AT&T U-VERSE® TV AND AT&T PHONE GENERAL TERMS OF SERVICE

Effective January 2019

1. GENERAL AGREEMENT

The following Terms of Service, including any schedules hereto and any terms incorporated herein by reference (referred to as "TOS" or "Agreement") are between you, the customer, and one of the following AT&T companies, depending upon your service address: Southwestern Bell Telephone Company; Pacific Bell Telephone Company; Illinois Bell Telephone Company, LLC; Indiana Bell Telephone Company, Incorporated; Michigan Bell Telephone Company; Nevada Bell Telephone Company; The Ohio Bell Telephone Company; Wisconsin Bell, Inc.; or BellSouth Telecommunications, LLC (each individually and collectively referred to as "AT&T"). The TOS constitute a legal document that details your rights and obligations as a purchaser of AT&T Phone service (f/k/a AT&T U-verse Voice) and/or AT&T U-verse TV service (individually and collectively referred to as "Services").

If you purchase AT&T Phone service, your TOS include the General Terms of Service set forth herein, and the attached Schedule 1. If you purchase AT&T U-verse TV service, your TOS include the General Terms of Service set forth herein and the attached Schedule 2. Your TOS also include the Acceptance Form for Terms of Service for Purchase and Use of AT&T Phone service and/or AT&T U-verse TV provided to you when Services are installed. Your TOS will continue to apply to your Services when they are transferred from one location to another.

PLEASE READ THIS AGREEMENT CAREFULLY TO ENSURE THAT YOU UNDERSTAND EACH PROVISION. THIS AGREEMENT REQUIRES THE USE OF ARBITRATION ON AN INDIVIDUAL BASIS TO RESOLVE DISPUTES, RATHER THAN JURY TRIALS OR CLASS ACTIONS, AND ALSO LIMITS THE REMEDIES AVAILABLE TO YOU IN THE EVENT OF A DISPUTE.

You must accept these TOS as a condition of receiving the Services. For purposes of these TOS, "you" and "your" refer to the person purchasing the Services. "We," "our," "us," refer to AT&T.

AT&T will comply with all applicable federal, state and local laws, to the extent that such laws apply to AT&T and its obligations under the TOS. If there is any conflict between the TOS and such applicable law, such applicable law controls. These conflicts could include, but are not limited to, fees and charges for service, billing and payments, notices, and your rights and remedies.

Legal Authority. You must be an adult over the applicable age of majority (e.g., eighteen (18) years of age in most U.S. states and territories; nineteen (19) in Alabama and Nebraska; and twenty-one (21) in Mississippi and Puerto Rico – an "Adult") to purchase the Services as an individual or to accept these TOS as an authorized representative for the person or entity who purchases the Services. By accepting these TOS, you confirm you are an Adult. If you are an entity, by accepting these TOS, you confirm (through your duly authorized representative) that you are a corporation, partnership, or other legal entity duly formed (and incorporated if applicable) in good standing where required to do business with all legal authority and power to accept these TOS; and you are also confirming that these TOS constitute a valid and binding obligation of yours. All use of the Services, whether or not authorized by you, shall be deemed for your use. You are responsible for ensuring that all use of the Services complies with these TOS.

By enrolling in, activating, using, or paying for the Services, you agree to the terms and conditions in these TOS, including but not limited to the prices, charges, and terms and conditions provided to you in marketing and informational materials associated with the Services and on the AT&T U-verse website, all of which are incorporated herein by reference. If you do not agree to all of the aforementioned terms and conditions, do not use the Services, and cancel the Services immediately by calling AT&T at 800.288.2020.

Updates. These TOS may be updated or changed from time to time. You can review the most current version of these TOS at any time at: att.com/uversetermssofservice. If AT&T makes a change to these TOS and that change has a material impact on the Services, you will be provided notice of that change, and such notice will be provided consistent with Notice provisions of this TOS. Your continued use of the Services following such notice constitutes your acceptance of those changes.

Special Arrangements. Some customers may receive the Services through a special arrangement with their property owner or manager. If you have such an arrangement, these TOS shall apply to the Services, except that AT&T may not directly charge you for Services (including Equipment) provided to you as part of the special arrangement, and the Equipment return provisions may not apply to you even though Equipment remains AT&T-owned. You will be responsible for fees and charges associated with additional Service orders. You may have an additional agreement or contract with your property owner or manager that covers any applicable special arrangement. Any such additional agreement or contract is outside these TOS and AT&T is not responsible for

nor bound by the terms of any agreement you may have with your property owner or manager. If the special arrangement with your property owner or manager terminates, you will continue receiving Service under standard billing terms and these TOS unless you notify AT&T.

2. ACCEPTABLE USE AND PRIVACY POLICIES

Use of the Services is subject to the AT&T Acceptable Use Policy (available at <http://www.corp.att.com/aup>), which is incorporated herein by reference. Once you have purchased the Services you will have an account with AT&T ("AT&T Account"). Your AT&T Account will include information applicable to the Services including but not limited to billing information and charges related to the Services (whether recurring or one-time). If you have, or later obtain, a user ID, you are subject to the user ID Terms and Conditions (available at <http://www.att.com/accessidterms>), which are incorporated herein by reference. The AT&T Privacy Policy, which is incorporated herein by reference and is available online at <http://www.att.com/privacy>, addresses AT&T's use of account information and other information specific to your use of AT&T Services.

AT&T U-verse Services are provided for your non-commercial personal use only, and for your enjoyment in a private residential dwelling/office unit. You agree not to reproduce, duplicate, copy, sell, transfer, trade, resell or exploit for any commercial purposes any portion of the Services, use of the Services, or access to the Services. Further, you agree that the AT&T U-verse TV service will not be viewed in areas open to the public or in commercial establishments and that your AT&T U-verse TV service may not be rebroadcast, nor performed, nor may admission be charged for listening to or viewing AT&T U-verse TV service.

3. INSTALLATION/SERVICE

You will be responsible for payment of service charges for visits by AT&T or its subcontractors to your premises when a service request results from causes not attributable to AT&T or its subcontractors, including, but not limited to, when you are unwilling to complete troubleshooting steps requested by AT&T. You will provide AT&T and its subcontractors with reasonable access to your premises in order to install, maintain, and repair the Service and you authorize any other Adult resident or guest at your residence to grant access to your premises for these purposes. You understand and agree that by authorizing an Adult resident or guest to grant access to your premises you authorize any such Adult to act on your behalf, including accepting this TOS and any related agreements required in connection with the completion of the installation and/or the activation of the Service and approving any changes to the Services. You further understand and agree that AT&T may drill, cut, and otherwise alter improvements on the premises (including walls, flooring, and/or other surfaces) in order to install, maintain, or repair the Service. If you do not own your premises or your unit is part of a multi-tenant environment (e.g., apartment building, condominium, private subdivision), you warrant that you have obtained permission from any necessary party, including but not limited to the owner, landlord, or building manager, to allow AT&T and its subcontractors reasonable access to install, maintain, and repair the Service and to make any alterations AT&T deems appropriate for the work to be performed.

You acknowledge that AT&T may use existing wiring, including altering the wiring and removing accessories, located within your unit ("Inside Wiring"). You warrant that you own or control the Inside Wiring, and give AT&T permission to use, alter, and remove equipment from, such wiring. Without limiting any other provisions of this TOS, you agree to indemnify AT&T from and against all claims by an owner, landlord, building manager, or other party in connection with installation, maintenance, repair, or provision of the Services.

