

## Are You Ready for Life on the A-List?

It's time to roll out the red carpet and Rollover your unused wireless minutes thanks to AT&T A-List with Rollover, a free new feature that gives customers with qualifying\* plans unlimited calling from their wireless phone to their designated VIPs without using any of their plan minutes.

Beginning Sept. 20, individual Nation customers will be able to select up to five domestic wireless or wireline numbers for their A-List; FamilyTalk customers will be able to select up to 10 domestic wireless or wireline numbers.

### Getting Ready

To ensure you're ready to roll when A-List with Rollover launches, here are a couple of things you should do ahead of time:

- **Verify you have an eligible voice plan.**
  - Individual Nation plans starting at \$59.99/month are eligible; customers can select up to five standard domestic phone numbers.
  - FamilyTalk plans starting at \$89.99/month are eligible; customers can select up to 10 standard domestic phone numbers.
- **Sign up for online account management.**
  - The only way to set up and manage your A-List account is through AT&T's online account management tool.
  - Visit [www.att.com/alist](http://www.att.com/alist) to register.

### Creating Your A-List

On Sept. 20, it will be easy to set up and manage your account:

- Log-in to [www.att.com/alist](http://www.att.com/alist).
- Select "Features" and then select "A-List."
- Select "Edit." You can now add your A-List phone numbers as well as assign names or nicknames.
- Once you've completed your A-List, select "Save."
- You can make modifications to your A-List at anytime. Simply log-in at [www.att.com/alist](http://www.att.com/alist). Be sure to allow 24 hours for the changes to take effect on your account.
