### SECTION 8 – INTERNATIONAL SERVICES

#### As of June 28, 2005, Lithuania has temporarily suspended ITFS Service

#### 8.5 International Toll Free Service<sup>1</sup>

**Effective June 30, 2011 the dedicated service offering associated with this Service will be discontinued pursuant to Title 47, Section 63.19 of the code of Federal Regulations. If your current dedicated term agreement has not expired, you will need to replace the dedicated Service on or before the expiration date of your current term agreement. If you are currently on a month-to-month arrangement, you will need to replace the dedicated Service on or before June 30, 2011.**

<sup>1</sup>Except for international toll free calls from Canada associated with the Business Plans defined in section 8.5.5 of this Guidebook, International Toll Free Service is no longer available to new Customers or existing Customers at new locations outside their current serving wire center effective July 10, 2006.

##### 8.5.1 Rates and Charges

Note: in some countries, there is an extra charge when an ITFS call is placed from a payphone and/or mobile phone. For these countries, a per minute service charge will appear on the customer's bill in addition to the regular Toll Free per minute usage charge. The charge will appear in the International Origination Charges Summary page on the AT&T Long Distance bill.