4. FEES AND CHARGES

Agreement to Pay. You agree to pay all fees and charges for the Services associated with your AT&T Account, including recurring and nonrecurring charges, taxes, fees, surcharges, and assessments applicable to the Services, associated equipment, installation and maintenance, and including all usage and other charges associated with your account. For a list of additional charges and fees that could apply to the Service, please see www.att.com/VoiceUverseTVFees ("Fee Schedule"). The Fee Schedule is incorporated into this TOS by this reference. AT&T reserves the right to change fees and charges, increase or decrease fees and charges, or impose additional fees or charges without notice. In order to provide you with the Services, AT&T may pay taxes, fees, and surcharges to municipalities and other governmental entities, which AT&T may pass on to you.

Late Payment Charge and Dishonored Check or Other Instrument Fee. You agree that for each bill not paid in full by the payment due date, a Late Payment Charge of no more than \$10 per bill will be assessed (subject to applicable law and except as may otherwise have been expressly agreed in writing). Please see the Fee Schedule to determine the Late Payment Charge amount applicable to your particular Service(s). For any check or other instrument (including credit card charge backs) returned unpaid for any reason, you will be charged a NSF/Returned Check Fee of no more than \$30 (subject to applicable law and except as may otherwise have been expressly agreed in writing). Please see the Fee Schedule to determine the NSF/Returned Check Fee amount applicable to your particular Service(s).

Unpaid Past Due Charges and Consent to Contact. In the event you fail to pay AT&T or AT&T is unable to bill charges to your credit card, AT&T may assign unpaid late balances to a collections agency. You expressly authorize, and specifically consent to allowing, AT&T and/or its outside collection agencies, outside counsel, or any other agents acting by or on behalf of AT&T to contact you with informational messages regarding your account, including but not limited to contact in connection with any and all matters relating to unpaid past due charges billed by AT&T to you. You agree that such contact may be made to any mailing address, telephone number, cellular phone number, e-mail address, or any other electronic address that you have provided, or may in the future provide, to AT&T and to any and all telephone numbers billed on your account. You expressly consent and agree that such contact may be made using, among other methods, pre-recorded or artificial voice messages delivered by an automatic telephone dialing system, text messages delivered by an automated system, pre-set e-mail messages delivered by an automatic e-mailing system, or any other pre-set electronic messages delivered by any other automatic electronic messaging system. You agree to provide true, accurate, current and complete contact information to AT&T and its authorized agents and to promptly update your contact information to keep it true, accurate and complete.

Changes to Fees & Charges. If you signed up for Services for a specified term, you agree that if you cancel your plan before the end of the term, you will pay any applicable Early Termination Fee. At the conclusion of your term, AT&T will automatically begin charging the applicable month-to-month fee. If you purchased the Services as part of a bundled offering with one or more other products and are receiving a discount based upon that bundled offering, your discount may cease and you may be billed the standard monthly rate for the Services if you change or disconnect one or more of the services in the applicable bundle. AT&T may, upon notice required by applicable laws, at any time change the amount of or basis for determining any fee or charge or institute new fees or charges.

Data Usage. Use of certain services, including but not limited to AT&T U-verse TV features and apps, AT&T Digital Life, home security, home automation and medical alarm systems, will count towards your internet usage allotment. For more information about the use of your residential High Speed Internet Service and the data plans that may apply to your service, how much data you use, and management of your data usage, please refer to www.att.com/internet-usage.

5. BILLING AND PAYMENTS

Credit Card Authorization. You may be asked to provide us with a valid email address and a credit card number from a card issuer that we accept in order to activate your Services. You hereby authorize AT&T to charge and/or place a hold on your credit card with respect to any unpaid charges related to the Services. You authorize the issuer of the credit card to pay any amounts described herein without requiring a signed receipt, and you agree that these TOS are to be accepted as authorization to the issuer of the credit card to pay all such amounts. You authorize AT&T and/or any other company who bills products or services, or acts as billing agent for AT&T to continue to attempt to charge and/or place holds with respect to all sums described herein, or any portion thereof, to your credit card until such amounts are paid in full.

You agree to provide AT&T with updated credit card information upon AT&T's request and any time the information you previously provided is no longer valid. You are solely responsible for maintaining and updating the credit card information. Without limiting the applicability of any other provisions of this TOS, you acknowledge and agree that neither AT&T nor any AT&T affiliated company will have any liability whatsoever for any non-sufficient funds or other charges incurred by you as a result of such attempts to charge, and/or place holds on, your credit card. If you mistakenly provide a debit card number, instead of a credit card number, you authorize all charges described herein to be applied to such debit card unless and until you provide a credit card number. In the event you are enrolled, or later enroll, in an automatic payment or electronic funds transfer plan, you authorize AT&T to charge the account number provided for such automatic payment or electronic funds transfer plan. To cancel your authorization for automatic payment or electronic funds transfer, you must call 800.288.2020. You should also contact your card issuer or financial institution to advise that you have cancelled your enrollment. Also, if you opt out of automatic payment or electronic funds transfer, you may lose the benefits of any promotion(s) that requires such payments or transfers pursuant to the terms of the applicable promotion(s) and subject to applicable law.

Deposits, Fees and Limits. We may require you to make deposits for Services, which we may use to satisfy your initial bill for Services, to offset against any unpaid balance on your account, or as otherwise set forth in these TOS or permitted by law. Interest will not be paid on deposits unless required by law. We may require additional deposits if we determine that the initial payment was inadequate. Upon determination solely by AT&T of satisfactory payment history or as required by law, AT&T may begin refunding of the deposit through bill credits, cash payments, or as otherwise determined solely by AT&T.

Based on your creditworthiness, a non-refundable fee may be required to establish service and we may require

you to enroll, and remain enrolled, in an automatic payment or electronic funds transfer plan. We may establish additional limits and restrict service or features as we deem appropriate. If your account balance goes beyond the limit we set for you, we may immediately interrupt or suspend service until your balance is brought below the limit. Any charges you incur in excess of your limit become immediately due.

Payment Cycle and Cancellation. Billing for the Services commences when AT&T has provisioned the Services. Recurring charges for each month's Services will be billed one month in advance. Billing is based on a 30-day cycle. Non-recurring and usage-based charges for the Services generally will be billed in the billing cycle following the transaction. Your first bill for Services may include pro-rated charges for a partial monthly period prior to the beginning of your first monthly billing cycle. Upon termination, subject to applicable law, your effective date of cancellation will be the last day of your current billing cycle and you will receive Service until the end of your billing cycle (exceptions may apply to certain promotional periods and must be in writing). You will not receive a prorated credit or refund for any remaining days of Service in your billing cycle after termination. Your Service will continue until the end of the bill cycle. A downgrade fee may apply if you make changes to your Service within thirty (30) days of Service provisioning or later programming orders.

Method of Billing/Payment. Fees and charges for the Services will be billed to your AT&T Account. **You will receive an online bill for the Service, unless you specifically notify us that you want to receive a paper bill for the Services (at 800.288.2020).** You must register online to establish a personal AT&T My Account and provide a billing email address. You will then be able to view and pay your bill online by logging on to your personal AT&T My Account (username and password required). You understand that you have sole responsibility for the security of your password and you are solely responsible for notifying AT&T if your password is lost or stolen. AT&T is not liable for any claims, costs, damages, or expenses arising from a lost, misplaced, or stolen password. If you forgot your password or want to change your password for any reason, you may request to reset your password online. It is your responsibility to notify AT&T immediately if your contact information changes.

