

Solstice™

SALES SHEET

The new Samsung Solstice™ won't just help you keep up with friends, it'll keep you one step ahead of them. This sweet touch screen is super social—and super fast. So you can text in no time, post to MySpace at a blazing pace and book it on Facebook in seconds flat. The Solstice also lets you snap pics, send email and texts, and get GPS directions to wherever you're meeting your crew. That's what makes the Solstice the ultimate social networker. Packed with features but easy on your budget, it's the one phone all others will have to catch up to.
