

CALIFORNIA PROPOSITION 65 WARNINGS FOR DIRECTV AND UVERSE PRODUCTS

WARNING: Products installed may include products with required warnings under California Proposition 65 (“Prop 65”) as determined by the manufacturer. Prop 65 requires warnings for products that can expose individuals in California to chemicals known to the State of California to cause cancer or birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov. If a warning applies, the manufacturer typically places it on the installed product itself or the product packaging. You also can look on your installed products to identify the model or part number and then refer to the chart below to determine if a warning applies.