Bill Inquiries and Refunds. If you believe you have been billed in error for the Services, please notify us within 60 days of the billing date by contacting Customer Service (800.288.2020). AT&T will not issue refunds or credits after the expiration of this 60-day period, except where required by law or regulation. Any amounts refunded in the form of bill credits, cash payments or any other form shall be inclusive of all applicable taxes, fees and surcharges that were originally paid on such amounts. Credit amounts, such as customer loyalty rewards, that do not represent a refund of, or a discount to, the price paid for any good or service will not result in the refund of any tax, fee, or surcharge previously paid by the customer.

Refunds. You authorize AT&T to use outside payment processing agencies or other companies for purposes of paying any refund owed to you, and you further authorize AT&T to sell, assign or otherwise transfer its refund rights and obligations under this Agreement to outside payment processing agencies or other companies. You agree that we or the outside payment processing agency or other company that is responsible for your refund may determine in our or, if applicable, their sole and absolute discretion the form of any refund that we issue to you under this Agreement, and such form may include a credit on your next statement, a check, or a prepaid debit card that may be subject to monthly service fees not to exceed \$2.95 per month and that are deducted from the amount of the refund.

Promotions and Contingent Benefits. You may receive or be eligible for certain discounts, features, promotions, and other benefits associated with your purchase of the Services as offered to you in marketing and informational materials, on the AT&T U-verse website, or in other materials ("Benefits"). Any and all such Benefits are provided to you so long as you continue to meet qualification requirements; provided, however, such Benefits may be modified or terminated at any time as set forth in these TOS or if you change your Services after installation. Unless otherwise set forth in Benefits materials, standard monthly rates will be charged at the conclusion of the Benefits period or when you no longer qualify for the Benefits.

6. EQUIPMENT

Equipment provided by AT&T may be new or fully inspected and tested. Any equipment or software that was not provided to you by AT&T, including batteries, is not the responsibility of AT&T, and AT&T will not provide support, or be responsible for ongoing maintenance of such equipment. Depending on your service address, your Services will include one of the following Equipment configurations:

- a. A Wi-Fi® Gateway ("WG") located inside your premises, and certain service-specific equipment set forth in Schedule 1 and/or Schedule 2 that is required for the Services to function (the WG and service-specific equipment herein collectively referred to as "Equipment"). If you do not purchase the Equipment from AT&T, you agree to pay a monthly equipment fee for the Equipment as part of your purchase of the Services for the duration of your receipt of the Services. Equipment fees may be included in your monthly charge for the Services or be charged separately (different taxes and surcharges may apply to the equipment fees, Service fees, and/or the equipment fee portion of the Service fees). Equipment fee/purchase options

depend on the AT&T U-verse Services you order and installation options you choose. The Equipment requires electrical power from your premises to operate, which you are responsible for providing.

b. If you have an WG inside your premises, you may also have an Optical Network Terminal (“ONT”), which is a box that may be located inside your premises, on the outside of your premises, in a central location in a multi-tenant building, or in your garage, where AT&T’s fiber network terminates. The ONT also requires electrical power from your home to operate, which you are responsible for providing. AT&T will install your ONT device. The ONT power supply box converts the AC power in your home to the DC power required by the ONT.

c. If you do not have an WG located inside your premises, your service is provided by an Intelligent Network Interface Device (“iNID”) and certain service specific equipment set forth in Schedule 1 and/or Schedule 2 that is required for the Services to function (the iNID and certain service-specific equipment therein collectively referred to as “Equipment”). If you do not purchase the Equipment from AT&T, you agree to pay a monthly equipment fee for the Equipment as part of your purchase of the Services for the duration of your receipt of the Services. Equipment fees may be included in your monthly charge for the Services or be charged separately. Equipment fee/purchase options depend on the AT&T U-verse Services you order and the installation options you choose. The iNID includes three components: (1) a unit typically located on the outside of your premises or in your garage where the AT&T network terminates (the outside unit); (2) a home networking hub, which provides wireless networking capability and is located inside your premises, (the inside unit); and, (3) a power supply unit, typically located in a sheltered area either inside your premises or in an attached structure. You are responsible for providing the electrical power for the iNID.

Battery Backup for WG. It is your responsibility to provide your own battery backup. You may choose to purchase battery backup for your WG from third party manufacturers or retailers. For more information and minimum specifications visit att.com/batterybackup also see Schedule 1, section IV, for more information on Power Outages and No Battery Backup.

Battery Backup for ONT. It is your responsibility to provide for your own battery backup. You may choose to purchase battery backup for your ONT from third party manufacturers or retailers. You agree to read and follow all manufacturer or vendor directions for the replacement and recycling of battery backup. For more information and minimum specifications visit att.com/batterybackup.

Battery Backup for iNID. If there is an iNID at your premises AT&T provided the initial battery backup. All subsequent battery backups are the responsibility of the customer at the premises. For more information and minimum specifications visit att.com/batterybackup also see Schedule 1, section IV, for more information on Power Outages and No Battery Backup.

AT&T reserves the right to manage the AT&T Equipment during the time you are an AT&T customer and retains exclusive rights to data generated by the Equipment. Neither you nor a third party may change, interfere with, or block access to the Equipment data or settings. AT&T will repair or replace damaged Equipment as AT&T deems necessary. You understand that repair or replacement of the Equipment may delete stored content, reset personal settings, or otherwise alter the Equipment. If the Equipment was damaged due to your intentional acts, negligence, or use inconsistent with the TOS as determined by AT&T, you will be responsible for the price of repair or replacement. Any tampering with the Equipment, including, for example, opening and attempting to modify the Equipment, or attempting to connect the Equipment to other hardware, will be treated as damage due to your intentional acts or negligence. You agree that you will use the Equipment only for its intended residential use, and not for any other purpose (such as on another AT&T network, or on another provider’s (non-AT&T) network). You agree to use appropriate and reasonable care in using any and all Equipment.

AT&T will not provide support for, or be responsible for, ongoing maintenance or management of, customer-owned equipment, including the battery backup equipment used by AT&T customers. For more information and minimum specifications visit att.com/batterybackup.

Return of Equipment. Upon termination of the Services for whatever reason, you must return the Equipment, undamaged, within 21 calendar days to AT&T. If the Equipment is not returned within 21 calendar days, or is returned damaged, you will be charged for the value of the Equipment. We may retain any advance payment or deposit, or portion thereof that previously had not been refunded, if you fail to return the Equipment within this time period. If the Equipment is returned within 90 days of termination, any fees charged for the Equipment will be refunded (other than fees for damages). No refunds will be made for any Equipment returned more than 90 days after termination. In addition to termination of service, these return of equipment provisions apply if your existing equipment is replaced or upgraded for any reason.

7. INDEMNITY

You agree to indemnify and hold AT&T and its subsidiaries, affiliates, directors, officers, agents, and employees harmless from any claim, demand, action, citation, or legal proceeding, including, but not limited to, those arising

out of or resulting from the death or bodily injury of any person, or the damage, loss, or destruction of any real or tangible personal property, or for reasonable attorneys' fees (except as provided in paragraph 11(e) below), made by any party against AT&T, its subsidiaries, affiliates, directors, officers, agents, and employees arising out of or related to your use of or inability to use the Services, your connection to the Services, the provisioning or alleged failure to provision the Services, a violation of any provision of this TOS, or your violation of any rights of another.

