20th Street, N.W., 10th Floor, Washington, DC 20036.
- For questions not related to privacy click on the "Contact Us" link at the upper right hand corner of this page. You also can access your online account from the upper right hand corner of our home page at [att.com](http://att.com) for additional service options.
- If you do not receive acknowledgment of your privacy inquiry or your inquiry is not addressed to your satisfaction, you may contact TRUSTe through the [TRUSTe Watchdog Dispute Resolution Process](#). TRUSTe will serve as a liaison to resolve your concerns.
- You also have the option of filing a complaint with the FTC Bureau of Consumer Protection, using an [online form](#), or by calling toll-free 877.FTC.HELP (877.328.4357; TTY: 866.653.4261). Other rights and remedies also may be available to you under federal or other applicable laws.
- If you are a satellite TV subscriber, you also have certain rights under [Section 338\(i\) of the Federal Communications Act](#).

## Customer Proprietary Network Information (CPNI)

### What is CPNI?

Customer Proprietary Network Information (CPNI) is information that AT&T and other telecommunications carriers obtain when providing your telecommunications services to you. CPNI includes the types of telecommunications services you currently purchase, how you use them, and the billing information related to those services, including items such as the types of local, long distance and wireless telecommunications services that you have purchased and your calling details. Your telephone number, name and address are not considered CPNI.

### Use and Disclosure of CPNI

We use your CPNI to offer you additional services of the type you already purchase from AT&T. We also may use your CPNI to offer you products and services, packages, discounts and promotions from the AT&T companies, such as High Speed DSL Internet access, wireless service and TV services, which may be different from the types of services you already purchase.

AT&T uses technology and security features and strict policy guidelines to safeguard the privacy of CPNI and protect it from unauthorized access or improper use. AT&T does not disclose CPNI outside of the AT&T companies or their agents without customer consent except as required or allowed by law. When AT&T uses third parties to perform services on its behalf that require the use of CPNI, AT&T requires that they protect CPNI consistent with this privacy policy. *AT&T does not sell CPNI to unaffiliated third parties.*

### Restricting our use of your CPNI

If you wish to restrict our use of your CPNI for marketing purposes, you may contact a customer service representative at the customer service phone number located on your AT&T telephone bill or one of the following numbers:

Wireless - 1-800-331-0500

Business - 1-888-944-0447

Residential - 1-800-288-2020

Spanish Language - 1-800-870-5855

For assistance in other languages, please visit [world.att.com](http://world.att.com).

Legacy AT&T Consumer - 1-800-222-0300

Restricting our use of your CPNI for marketing purposes will not affect the provision of any AT&T products or services to which you subscribe, nor will it eliminate all types of AT&T marketing contacts.

**Customer Service Contact Numbers**

**Wireless** — 1-800-331-0500

**Business** — 1-888-944-0447

**Residential** — 1-800-288-2020

### OPTIONAL INSIDE WIRE PROTECTION PLAN (Including Home Wiring Protection for AT&T U-verse® customers)

These Terms and Conditions apply to all existing Inside Wire Protection plan customers who subsequently purchase an AT&T U-verse® service (e.g., Internet protocol TV, high speed Internet and/or voice over Internet protocol). These Terms and Conditions also apply to all AT&T U-verse® customers who purchase a Home Wiring Protection plan for the first time. For existing Inside Wire Protection plan customers, these Terms and Conditions supplement the terms and conditions of their existing Inside Wire Protection plan by adding coverage for inside coaxial cable wiring that is used to provide any AT&T service. For AT&T U-verse® customers who purchase Inside Wire Protection/Home Wiring Protection for the first time, these Terms and Conditions provide coverage for inside telephone wiring and inside coaxial cable wiring that is used to provide any AT&T service.

As an AT&T customer, you are responsible for maintaining the wiring between the network interface point (which is usually a gray box attached to the outside of your home or business) up to and including the equipment (e.g., telephone sets, faxes, modems, computers, monitors, televisions, etc.) attached to such wiring (except that you are not responsible for maintaining the residential gateway and receivers used to provide AT&T U-verse® services, which are included in equipment rental provisions of your AT&T U-verse® Terms of Service). Such wiring used to provide AT&T services, including telephone and coaxial cable wiring, is referred to herein as "Inside Wire." To help you maintain your Inside Wire and jacks, AT&T offers you an optional Inside Wire Protection/Home Wiring Protection plan subject to the following terms:

1. Under the Inside Wire Protection/Home Wiring Protection plan, AT&T will locate the source of and repair your AT&T service problems which may exist in the Inside Wire and jacks in your home or business. If the problem is in your Inside Wire or jack(s), AT&T will repair basic Inside Wire and modular jacks. AT&T will also repair certain connecting components used to provide AT&T services, such as patch panels, but only if they were installed by AT&T; jack faceplates; connectors; splitters; diplexers; baluns; short jumper cables; external adapters; and blocking filters (and wireless adapters, but only if they were installed by AT&T, in its sole discretion, in lieu of installing additional wiring). If the problem is caused by a defect in the cord from the jack to the equipment that is attached to your Inside Wire, AT&T will advise you which piece of equipment is the source of the problem. AT&T does not repair such defective cords, phones, or other equipment under this Plan.

