- Moving your line or number from Cricket or AT&T PREPAIDSM doesn't qualify as a new line.
- Other phone discounts apply.
- Keep in mind, both lines have to remain active and in good standing throughout the offer to have all bill credits applied to your account.
- You're responsible for paying:
 - A \$30 activation fee
 - The taxes on the full price of the smartphone at the point of sale
- Device back-ordered or shipment delayed? Transferring a number? Good news! You can still qualify for this offer. Just reserve your phone number in advance.

Bill credits

If you meet all the offer requirements, you'll get monthly bill credits to bring your phone down to the listed prices. Your monthly bill credits start within 3 bill periods. Until then, be sure to pay your bill in full. Otherwise, late fees may apply to any unpaid amount.

- When the credit starts, it'll show as smartphone promo on your bill.
- The first credit will equal the installment payments you've already paid.

If you purchase a free or discounted phone with a down payment, you're still responsible for the down payment. You'll get it back as part of the monthly bill credit.

Heads up: If you voluntarily suspend your service, we'll pause your credits until you activate the line again.