8. INTERRUPTIONS, LIMITATIONS, AND MODIFICATIONS TO SERVICE

Service may be temporarily interrupted or otherwise limited for a variety of reasons; some beyond the control of AT&T. AT&T reserves the right to refuse credit allowances for interruptions of Service. AT&T also reserves the right to modify or discontinue, temporarily or permanently, at any time and from time to time, the Services (or any function or feature of the Services or any part thereof) without liability. You acknowledge that AT&T may establish general practices and limits concerning use of the Services, including without limitation, the limits set forth in the attached Schedule 1 and Schedule 2.

IP Network Interruptions. You acknowledge and understand that the Services will not function in the event of an IP network interruption.

9. ACCOUNT SECURITY

Customer Duty. You agree to keep confidential all passwords, user IDs, IP addresses, and other account identifiers and are solely responsible for any liability or damages resulting from your failure to maintain that confidentiality. You are solely and fully responsible and liable for all activities that occur under your AT&T Account, password, user ID, or IP address. You agree to: (a) immediately notify AT&T if you suspect any breach of security such as loss, theft, public use (unrestricted, open, communal or shared use by third parties unrelated and/or not affiliated with the Customer either for profit or not for profit) or unauthorized disclosure or use of your AT&T Account, password, user ID, or any credit or charge card number provided to AT&T by calling 800.288.2020; (b) ensure you exit from your account as applicable at the end of each session; and (c) periodically change your password.

Account Access. You authorize AT&T to provide information about and to make changes to your AT&T Account, including adding new service, upon the direction of any person able to provide information we deem sufficient to identify you.

Assumption of Risk. There is a risk that other users may attempt to access your Services, such as through the Internet or connected networks. You acknowledge this risk as inherent to the shared nature of the Services and you agree to take full responsibility for taking adequate security precautions and safeguarding your data.

Theft of AT&T Equipment or Service. You agree to notify AT&T immediately, in writing or by calling the AT&T customer support line, if the Equipment is stolen or if you become aware at any time that Services are being stolen or fraudulently used. When you call or write, you must provide your AT&T Account number and a detailed description of the circumstances of the Equipment theft, including documentation of theft (e.g., a copy of a police report) or stolen or fraudulent use of the Services. You will be responsible for all charges incurred on your AT&T Account until you report the theft or fraudulent use of the Services. You will be responsible for stolen Equipment, however, AT&T may in its sole discretion waive or reduce charges for stolen Equipment upon submission of documentation of theft or other circumstances. Failure to provide notice to AT&T of theft in a timely manner may result in the termination of your Services and additional charges to you. Unless notified otherwise by AT&T, after you report the theft or fraudulent use of the Services, you will remain responsible for paying your monthly fees for Services not stolen or fraudulently used.

10. SUSPENSION AND TERMINATION

Reduction/Suspension/Termination by AT&T. Your Services may be reduced, suspended or terminated if your payment is past due. AT&T may also reduce, suspend or terminate your Services if it is determined that there is previously unpaid, undisputed and outstanding debt for Service(s). Such reduction, suspension or termination may continue until satisfactory arrangements have been made for the payment of all past unpaid charges. While your Service(s) are suspended you will not receive automatic credit balances (if any are due) and billing will continue for your monthly charges, and any applicable promotional offers may be discontinued and revoked as determined solely by AT&T.

Minimum Service Fee. When your U-verse TV Service is suspended for non-payment, you will be placed in a minimum service package with reduced programming, for a one-time flat fee of \$9.99 ("Minimum Service Charge") subject to applicable law and except as may otherwise have been expressly agreed in writing. If AT&T reduces or suspends your Service for non-payment, you must pay all past due amounts in order to resume your U-verse TV Service at any level above the minimum service package.

Restoral Fee. In addition, to resume your Service at any level above the minimum service package you must also

pay an account Restoral Fee of \$35 (subject to applicable law and except as may otherwise have been expressly agreed in writing). The Restoral Fee will be assessed on the next monthly bill you receive following the resumption of Service from the minimum service package.

AT&T may immediately terminate all or a portion of your Service or reduce or suspend Service, without notice, for conduct that AT&T believes (a) is illegal, fraudulent, harassing, abusive, or intended to intimidate or threaten; (b) constitutes a violation of any law, regulation, or tariff (including, without applicable policies or guidelines (including the Acceptable Use Policy), and AT&T may refer such use to law enforcement authorities without notice to you. Termination of suspension or reduction by AT&T of the Services also constitutes termination or suspension (as applicable) of your license to use any Software, if applicable.

Contacts to Terminate Service. You may terminate the Services at any time by calling 800.288.2020. You must pay service fees and other charges incurred through the termination date, including any Early Termination Fees that apply. If you lease your Equipment, you may also be charged the value of any Equipment that is not returned in accordance with Section 6.

11. DISPUTE RESOLUTION WITH AT&T BY BINDING ARBITRATION PLEASE READ THIS CAREFULLY. IT AFFECTS YOUR RIGHTS.

Most customer concerns can be resolved quickly and to the customer's satisfaction by calling AT&T at 800.288.2020. **In the unlikely event that AT&T's customer service department is unable to resolve a complaint you may have to your satisfaction (or if AT&T has not been able to resolve a dispute it has with you after attempting to do so informally), we each agree to resolve those disputes through binding arbitration or small claims court instead of in courts of general jurisdiction.** Arbitration is more informal than a lawsuit in court. Arbitration uses a neutral arbitrator instead of a judge or jury, allows for more limited discovery than in court, and is subject to very limited review by courts. Arbitrators can award the same damages and relief that a court can award. Any arbitration under this Agreement will take place on an individual basis; class arbitrations and class actions are not permitted. For any nonfrivolous claim that does not exceed \$75,000, AT&T will pay all costs of the arbitration. Moreover, in arbitration you are entitled to recover attorneys' fees from AT&T to at least the same extent as you would be in court.

In addition, under certain circumstances (as explained below), AT&T will pay you more than the amount of the arbitrator's award and will pay your attorney (if any) twice his or her reasonable attorneys' fees if the arbitrator awards you an amount that is greater than what AT&T has offered you to settle the dispute.

Arbitration Agreement:

a. AT&T and you agree to arbitrate all disputes and claims between us. This agreement to arbitrate is intended to be broadly interpreted. It includes, but is not limited to:

- claims arising out of or relating to any aspect of the relationship between us, whether based in contract, tort, statute, fraud, misrepresentation or any other legal theory;
- claims that arose before this or any prior Agreement (including, but not limited to, claims relating to advertising);
- claims that are currently the subject of purported class action litigation in which you are not a member of a certified class; and
- claims that may arise after the termination of this Agreement.

References to "AT&T," "you," and "us" include our respective subsidiaries, affiliates, agents, employees, predecessors in interest, successors, and assigns, as well as all authorized or unauthorized users or beneficiaries of Services under this or prior Agreements between us. Notwithstanding the foregoing, either party may bring an individual action in small claims court. This arbitration agreement does not preclude you from bringing issues to the attention of federal, state, or local agencies. Such agencies can, if the law allows, seek relief against us on your behalf. **YOU AGREE THAT, BY ENTERING INTO THIS AGREEMENT, YOU AND AT&T ARE EACH WAIVING THE RIGHT TO A TRIAL BY JURY OR TO PARTICIPATE IN A CLASS ACTION.** This Agreement evidences a transaction in interstate commerce, and thus the Federal Arbitration Act governs the interpretation and enforcement of this provision. This arbitration provision shall survive termination of this Agreement.

b. A party who intends to seek arbitration must first send to the other, by certified mail, a written Notice of Dispute ("Notice"). The Notice to AT&T should be addressed to: Office for Dispute Resolution, AT&T, 1025 Lenox Park Blvd., Atlanta, GA 30319 ("Notice Address"). The Notice must (1) describe the nature and basis of the claim or dispute; and (2) set forth the specific relief sought ("Demand"). If AT&T and you do not reach an agreement to resolve the claim within 30 days after the Notice is received, you or AT&T may commence an arbitration proceeding. During the arbitration, the amount of any settlement offer made by AT&T or you shall not be disclosed to the arbitrator until after the arbitrator determines the amount, if any, to which you or AT&T is entitled.

