Surf Smart

Now parents can protect their children from inappropriate online content. You can successfully manage and facilitate your children’s interaction with the Internet by setting limits on what they can see and do online.

- Filter and block harmful sites and images
- Monitor Internet activity
- Set time limits and access to features such as email and IM
- Customize profiles for the family
- Manage account settings online

Watch Smart

Watching TV together as a family can be a positive experience, but parents worry about what their children may be viewing when they are not there. Now you can manage your children’s viewing experience so that you always have peace of mind.

- Filter viewing based on MPAA ratings
- Lock out specific channels
- Set limited viewing times
- Establish spending limits on Pay Per View purchases
- Password-protect your channels

Talk Smart

Make the most of your home phone service. Parents can manage and control who calls their home and protect their children from pranksters and unwanted callers. Parental control calling features provide flexibility, reliability and value.

- Manage the calls you receive
- Stop unidentified callers
- Restrict calls to entertainment numbers
- Block calls from specific, harassing numbers
- Trace calls that are made to your number

Parental controls services have limited availability. Visit [www.att.com/smartlimits](http://www.att.com/smartlimits) for more product details including cost and availability in your area.

To set up Parental Controls:
1. Select MEdia Net from the main menu of your child’s handset
2. Select Customize MEdia Net
3. Select Parental Controls

Cingular MEdia™ Net Parental Controls
With MEdia Net Parental Controls, you can easily restrict mobile phone access to websites containing content inappropriate for children as well as restrict purchase of premium subscriptions and downloads such as games, ringtones and graphics.

Control:
- Content filters restrict access to sites with mature content not appropriate for children – like chat and dating sites
- Purchase blocker prevents children from buying premium content that is direct-billed to the account holder (including ringtones, downloads, games and graphics)

Manage:
- Change Parental Controls settings anytime by using your PIN or by contacting Customer Care at 1-866-CINGULAR (1-866-246-4852)

Cost:
- Parental Controls are included at no charge with Cingular service*

*A compatible handset is required for MEdia Net Parental Controls. Small fees may apply for brief data usage if Parental Controls is set via the handset.
