Empowering students everywhere to reach their highest potential

AT&T is driving innovation in education to promote student success in school and beyond through our signature philanthropic initiative, AT&T Aspire. We are leveraging technology, relationships and social innovation to help all students make their biggest dreams a reality.

Through Aspire, we have passed the \$250 million mark on our plan to invest \$350 million in education between 2008-2017. We are:

Mobilizing learning:
enabling personalized
and mobilized learning

Powering career skills:
bridging the skills gap and building a
diverse talent pipeline

Supporting what works:
supporting best in class
organizations

Making connections:
connecting AT&T employees with
students to help them discover
their passions and potential