**You may download or copy a form Notice and a form to initiate arbitration from here:
www.att.com/arbitration-forms.**

c. After AT&T receives notice at the Notice Address that you have commenced arbitration, it will promptly reimburse you for your payment of the filing fee, unless your claim is for greater than \$75,000. (The filing fee currently is \$200 but is subject to change by the arbitration provider. If you are unable to pay this fee, AT&T will pay it directly upon receiving a written request at the Notice Address.) The arbitration will be governed by the Commercial Arbitration Rules and the Supplementary Procedures for Consumer Related Disputes (collectively, "AAA Rules") of the American Arbitration Association ("AAA"), as modified by this Agreement, and will be administered by the AAA. The AAA Rules are available online at <https://www.adr.org>, by calling the AAA at 800.778.7879, or by writing to the Notice Address. (You may obtain information that is designed for non-lawyers about the arbitration process at att.com/arbitration-information.) The arbitrator is bound by the terms of this agreement. All issues are for the arbitrator to decide, except that issues relating to the scope and enforceability of the arbitration provision are for the court to decide. Unless AT&T and you agree otherwise, any arbitration hearings will take place in the county (or parish) of your billing address. If your claim is for \$10,000 or less, we agree that you may choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing as established by the AAA Rules. If your claim exceeds \$10,000, the right to a hearing will be determined by the AAA Rules. Regardless of the manner in which the arbitration is conducted, the arbitrator shall issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the award is based. Except as otherwise provided for herein, AT&T will pay all AAA filing, administration and arbitrator fees for any arbitration initiated in accordance with the notice requirements above. If, however, the arbitrator finds that either the substance of your claim or the relief sought in the Demand is frivolous or brought for an improper purpose (as measured by the standards set forth in Federal Rule of Civil Procedure 11(b)), then the payment of all such fees will be governed by the AAA Rules. In such case, you agree to reimburse AT&T for all monies previously disbursed by it that are otherwise your obligation to pay under the AAA Rules. In addition, if you initiate an arbitration in which you seek more than \$75,000 in damages, the payment of these fees will be governed by the AAA rules.

d. If, after finding in your favor in any respect on the merits of your claim, the arbitrator issues you an award that is greater than the value of AT&T's last written settlement offer made before an arbitrator was selected, then AT&T will:

- pay you the amount of the award or \$10,000 ("the alternative payment"), whichever is greater; and
- pay your attorney, if any, twice the amount of attorneys' fees, and reimburse any expenses (including expert witness fees and costs) that your attorney reasonably accrues for investigating, preparing, and pursuing your claim in arbitration ("the attorney premium").

If AT&T did not make a written offer to settle the dispute before an arbitrator was selected, you and your attorney will be entitled to receive the alternative payment and the attorney premium, respectively, if the arbitrator awards you any relief on the merits. The arbitrator may make rulings and resolve disputes as to the payment and reimbursement of fees, expenses, and the alternative payment and the attorney premium at any time during the proceeding and upon request from either party made within fourteen (14) days of the arbitrator's ruling on the merits.

e. The right to attorneys' fees and expenses discussed in paragraph (d) supplements any right to attorneys' fees and expenses you may have under applicable law. Thus, if you would be entitled to a larger amount under the applicable law, this provision does not preclude the arbitrator from awarding you that amount. However, you may not recover duplicative awards of attorneys' fees or costs. Although under some laws AT&T may have a right to an award of attorneys' fees and expenses if it prevails in an arbitration, AT&T agrees that it will not seek such an award.

f. The arbitrator may award declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim. **YOU AND AT&T AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN YOUR OR ITS INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING.** Further, unless both you and AT&T agree otherwise, the arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of a representative or class proceeding. If this specific provision is found to be unenforceable, then the entirety of this arbitration provision shall be null and void.

g. Notwithstanding any provision in this Agreement to the contrary, we agree that if AT&T makes any

future change to this arbitration provision (other than a change to the Notice Address) during the period of time that you are receiving Services, you may reject any such change by sending us written notice within 30 days of the change to the Arbitration Notice Address provided above. By rejecting any future change, you are agreeing that you will arbitrate any dispute between us in accordance with the language of this provision.

4. The failure of AT&T to exercise or enforce any right or provision of these TOS will not constitute a waiver of such right or provision.
 5. If any provision of these TOS is found by a court or agency of competent jurisdiction to be unenforceable, the parties nevertheless agree that the remaining provisions of these TOS shall remain in full force and effect. The foregoing does not apply to the prohibition against class or representative actions that is part of the arbitration clause; if that provision is found to be unenforceable, the arbitration clause (but only the arbitration clause) shall be null and void.
 6.  7. The section titles and paragraph headings in these TOS are for convenience only and have no legal or contractual effect.

SCHEDULE 1 AT&T PHONE

I. Service Description

AT&T Phone is a residential enhanced voice communication service that converts voice communications into Internet Protocol (IP) packets that are carried over AT&T's IP network. It may be generically referred to as "voice over IP" or "VoIP." The Service includes direct-dialed calling and certain calling and call management features or advanced features associated with the Service, including additional features or advanced features which may be offered at additional costs, all of which AT&T, in its sole discretion, may add, modify, or delete from time to time. The Service also includes a telephone number or numbers that will be included in printed directories and/or directory assistance databases, and options, available at additional costs, to have numbers withheld from printed directories and/or directory assistance databases. The Service is not available for business use. It is not mobile or nomadic and will function only in your home.

When you accept these TOS, you become the main account holder for each telephone number assigned to the AT&T Phone service and all plans, features, and functionalities associated with each telephone number, whether those telephone numbers, plans, features, and functionalities are purchased initially or are added subsequently. These TOS apply to all such telephone numbers, and to the Service and the plans, features, and functionalities associated with the Service, for both the main account and all sub accounts. You will be asked to choose a unique name for the main account (your main account ID).

Subaccounts. You may create up to ten subaccounts under your main account, for others in your household (each subaccount will have a separate password and ID). Main account holders are responsible for all activity on their main account and on any and all subaccounts. Violations of these TOS in a main account or in a subaccount can result in suspension or termination of the main account and all associated subaccounts. Call histories (call logs for outgoing, answered, and missed calls) for each telephone number are accessible in the main account and in each subaccount created under the telephone number. Main account holders can reset subaccount passwords and IDs by contacting Customer Service and can delete and recreate subaccounts. You agree to advise all subaccount holders that the main account holder can have access to all aspects of their subaccount, including, but not limited to, feature settings, voicemail messages, and address books. All subaccount holders can therefore have no expectation of privacy vis-à-vis the main account holder with regard to any aspect of the subaccount.

II. Billing And Payments

For AT&T Phone service, nonrecurring and usage-based charges generally billed in the billing cycle following the transaction include, but are not limited to, international calling (including surcharges for international termination to a wireless phone number), Operator Services, Directory Assistance (411 or xxx.555.1212), call trace, and overage minutes associated with defined minutes-of-use plans (e.g. Phone200 plan). Partial minutes are rounded up for per-minute usage charges.

