

Dear Customer,

Thank you for asking about our broadcast network service for your mobile vehicle. We offer our mobile customers DNS (distant network service) programming of ABC, CBS, FOX and NBC network feeds from New York or Los Angeles, along with a CW network feed from Washington DC, or San Diego and a PBS feed. This 6-station Mobile DNS package is available for \$15.00 per month.

We look forward to providing you with these DNS Network services. However, before we can add the DNS networks to your mobile vehicle receiver, **federal law requires that you send us the following information:**

1. Photocopy of your **vehicle registration**
2. **Mobile Vehicle Declaration of Intent form** (Form enclosed).
3. Photocopy of **commercial driver's license** (if you are requesting service for a commercial vehicle).
4. **Application for a New Mobile Vehicle Account form** (This form is required if your residential account has more than one receiver and one of those receivers is located in your mobile vehicle. Form enclosed).

**What you need to know before you send us this information:**

1. The federal law does not allow DNS programming authorized for a mobile vehicle to be viewed on receivers located in your permanent residence. If you have, or plan to have, receivers in both your home and mobile vehicle, you must have a separate DIRECTV account for each location.
2. To take advantage of some DIRECTV services, you must keep your system receiver continuously connected to a land-based phone line. Because this continuous connection is not possible for systems in vehicles, Mobile Vehicle service does not include the ability to order/view pay per view movies/events with your remote.

When you return all the paperwork listed above, we will review your account. If we need to create a new account for your mobile vehicle, we will remove the mobile vehicle receiver(s) from your residential account and activate the programming packages you have selected on the completed Application for a New Mobile Vehicle Account form. The programming on your residential account will not change.

You may suspend your residential account or Mobile Vehicle account up to 4 times per calendar year. Each suspend request must be for a minimum of 30 days and can not exceed 6 months.

If these terms and conditions are acceptable, please send your information to:

**DIRECTV**  
**Attn: Mobile Network Services**  
**P.O. Box 6550**  
**Greenwood Village, CO 80155-6550**

Please allow 11 to 14 days for us to verify that the information is complete, create a second account (if applicable) and activate the Mobile DNS programming. Once your programming is activated, your **dish must be pointed to the satellite located at 101 degrees West longitude**, or your system will not be able to receive the signals.

If you are not receiving DNS programming after 14 days, first check to make sure your dish is pointed to the correct position. If you still are not receiving the signals, then please contact us at 1-800-531-5000. We look forward to receiving your information and bringing you broadcast network services.

Sincerely,  
DIRECTV Mobile Network Services

## Mobile Vehicle Declaration of Intent – Distant Network Services

I \_\_\_\_\_, am a DIRECTV customer.

My DIRECTV account number is \_\_\_\_\_.

I intend to subscribe to Distant Network Services from DIRECTV for use on the vehicle ascribed

registration number \_\_\_\_\_ in the state of \_\_\_\_\_

for the term from \_\_\_\_\_ until \_\_\_\_\_. (Attached is a copy of the current registration for this vehicle).

I attest that the satellite antenna to be used to receive this programming is attached to, and the system receiver is located in, this vehicle (which is a motor vehicle or commercial truck and not a boat or any other kind of marine vessel), and is not intended for use in a fixed dwelling residence. I understand that the misuse of this equipment will result in the termination of my Distant Network Service programming and could lead to legal action taken against me.

Name (Print) \_\_\_\_\_

Signature \_\_\_\_\_

Date \_\_\_\_\_

---

*Please return this completed Declaration of Intent form, along with  
a copy of your current vehicle registration, to the address below.  
Commercial truck operators must also submit a copy of their current commercial driver's license.  
If required, please also return the Application for a New Mobile Vehicle Account form.  
Keep copies for your records.*
