

SAMSUNG

Flight™

SALES SHEET

Change the way you chat with the Samsung Flight™, a phone that morphs from touchscreen talker to texting expert. A social butterfly's dream, the Flight has a vertical sliding QWERTY keyboard providing multiple messaging options, Mobile Email, and one-touch access to applications. The 2.8" display with 2.0 megapixel camera allows you to have a handheld photo and video viewer, and with GPS functions like AT&T Navigator and web-based social applications such as Facebook and MySpace, the Flight is sure to turn into something special.