III. Service-Specific Equipment

AT&T Phone service requires a regular touchtone landline telephone, which you must supply and which must be connected to the WG or iNID, either directly or through your home's inside wiring. (Rotary and pulse phones will not work). The WG or iNID will support up to two AT&T Phone lines (telephone numbers used for inbound and outbound calling).

You agree that neither you nor a third party will move Equipment used for AT&T Phone service within your premises or to any other physical location outside of the premises where it was installed by AT&T. AT&T Phone

service is not designed to be nomadic and will not function properly if the WG is moved or altered by a non-AT&T employee. If you require the WG to be moved, you must contact AT&T. Failure to do so may result in a failure of the Service and/or in AT&T's termination of your Service.

IV. Interruptions, Limitations, And Modifications to Service

Since voice over IP is dependent on the IP network, the availability of an adequate power source, and correct Equipment configuration, AT&T does not guarantee that AT&T Phone service will be continuous or error-free. You acknowledge and understand that AT&T cannot guarantee that voice over IP communication is completely secure.

You also acknowledge that AT&T may establish general practices and limits concerning use of the AT&T Phone service, including without limiting other limitations set forth in these TOS or otherwise, AT&T Phone service cannot be used to make operator-assisted collect or third-party billing calls (Note: a AT&T Phone customer can make a Collect call through a third party Collect Call company that separately handles and bills for the Collect call), nor can AT&T Phone service be used to make 900/976 calls; area code 500, 700, and 710 calls; 10-10-XXX dial-around calls; or international operator or directory assistance calls. Also, the ability to call certain N11 services (211, 311, 511) may not be available.

AT&T also limits the maximum number of days that messages will be retained; the maximum number messages that will be retained by the Service; the maximum size of any message; and the maximum disk space that will be allotted on AT&T's servers on your behalf. You agree that AT&T will have no responsibility or liability for the deletion, for failure to store or to deliver any messages and other communications, for the modification or malformation of communications over the AT&T Phone service, or for other content maintained or transmitted by AT&T Phone service. You acknowledge that AT&T reserves the right to log off accounts or disconnect sessions that are inactive for an extended period of time. You further acknowledge that AT&T reserves the right to change these general practices and limits at any time without advance notice.

If you also purchase AT&T U-verse TV call history, information for all missed and answered calls can be displayed on your TV screen and cannot be PIN protected. Call history for dialed calls cannot be displayed on your TV screen. Also, Caller ID information may be displayed on your TV screen at the time you purchase AT&T Phone and AT&T U-verse TV or in later iterations of the Services.

Power Outages and No Battery Backup. YOU ACKNOWLEDGE AND UNDERSTAND THAT AT&T PHONE REQUIRES ELECTRICAL POWER TO FUNCTION. AT&T DOES NOT PROVIDE BATTERY BACK UP FOR YOUR SERVICE. YOU MAY CHOOSE TO PURCHASE BATTERY BACKUP FOR YOUR iNID, WG, IAD* AND YOUR ONT (IF YOU HAVE ONE) FROM THIRD PARTY MANUFACTURERS OR RETAILERS. YOU ACKNOWLEDGE AND UNDERSTAND THAT IT WILL TAKE TIME TO CHARGE AN INITIAL BATTERY BACKUP AFTER AT&T PHONE IS INSTALLED AND/OR AFTER A REPLACEMENT BATTERY IS INSTALLED. YOU ACKNOWLEDGE AND UNDERSTAND THAT TO CONSERVE BATTERY POWER DURING A POWER OUTAGE, YOU SHOULD NOT ATTEMPT TO USE THE BATTERY BACKUP FOR ANY PURPOSE OTHER THAN TO POWER YOUR AT&T PHONE SERVICE (OR TO POWER YOUR INTERNET CONNECTION, FOR THE PURPOSE OF POWERING YOUR PREMISES ALARM, IF YOU HAVE AN IP-BASED PREMISES ALARM THAT USES AT&T INTERNET). YOU ACKNOWLEDGE AND UNDERSTAND THAT THE BATTERY BACKUP DOES NOT PROVIDE POWER FOR CORDLESS PHONES AND THAT, IF YOU ARE USING A CORDLESS PHONE WITH YOUR AT&T PHONE SERVICE, A SEPARATE BATTERY BACKUP OR OTHER POWER SOURCE MAY BE REQUIRED IF THERE IS A POWER OUTAGE. YOU ACKNOWLEDGE AND UNDERSTAND THAT YOU ARE SOLELY RESPONSIBLE FOR DETERMINING WHEN THE iNID, WG, IAD* AND ONT BATTERY BACKUP REQUIRES REPLACEMENT AND FOR REPLACING AND RECYCLING USED BATTERIES IN ACCORDANCE WITH MANUFACTURER OR VENDOR DIRECTIONS. YOU ALSO ACKNOWLEDGE AND UNDERSTAND THAT YOU ARE SOLELY RESPONSIBLE FOR OBTAINING AND MAINTAINING BATTERY BACKUP OR OTHER SOURCES OF POWER FOR ANY CORDLESS PHONES YOU USE WITH YOUR PHONE SERVICE. FOR MORE INFORMATION AND MINIMUM SPECIFICATIONS VISIT ATT.COM/BATTERYBACKUP.

*IAD applies only in the AT&T U-verse TV and AT&T Phone Terms of Service for Business.

V. AT&T Phone 911 Limitations

YOU HEREBY ACKNOWLEDGE AND AGREE TO ALL OF THE INFORMATION BELOW REGARDING THE LIMITATIONS OF 911 SERVICE OVER AT&T PHONE SERVICE AND THE DISTINCTIONS BETWEEN 911 SERVICE OVER AT&T PHONE SERVICE AND 911 SERVICE OVER TRADITIONAL WIRELINE TELEPHONE SERVICE. YOU AGREE TO ADVISE ALL INDIVIDUALS WHO MAY PLACE CALLS OVER AT&T PHONE SERVICE OF THE 911 LIMITATIONS DESCRIBED BELOW.

AT&T MAKES NO WARRANTY THAT AT&T PHONE SERVICE FOR ACCESS TO 911 WILL BE UNINTERRUPTED, TIMELY, SECURE, OR ERROR-FREE OR BATTERY BACKUP POWER WILL BE SUFFICIENT TO MAINTAIN THE SERVICE THROUGHOUT ANY AND/OR ALL POWER OUTAGES.

911 SERVICE OVER AT&T PHONE SERVICE IS ONLY AVAILABLE AT YOUR SERVICE ADDRESS, WHILE CONNECTED

TO A PROPERLY POWERED INID, OR WG (AND A PROPERLY POWERED ONT, IF APPLICABLE) AND AFTER AT&T PHONE HAS BEEN ACTIVATED.

911 SERVICE OVER AT&T PHONE SERVICE WILL NOT FUNCTION IF YOUR INID OR WG FAILS OR IS NOT CONFIGURED CORRECTLY OR IF YOUR AT&T PHONE SERVICE IS INTERRUPTED OR NOT FUNCTIONING FOR ANY REASON, INCLUDING, BUT NOT LIMITED TO, IN THE EVENT OF A POWER OUTAGE (UNLESS YOU HAVE WORKING BATTERY BACKUP POWER), NETWORK OUTAGE, BROADBAND CONNECTION FAILURE, OR DISCONNECTION OF YOUR SERVICE BECAUSE OF BILLING ISSUES. IF THERE IS A POWER OUTAGE, YOU MAY BE REQUIRED TO RESET OR RECONFIGURE THE EQUIPMENT PRIOR TO BEING ABLE TO USE YOUR SERVICES, INCLUDING USE FOR 911 CALLING. YOU ACKNOWLEDGE THAT AT&T STRONGLY RECOMMENDS YOU MAINTAIN AT ALL TIMES AN ALTERNATIVE MEANS OF ACCESSING 911 SERVICES, SUCH AS VIA CELLULAR TELEPHONE SERVICE.