You agree to pay monthly charges for the Inside Wire Protection/Home Wiring Protection plan. There is no additional charge for repairing or isolating problems in your Inside Wire or jacks. Because the Inside Wire Protection plan is optional, nonpayment of charges for the Plan will not cause termination or denial of your regular telephone service (but may cause termination or denial of your AT&T U-verse® services). **Nonpayment may, however, result in immediate cancellation of the inside Wire Protection/Home Wiring Protection plan without further notice and the application of a late payment charge and/or late payment interest of up to 1.5% or the highest amount allowed by law, whichever is lower; on all charges due and unpaid. (See your AT&T bill for information on applicable late payment changes.)**

2. The Inside Wire Protection/Home Wiring Protection plan does not cover (1) problems caused by willful damage to Inside Wire or jacks; (2) damage caused by Acts of God (such as fire, windstorm, flood, hurricane or other similar acts); (3) service problems in your Inside Wire or jacks that were obvious at the time you subscribed to the Plan; (4) Inside (telephone) Wire or jacks that do not meet industry standards for telecommunications or Inside (coaxial) Wire or jacks that do not meet National Electrical Code and Electronic Industry Association standards; and (5) any repair to and/or maintenance of your Inside Wire or jacks to the extent that after reasonable effort AT&T determines that such repair/maintenance cannot be performed in a safe manner due to the presence of asbestos or any other environmentally hazardous substance or due to the existence of an unsafe condition.

**3. Where existing AT&T service subscribers request coverage under the inside Wire Protection/Home Wiring Protection plan, the Plan will not become effective until thirty (30) days after the date the Plan is ordered.** This Plan is provided on a month-to-month basis and can be cancelled by either party by giving oral or written notice to the other.

4. If you have more than one exchange access line in your premises, you must subscribe to the Inside Wire Protection/Home Wiring Protection plan for each such access line. In other words, if you have more than one telephone number associated with AT&T local exchange telephone service, you must subscribe to the Plan for each such telephone number. (You are not required to subscribe to the Plan for each separate AT&T U-verse® telephone number or service; one Plan covers all AT&T U-verse® services and telephone numbers.) If you have a key telephone system, a Private Branch Exchange (PBX), or other non-basic telephone system or service (other than AT&T U-verse® Voice), you are not eligible for this Plan.

5. Terms or conditions may be changed from time to time with thirty (30) days notice. This notice, which may be provided in your monthly billing invoice, shall include the revised rate, terms or conditions and the effective date of the change. If the rate, terms or conditions are changed and you do not wish to continue as a subscriber to the Inside Wire Protection/Home Wiring Protection plan, you may cancel by calling your local AT&T office.

6. AT&T SHALL NOT BE LIABLE FOR DAMAGES, INCLUDING ANY INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, THAT ARISE FROM (1) ANY DEFECTS IN MATERIALS USED TO MAINTAIN INSIDE WIRE OR JACKS; OR (2) DEFECTS IN WORKMANSHIP PROVIDED UNDER THE INSIDE WIRE PROTECTION/HOME WIRING PROTECTION PLAN. THERE ARE NO EXPRESS OR IMPLIED WARRANTIES, WARRANTIES OF MERCHANTABILITY, OR WARRANTIES OF FITNESS FOR A SPECIFIC PURPOSE OFFERED WITH THIS PLAN. AT&T'S LIABILITY FOR DEFECTIVE MATERIALS OR WORKMANSHIP IS LIMITED TO REPAIR OR REPLACEMENT OF THE DEFECTIVE MATERIAL AND/OR A CORRECTIVE SERVICE VISIT.

## AT&T U-VERSE® 911 ACKNOWLEDGEMENT

### 911 Acknowledgement

There are significant differences between accessing 911 service using AT&T U-verse Voice and accessing 911 service using traditional wireline telephone service.

