Local Commitment

AT&T began doing business in Canada in 1983 by partnering with the primary Canadian carriers to provide cross border services and distant end support to our US customers. AT&T’s strong commitment to supporting its customers in Canada has now led to AT&T directly expanding its presence in Canada, and providing transparent, consistent services directly to its multi-national customers.

The AT&T Difference

Performance

- AT&T delivers unsurpassed application performance around the world