YOU ACKNOWLEDGE AND UNDERSTAND THAT AT&T WILL NOT BE LIABLE FOR ANY LOSSES INCURRED DIRECTLY OR INDIRECTLY AS A RESULT OF SERVICE OUTAGE AND/OR INABILITY TO DIAL 911 USING YOUR AT&T PHONE SERVICE OR INABILITY TO ACCESS EMERGENCY SERVICE PERSONNEL FOR ANY REASON, INCLUDING BUT NOT LIMITED TO THE 911 CHARACTERISTICS AND LIMITATIONS SET FORTH IN THIS DOCUMENT AND/OR THE CHARACTERISTICS, LIMITATIONS, AND/OR FAILURE OF THE 911 NETWORK ITSELF.

WITHOUT LIMITING ANY PROVISIONS OF THE TOS, YOU AGREE TO DEFEND, INDEMNIFY, AND HOLD HARMLESS AT&T, ITS SUBSIDIARIES, AFFILIATES, OFFICERS, AGENTS, DIRECTORS, EMPLOYEES, AND ANY OTHER SERVICE PROVIDER WHO FURNISHES SERVICES TO YOU IN CONNECTION WITH THE AT&T PHONE SERVICE, FROM ANY AND ALL CLAIMS, LOSSES (INCLUDING LOSS OF PROFITS OR REVENUE), LIABILITIES, DAMAGES, FINES, PENALTIES, DEMANDS, ACTIONS, COSTS, AND EXPENSES (INCLUDING, WITHOUT LIMITATION, REASONABLE ATTORNEY FEES) BY, OR ON BEHALF OF YOU OR ANY THIRD PARTY OR USER OF THE AT&T PHONE SERVICE, REGARDLESS OF THE NATURE OF THE CLAIM, INCLUDING WITHOUT LIMITATION CLAIMS RELATED TO 911 DIALING, ARISING FROM OR IN CONNECTION WITH ANY FAILURE OR OUTAGE OF AT&T PHONE SERVICE OR ANY FAILURE OR OUTAGE OF THE 911 NETWORK ITSELF.

VI. Premise Alarm Systems and Other Device Compatibility

AT&T MAKES NO WARRANTY THAT (i) AT&T PHONE SERVICE USED AS A COMMUNICATIONS PATHWAY FOR MONITORED BURGLAR ALARMS, MONITORED FIRE ALARMS, AND/OR MEDICAL MONITORING SYSTEMS OR DEVICES, WILL BE UNINTERRUPTED, TIMELY, SECURE, OR ERROR-FREE, (ii) THE SERVICE WILL BE COMPATIBLE WITH ANY PARTICULAR OR ALL MONITORED BURGLAR ALARM(S), MONITORED FIRE ALARM(S), OR MEDICAL MONITORING SYSTEM(S) OR DEVICE(S) OR (iii) ANY BATTERY BACKUP POWER EQUIPMENT YOU MAY PURCHASE WILL BE SUFFICIENT TO MAINTAIN YOUR AT&T PHONE SERVICE THROUGHOUT ANY AND/OR ALL POWER OUTAGES. SEE MANUFACTURER INFORMATION FOR BATTERY LIFE DURING A POWER OUTAGE. YOU ARE RESPONSIBLE FOR PURCHASING AND MAINTAINING ANY DESIRED BATTERY BACKUP EQUIPMENT.

Potential Incompatibility with Monitored Fire Burglar Alarm, Monitored Fire Alarm, and Medical Monitoring Systems, and Other Devices. MONITORED FIRE ALARM AND BURGLAR ALARM SYSTEMS AND MEDICAL MONITORING DEVICES MAY NOT BE COMPATIBLE WITH AT&T PHONE SERVICE.

IF YOU HAVE OR PURCHASE A MONITORED FIRE ALARM OR BURGLAR ALARM SYSTEM OR A MEDICAL MONITORING DEVICE THAT YOU INTEND TO USE WITH AT&T PHONE AS THE COMMUNICATIONS PATHWAY, YOU AGREE TO CONTACT YOUR PROVIDER FOR THOSE SYSTEMS/DEVICES TO DETERMINE COMPATIBILITY WITH AT&T PHONE SERVICE AND TO ARRANGE FOR YOUR PROVIDER TO TEST SUCH SYSTEMS/DEVICES AFTER INSTALLATION OF AT&T PHONE SERVICE. YOU ALSO ACKNOWLEDGE AND UNDERSTAND THAT EVEN IF SUCH SYSTEMS AND DEVICES ARE COMPATIBLE WITH AT&T PHONE SERVICE, THEY WILL NOT BE ABLE TO COMMUNICATE WITH MONITORING STATIONS DURING A POWER OUTAGE UNLESS YOU MAINTAIN BATTERY BACKUP POWER FOR AT&T PHONE AS DESCRIBED IN THIS TOS. IF YOU PURCHASE A MONITORED BURGLAR ALARM OR MONITORED FIRE ALARM SYSTEM AFTER AT&T PHONE SERVICE HAS BEEN INSTALLED, YOU ALSO AGREE TO CALL AT&T PRIOR TO INSTALLATION OF ANY SUCH SYSTEM. SUBSEQUENT INSTALLATION OF THESE SYSTEMS MAY REQUIRE RE-WIRING OF AT&T PHONE SERVICE, WHICH MAY ALSO RESULT IN TIME AND MATERIAL CHARGES. (AT&T DOES NOT PROVIDE SUPPORT FOR, OR RE-WIRING OF AT&T PHONE IN SUPPORT OF, MEDICAL MONITORING SYSTEMS OR DEVICES).

ONCE AT&T PHONE SERVICE HAS BEEN INSTALLED FOR USE WITH A MONITORED FIRE ALARM OR MONITORED BURGLAR ALARM SYSTEM, YOU AGREE THAT YOU WILL NOT CHANGE OR MODIFY THE INSIDE WIRING OF YOUR HOME OR MOVE OR RECONFIGURE YOUR WG IN ANY WAY WITHOUT CONTACTING AT&T AND YOUR ALARM SERVICE PROVIDER. YOU ALSO AGREE THAT YOU WILL NOT PLUG ANY TELEPHONE EQUIPMENT INTO THE BACK OF THE WG. YOU ACKNOWLEDGE AND UNDERSTAND THAT IF YOU CHANGE OR MODIFY YOUR INSIDE WIRING, MOVE OR RECONFIGURE YOUR WG IN ANY WAY, OR PLUG ANY TELEPHONE EQUIPMENT INTO THE BACK OF THE WG IT COULD RESULT IN A FAILURE OF YOUR MONITORED BURGLAR ALARM OR MONITORED FIRE ALARM SYSTEM.

BY ACCEPTING THESE TOS, YOU USE AT&T PHONE SERVICE AT YOUR OWN RISK AND WAIVE ANY CLAIM AGAINST AT&T FOR INTERFERENCE WITH OR DISRUPTION OF A MONITORED FIRE ALARM OR BURGLAR ALARM SYSTEM, A MEDICAL MONITORING DEVICE, OR OTHER SUCH SYSTEMS OR DEVICES DUE TO THE AT&T PHONE SERVICE.