**Electrical Power.** Historically, telephone service primarily has been powered by electrical power within the telephone network. By contrast, AT&T U-verse Voice is powered by electrical power in your home and optional battery backup equipment is available for purchase through third-party retailers. It is your responsibility to ensure the battery remains charged and to replace the battery periodically.

During a power outage, you will not be able to make or receive calls, including 911 calls, unless you have functioning battery backup equipment. To conserve battery power for AT&T U-verse Voice, DO NOT use any AT&T U-verse service other than AT&T U-verse Voice during a power outage. AT&T recommends you use a corded phone with AT&T U-verse Voice during a power outage. (Cordless phones require electrical power to work and may not be equipped with battery backup.) *AT&T also recommends that you always have an alternative means of accessing 911 during a power outage, such as via a mobile phone.*

**Broadband Network.** AT&T U-verse Voice is provided to you over a broadband (Internet Protocol or "IP") network. If there is a broadband network outage, your AT&T U-verse Voice service will not function and you will not be able to make 911 calls with this service.

**Additional Limitations.** Please note that AT&T U-verse Voice will work only in your home. You will not be able to make any calls, including 911 calls, from any other location, even if you move your Wi-Fi Gateway (WG) or an external Telephone Adapter (TA) to the new location.

### Battery Locations

*Please see [att.com/batterybackup](http://att.com/batterybackup) for additional details regarding battery backup equipment including pictures on how to change the battery.* The battery backup equipment may be in different locations, depending on your network configuration:

**a. Optical Network Terminal (ONT)** – You may have an ONT, which is a box located either on the outside of your home, in your garage or inside your home. It requires home-provided electrical power. For the ONT inside your home, you are responsible for purchasing battery backup equipment in case of a power outage. For the ONT outside your home, AT&T supplies an initial battery backup or the power supply unit to the first resident of the premises where AT&T services are installed. All subsequent battery backups are the responsibility of the customer at the premises.

**b. Wi-Fi Gateway (WG)** – This unit is inside your home near your primary computer or television set. It requires home-provided electrical power. You are responsible for purchasing battery backup equipment in case of a power outage.

**c. Intelligent Network Interface Device (iNID)** – You may have an iNID, which is a box that includes an outside unit, typically located on the side of your house or in your garage, where AT&T's network terminates, and an iNID power supply unit (iPSU), typically located inside your house or in an attached garage. This iPSU powers the iNID and includes the housing in which the backup battery unit is contained. AT&T supplies an initial battery backup or the power supply unit to the first resident of the premises where AT&T services are installed. All subsequent battery backups are the responsibility of the customer at the premises.

**I have read and understand that there are critical differences between accessing 911 service with AT&T U-verse Voice and accessing 911 service with traditional wireline telephone service. I have been advised which of the battery locations above apply to my AT&T U-verse Voice service.**

**In addition, I have been provided with stickers that describe the differences and have been instructed to place the stickers on all telephones/equipment used for AT&T U-verse Voice service.**

## ACEPTACIÓN DEL SERVICIO 911 DE AT&T U-VERSE®

### Aceptación del servicio 911

Hay importantes diferencias en la forma de acceso al servicio 911 según utilice el servicio AT&T U-verse Voice o el servicio de telefonía fija tradicional.

**Energía eléctrica.** El servicio telefónico siempre ha funcionado principalmente con la energía eléctrica de la red telefónica. Por el contrario, el servicio AT&T U-verse Voice funciona con la energía eléctrica de la vivienda del cliente y se puede comprar un equipo opcional de batería de respaldo a proveedores terceros. Es responsabilidad del cliente asegurarse de que la batería se mantenga cargada, así como reemplazar la batería ocasionalmente.

Durante un corte de energía, el cliente no podrá realizar o recibir llamadas, incluidas las llamadas al servicio 911, a menos que tenga un equipo de batería de respaldo en buen estado de funcionamiento. A fin de conservar la energía de la batería para el servicio AT&T U-verse Voice, NO utilizar ningún otro servicio de AT&T U-verse más que el de voz durante un corte de energía. AT&T recomienda usar un teléfono con cable con el servicio AT&T U-verse Voice durante un corte de luz. (Los teléfonos inalámbricos requieren energía eléctrica para funcionar y pueden carecer de batería de respaldo.) *Asimismo, AT&T recomienda disponer siempre de un medio alternativo para llamar al 911 en caso de un corte de energía como, por ejemplo, un teléfono móvil.*

**Red de banda ancha.** El servicio AT&T U-verse Voice se suministra a través de una red de banda ancha (protocolo de Internet o "IP"). En caso de un corte de energía de la red de banda ancha, el servicio AT&T U-verse Voice no funcionará y el cliente no podrá llamar al 911 con este servicio.

