AT&T Foundry™ innovation centers are fast-paced and collaborative environments where AT&T teams work with developers to deliver the latest apps, products and services to market faster than ever before. At the AT&T Foundry™, developers work with AT&T technology experts, access resources they can’t get anywhere else, and accelerate their innovations.

The Formula:

\[
\text{AT&T Developers Technology suppliers} + \text{AT&T Foundry} = \text{Applications + Products + Prototypes}
\]

AT&T Foundry™ facts:
