

Qualify for the free internet for life 50Mbps offer (2018)

Get free internet for life (up to 50 Mbps). Offer expired on September 6, 2018.

Offer summary

Want to get free internet for life (up to 50 Mbps)? You just needed to transfer a number from an eligible carrier and sign up for the AT&T Unlimited &MoreSM Premium plan. Or, use your monthly \$30 credit toward a faster speed tier over 50 Mbps.¹

Have a wireless account? Then you should know:

- This limited-time offer was only available in the Chicago area.
- If you had an active transferred number on an AT&T Unlimited Plus EnhancedSM plan, you could have kept that plan or switch to Unlimited &More Premium.

Offer details

To qualify have qualified for free internet for life, you have to:

- Switch your wireless number to AT&T from an eligible carrier, which excludes Cricket and AT&T PREPAIDSM.
- Get the Unlimited &More Premium plan within 30 days of activating your wireless number.
- Live in the Chicago area in an eligible ZIP Code.
- Sign up for or have current AT&T Internet service with a speed of up to 50 Mbps.

- Pay the activation or installation fee, and any service taxes on your bill.
- Maintain the transferred number and have the same billing address for your Internet and wireless accounts. Combined billing isn't required.
- Continue to live in an eligible Chicago area. Or, switch your service to an eligible state at an address that can get AT&T Internet service.

Important details

1. **Free internet offer: Ended September 6, 2018.** Get free monthly bill credits for your Internet service when you switch to a new line on AT&T Unlimited &More Premium. Credits will never exceed your monthly recurring charge for Internet service. Requires a transferred wireless line from an eligible carrier (excludes Cricket, AT&T PREPAID, and select others). Tablets or wearables are excluded. You must enroll in AT&T Unlimited &More Premium within 30 days of wireless activation. Offer is available to new and existing residential AT&T Internet customers. Existing Internet customers will be migrated to a qualifying speed tier and plan, if eligible. Customers who are on or choose Internet plans above Internet 50 will receive a maximum monthly bill credit of \$30 per month, in which case the service will be discounted, not free. You must maintain the transferred line to continue to receive promotional benefit. Customers who lose eligibility for the promotion will pay the then-current rate for Internet service or the rate paid for Internet prior to the promotion. DSL customers may be able to upgrade to a qualifying Internet service to be eligible. AT&T employees, retirees, and residents of select multi-dwelling units aren't eligible. This offer may not be combined with other offers.

AT&T Internet: Residential customers. A 12-month term commitment may be required for new Internet customers. Pricing includes Wi-Fi gateway. Prorated Early Termination Fee (\$180 max) applies if Internet is disconnected before the end of 12 months. Credit restrictions apply. **Activation or installation:** Customer must pay the \$35 activation (self-install) or \$99 installation (full tech install) fee. **Pricing subject to change. Subject to Internet Terms of Service at att.com/internet-terms.**

AT&T Unlimited & More Premium plan: Available to residential U.S. consumers. Enroll in both AutoPay and paperless billing to get discount within 2 bills (\$10 per month for single line and \$20 per month for multi-lines). Pay full plan cost (up to \$110 per month) plus per-device access charges until discount starts. AT&T employees, retirees, and IMO consumers aren't eligible for discount. **Multiple phone line discount:** Monthly \$10 (3 lines) or \$20 (4 or more lines) discount applied to plan charge. **Limits: After 22GB of data usage on a line in a bill period, a customer may temporarily experience reduced wireless speeds for the remainder of the period on that line during times of network congestion.** Select devices only; max 10 per plan. See att.com/unlimited for plan details and pricing. **Wireless streaming:** Plan includes Stream Saver®, which limits wireless streaming to max of 1.5 Mbps (to stream in HD up to 1080p when available, turn Stream Saver off). Details at att.com/stream saver. Streaming ability and resolution vary and are affected by other factors. **Tethering or mobile hotspot:** Includes up to 15GB per line per month. After 15GB, tethering speed slows to max of 128 Kbps except for in-car Wi-Fi.

Offer, programming, pricing, terms, and restrictions are subject to change and may be discontinued at any time without notice.

General wireless: Subject to Wireless Customer Agreement at att.com/wca. Service not for resale. Credit approval, deposit, activation and other fees, and monthly and other charges per line apply. See plan details and att.com/additionalcharges for more info. Coverage and service not available everywhere. International and domestic off-net data may be at 2G speeds. Other restrictions apply and may result in service termination. AT&T service is subject to AT&T network management policies. See att.com/broadbandinfo for details.
