

AT&T

The AT&T contracts with the programmer for the content displayed on U-verse service periodically expire, or may be terminated, but are usually re-negotiated or extended with no interruption or change for our U-verse members. Additionally, from time to time it is necessary to change channel line-ups as well as television package contents. The programming changes set forth below may occur as follows:

April 2019

As previously noticed, the AT&T contract with the programmer for the following channels is set to expire. While these channels will continue to be available to U-verse members so long as AT&T has the rights to carry them, if a reasonable agreement cannot be reached with the programmer the programming will no longer be available. AT&T may modify the channel location for the programming by moving them from their current channel location to a channel between 9501 – 9599, and if a reasonable longer term agreement cannot be reached with the programmers, we may lose the rights to carry them (listed in alphabetical order) on or after April 2019: A&E (channel 132 and 1132 in HD); A&E – West (channel 132 and 1132 in HD); Crime & Investigation Network (channel 163 and 1163 in HD); FYI (channel 272 and 1272 in HD); FYI - West (channel 272 and 1272 in HD); EVINE Live and EVINE Live in HD; GMA Pinoy (channel 3683); History (channel 256 and 1256 in HD); History – West (channel 256 and 1256 in HD); History en Espanol (channel 3104 in HD); Lifetime Real Women (channel 364); Lifetime Television (channel 360 and 1360 in HD); Lifetime Television - West (channel 361 and 1361 in HD); LMN (channel 362 and 1362 in HD); LMN – West (channel 362 and 1362 in HD); MBC America (channel 3643); Military History Channel (channel 276); NFL Network (channel 630 and 1630 in HD); NFL RedZone (channel 1629 in HD); Sportsman Channel (channel 642 and 1642 in HD); Viceland (channel 257 and 1257 in HD); Viceland - West (channel 257 and 1257 in HD); World Fishing Network (channel 1679 in HD).
