Bonus data eligibility and info

Already have AT&T PREPAID or a Multi-Line account? You're eligible for the same 4GB bonus data offer¹ too. Just purchase a new phone in store at Walmart after August 3, 2018. If you already have a Multi-Line account with at least 2 lines on the \$45 monthly plan you're set.

You'll get your 4GB Bonus data on each eligible line after every renewal starting the second month.

1. Activate all lines. Don't add money yet.
2. Choose a line to be the account owner.
3. Sign in to [myAT&T](#), and select **Multi-Line discount** from the menu.
4. Follow the prompts to set up group and add other lines. You can also enroll in AutoPay to save up to \$10 more on every line each month.
