

Returning veterans to the workforce

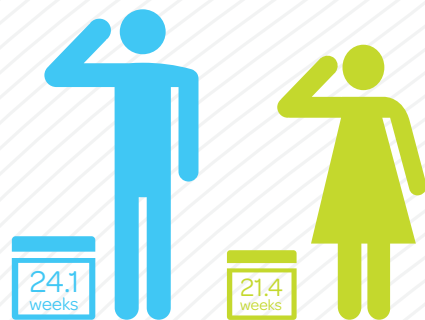

For more than 85 years, AT&T has helped returning military personnel transition from active duty to active careers. But the work is far from over.

11.8
million

Unemployed
veterans*

*Source: DOL, 2010

Men 24.1 weeks
Women 21.4 weeks

Unemployed upon return*

The highest rate of unemployment among all veterans, African American females at nearly twice the national average*