**Limitaciones adicionales.** El cliente deberá tener en cuenta que el servicio de voz AT&T U-verse Voice sólo funcionará en su vivienda. No podrá realizar ninguna llamada, ni siquiera al 911, desde ninguna otra ubicación, incluso si traslada su portal de Wi-Fi (WG, por sus siglas en inglés) o un adaptador telefónico (TA, por sus siglas en inglés) externo a una nueva ubicación.

### Ubicaciones de las baterías

*Consultar [att.com/batterybackup](http://att.com/batterybackup) (en inglés) para obtener detalles adicionales sobre los equipos de batería de respaldo, incluso fotos sobre cómo cambiar la batería.* Es posible que el equipo de batería de respaldo esté en lugares diferentes, según la configuración de la red:

**a. Terminal para red de fibra óptica (ONT, por sus siglas en inglés):** – se puede tener un terminal para red de fibra óptica, que es una caja que se instala fuera de la vivienda, en el garaje o dentro de la vivienda. Requiere energía eléctrica suministrada por la vivienda. Si se instala dentro de la vivienda, el cliente será el responsable de comprar el equipo de batería de respaldo para situaciones de corte de energía. Si se instala fuera de la vivienda, AT&T suministra la batería de respaldo inicial o la unidad de suministro eléctrico al primer residente del lugar donde se instalan los servicios de AT&T. Todas las baterías de respaldo posteriores serán responsabilidad del cliente que resida en dicho lugar.

**b. Portal Wi-Fi (WG, por sus siglas en inglés):** – esta unidad está dentro de la vivienda del cliente cerca de su computadora o televisor principal. Requiere energía eléctrica suministrada por la vivienda. El cliente será el responsable de comprar el equipo de batería de respaldo para situaciones de corte de energía.

**c. Equipo de interfaz de la red telefónica inteligente (iNID, por sus siglas en inglés):** – es posible que el cliente tenga un equipo de interfaz de la red telefónica inteligente, que es una caja que incluye una unidad exterior, generalmente ubicada al costado de la vivienda o en el garaje, donde acaba la red de AT&T, y una unidad de suministro de energía para el equipo iNID (iPSU, por sus siglas en inglés), generalmente ubicada dentro de la vivienda o en un garaje adyacente. Esta unidad suministra energía para el equipo iNID e incluye la batería de respaldo y su compartimiento. AT&T suministra la batería de respaldo inicial o la unidad de suministro eléctrico al primer residente del lugar donde se instalan los servicios de AT&T. Todas las baterías de respaldo posteriores serán responsabilidad del cliente que resida en dicho lugar.

**El cliente ha leído y comprende que hay importantes diferencias en la forma de acceso al servicio 911 según utilice el servicio AT&T U-verse Voice o el servicio de telefonía fija tradicional. Se le ha indicado al cliente cuál de las anteriores ubicaciones de batería corresponde a su servicio AT&T U-verse Voice.**

**Asimismo, el cliente recibió etiquetas adhesivas que describen las diferencias, así como las instrucciones para colocar dichas etiquetas en todos los teléfonos o equipos utilizados para el servicio AT&T U-verse Voice.**

**Notice To AT&T U-Verse® TV Service Customers  
in Georgia and North Carolina  
Concerning Customer Service Standards**

AT&T places the highest priority on providing you with the best customer service. We have established AT&T U-verse TV service standards for customer care that not only meet applicable legal requirements but are designed to exceed customer expectations. By law, we are required to notify you of those standards when your service first begins and annually thereafter. Listed below are general customer service standards we intend to meet.

**AT&T U-verse customer service is available to you at any time.**

You can find answers to your questions at [att.com/uversesupport](http://att.com/uversesupport) or call our AT&T U-verse customer care line toll-free at 800.288.2020. Knowledgeable and qualified AT&T U-verse representatives are available as follows:

- To check the status of an order regarding your AT&T U-verse service, please visit [att.com/uverseorderstatus](http://att.com/uverseorderstatus).
- Technical support and problem reporting is available twenty four (24) hours a day, seven (7) days a week.
- For ordering, billing, and other inquiries, representatives are available Monday through Friday from 8:00 A.M. to 7:00 P.M. and Saturdays from 8:00 A.M. to 5:00 P.M. After these hours, your call will be answered by an automated response system.

**AT&T employees and representatives will carry identification.**

AT&T U-verse employees and representatives carry an identification card with their name and photograph.

**We will schedule service appointments with respect for your time.**

Appointment Hours for Installations and Service Calls

The “appointment window” alternatives for installations, service calls, and other installation activities that we provide will be, at a maximum, a four-hour time block during normal business hours; although we strive to provide you a two-hour “technician arrival window.” For record keeping purposes, our technician will be late if they miss a two-hour technician arrival window by more than two hours. We may schedule service calls and other installation activities outside of normal business hours for your express convenience. We will not cancel an appointment with you after 5 p.m. on the business day before the scheduled appointment. If our representative is running late for an appointment with you and will not be able to keep the appointment as scheduled, we will try to contact you. We will reschedule the appointment, as necessary, at an available time which is convenient for you, even if the rescheduled appointment is not within normal business hours.

Installation Intervals

A standard installation date is available within seven (7) business days after the order has been placed. Customers may also choose from available dates and times outside of the standard interval.

**We will provide all estimated costs for repairs or service prior to any work.**

During your order process, AT&T U-verse sales representatives will disclose applicable installation service charges and promotional pricing. If any additional service or repair work needs to be performed once your AT&T U-verse technician is on-site, he or she will state orally the estimated cost of any additional service. You must authorize the charges before service is delivered or work is performed.

**We will handle service repairs promptly.**

Excluding conditions beyond our control, we will begin working on AT&T U-verse TV service interruptions promptly, but no later than 24 hours after the interruption is reported by you or becomes known to us. Service interruption means the loss of picture or sound on one or more channels. We will take action to correct other service issues the next business day after being notified of the problem.

**We will notify you of any changes in rates or deletions in programming.**

When it is within our control, we will provide you with a minimum of thirty (30) days written notice before increasing rates or deleting programming. If an increase in rates or deletion of programming is outside of our control, or if we change channel assignments, we will make reasonable efforts to provide as much notice as possible.

**We will clearly outline how deposits, bill disputes, and termination of service will be handled.**

Deposits

Any deposits or advance payments may be applied toward any unpaid balance on your bill, or as otherwise set forth in your Terms of Service. Interest will not be paid on deposits or advance payments unless required by law. Upon AT&T's sole determination of satisfactory payment history, or as required by law, AT&T may begin refunding deposits or advance payments through bill credits, cash payments, or as otherwise permitted by law.

#### Bill Inquiries & Disputes

If you believe you have been billed in error for services, please notify us within sixty (60) days of the billing date by contacting AT&T customer care at 800.288.2020. AT&T will not issue refunds or credits after the expiration of this sixty (60) day period, except where required by law.

#### Termination of Service

Service may be terminated by calling AT&T at 800.288.2020.

#### Return of Equipment

Upon termination of services, for whatever reason, you must return any equipment provided by AT&T, undamaged, within twenty one (21) calendar days. If the equipment is not returned within twenty one (21) calendar days, or is returned damaged, you will be charged for the value of the equipment. If the equipment is returned within ninety (90) days of termination, any fees charged for the equipment will be refunded (other than fees for damages). No refunds will be made for any equipment returned more than ninety (90) days after termination.

#### **We will provide accurate, understandable bills.**

AT&T will provide you with a monthly bill for your AT&T U-verse TV service that is accurate and easy to understand. You should remit payment by the due date indicated on your bill. If payment is not received by the indicated due date, a late fee may be assessed.

#### **We will provide you with assistance in resolving any service issues.**

If you have questions or complaints regarding your AT&T U-verse TV service, please contact AT&T customer care online at [att.com/uversesupport](http://att.com/uversesupport) or call 800.288.2020. We will review any questions or complaint you have and will take prompt action to address it.\* Further rights and remedies are outlined in the Terms of Service provided at installation or available online at [att.com/u-verse](http://att.com/u-verse) on the "SHOP" page.

#### **AT&T U-verse TV Services and other Terms and Conditions**

A listing of AT&T U-verse TV services and prices can be found on the included price sheet. Other terms and conditions applicable to your AT&T U-verse TV service are outlined in the Terms of Service provided on the following page and available online at [att.com/u-verse](http://att.com/u-verse). To the extent these general customer service standards conflict with the AT&T U-verse TV Terms of Service, the Terms of Service will override.

\*In Georgia you may submit any complaint to Georgia Appeals, 575 Morosgo Drive, NE, Room 14F67, Atlanta, GA 30324, 404.541.4199, [OOP\\_Case\\_Referrals@att.com](mailto:OOP_Case_Referrals@att.com).

If you are dissatisfied with our resolution, in North Carolina you may contact the Consumer protection Division of the Attorney General's Office of the State of North Carolina at [www.ncdoj.com/cable](http://www.ncdoj.com/cable).