VII. Local Number Portability

In the event you are transferring an existing phone number for your AT&T Phone service (i.e., porting a number to AT&T Phone service), you hereby authorize AT&T to process your order for AT&T Phone and to notify your existing provider of your decision to switch your local, local toll, and long distance services to AT&T Phone service, and you represent that you are authorized to take this action. Not all telephone numbers are eligible for porting to AT&T Phone service.

VIII. Voicemail

AT&T Phone service includes Voicemail, a full-featured voicemail service. If you access your Voicemail voice mailbox from outside your local calling area, you may incur applicable local toll or long distance charges.

In addition, the Voicemail service allows you the option to integrate your AT&T wireless service voice mailbox with your AT&T Phone Voicemail mailbox. (Wireless service from AT&T must be separately purchased.) Calls forwarded to your Voicemail voice mailbox from your wireless phone will not incur airtime charges. However, airtime charges may apply when using your wireless handset to retrieve messages. Pager notification allows your pager to notify you when a message is received in your Voicemail voice mailbox. Your pager can have either an email address or your pager can have a telephone number associated with it and must be set up through the Voicemail mailbox. Paging service and equipment must be purchased separately. Other restrictions may apply.

Voicemail may include a Voicemail-to-Text (VMTT) feature that provides automated transcription of your voicemail. AT&T is not responsible nor liable for: 1) errors in the conversion of or its inability to transcribe voicemail messages to text/email; 2) lost or misdirected messages; or 3) content that is unlawful, harmful, threatening, abusive, obscene, tortious, or otherwise objectionable. We do not filter, edit or control voice, text, or email messages, or guarantee the security of messages. We can interrupt, restrict or terminate VMTT without notice, if your use of VMTT adversely impacts AT&T's network, for example that could occur from abnormal calling patterns or an unusually large number of repeated calls and messages; or if your use is otherwise abusive, fraudulent, or does not comply with the law.

You are solely responsible for and will comply with all applicable laws as to the content of any text messages or emails you receive from VMTT that you forward or include in a reply to any other person. You authorize AT&T or a third party working on AT&T's behalf to listen to, and transcribe all or part of a voicemail message and to convert such voicemail message into text/email, and to use voicemail messages and transcriptions to enhance, train and improve AT&T's speech recognition and transcription services, software and equipment. You agree that the results of benchmarking VMTT against competing products or services is AT&T confidential information requiring AT&T written consent to disclose in accordance with the BSA or RSA as may be applicable to you. Additional charges may apply to receiving email on your wireless device from VMTT, as well as, replying to or forwarding VMTT messages via SMS (text) or email, depending on your plan. Transcription times cannot be guaranteed. You are responsible for providing a correct email address and updating the email address when changes to the email account are made.

IX. Prohibited Uses of AT&T Phone Service

You agree that you will NOT use AT&T Phone service:

1. As a business service or for a business purpose.
2. To engage in auto-dialing, continuous or extensive call forwarding, telemarketing, fax broadcasting or fax blasting, or for uses that result in excessive usage inconsistent with normal residential usage patterns. In addition, connection of your AT&T Phone service to a device which converts use of the Service to an outbound trunk line by more than one individual is prohibited. If AT&T determines, in its sole discretion, that you are reselling or transferring AT&T Phone service or that you are using AT&T Phone service for any of the aforementioned activities, AT&T reserves the right, without advance notice, immediately to terminate or modify the Service, or to change your call plan to a different offer on a prospective basis, and in addition, to assess additional charges for each month in which excessive usage occurred. If you subscribe to a calling plan which includes unlimited calling of any type, unless otherwise specified by your specific plan in marketing materials associated herewith, consistent monthly use in excess of 5,000 aggregate minutes per month, taking into account all types of calling in your plan which are provided on an unlimited basis, shall be presumed to be inconsistent with these restrictions and shall be subject to the conditions above.
3. As an announcement service, particularly with regard to Voicemail, which is provided as an integral component of AT&T Phone service and is designed as a voicemail, not an announcement, service. Use of Voicemail service as an announcement service and/or other improper or excessive use may impair AT&T's ability to provide reasonable service to other customers. AT&T reserves the right to cancel your AT&T Phone service at any time, with or without notice, if as determined solely by AT&T based on its network/service design and usage experience, your messaging service is (1) being used in an improper manner including, but not limited to, using it as an announcement service or for unlawful purposes, (2) consistently generating

excessive usage, (3) affecting AT&T's ability to provide reasonable service to other customers, or (4) being used to interfere with another's use of the voicemail system.

X. Suspension/Termination

Without limiting other rights set forth in these TOS, AT&T may either terminate your AT&T Phone service or transfer your AT&T Phone service to a different telephone number without penalty, upon reasonable notice, if AT&T stops providing AT&T Phone service either generally or in your area, if at any time 911 service over AT&T Phone service is not available, or for other reasons associated with the provisioning of 911 service to your premises. AT&T also may terminate your order for Service if you do not activate the Service or if you do not formally acknowledge information about 911 service limitations in accordance with directives from AT&T.

Service suspension may, and cancellation will, result in your loss of the number associated with the AT&T Phone service. Suspension (but not termination) of AT&T Phone service still allows (assuming working battery backup during power outage) for the following dialing privileges: outbound calling to 911, outbound calling to Operator Services (for emergency assistance only), and inbound calling (intended to maintain a call back path for emergency service providers). AT&T has no responsibility for retaining or delivering messages that are located in any voice mailbox at the time of the suspension or termination, or that are addressed to any main account holder or subaccount holder thereafter.

XI. What Terms Only Apply To Specific States?

North Carolina. If you reside in Durham or Concord, your Service may not include a telephone number or numbers in printed directories and/or directory assistance databases, and you may not have the option to have numbers withheld from printed directories and/or directory assistance databases.

AT&T PRIVACY POLICY

Effective March 16, 2020

(Please consult att.com/privacy for the most up to date version of our Privacy Policy.)

Your information and your privacy are important – to you and to us. This policy explains how we use your information and how we keep it safe. Most importantly, it explains the choices you can make at any time about how your information is used.

When this Policy applies

This Privacy Policy ("Policy") covers the information generated when you use or subscribe to AT&T products, services, apps, websites or networks to which this policy is linked. In the policy, we call them "Products or Services" for short. They include voice, data, video, entertainment, advertising, internet and other products, services and apps.

This Policy applies to you and anyone who uses our Products or Services under your account, except where we identify for you that separate AT&T privacy policies or terms and conditions apply. You are responsible for making sure all users under your account understand and agree to this Policy.

Here are special circumstances where this Policy may not apply, or may apply in addition to other policies:

- Some of our Products or Services – for example the AT&T TV app and our FirstNet service – may be covered by their own privacy policies or additional privacy terms and conditions.
- Some of our affiliates – such as WarnerMedia companies and Cricket – have their own privacy policies that apply to data they collect from products, services and apps they provide. Any data collected subject to this Policy that is shared with those affiliates will still be protected consistent with this Policy.
- Some areas both inside and outside of the United States - for example California and the European Union - require us to adopt different policy terms and commitments in accordance with local laws.
- In certain cases, when you're using your AT&T Products or Services, other companies may be collecting information, so that your information may be covered by this Policy and other privacy policies at the same time. Here are some examples: if you purchase one of our Products or Services from a retailer; if you use our services to connect to a social networking service or another company's Wi-Fi network; or if you provide your information to another company through a co-branded website, app or service controlled by the other company. In those cases, any information you provide to those companies may be subject to just their policy, or subject to both their policy and ours.
- If you are an AT&T business customer, we may have written Product or Service agreements that contain specific provisions about confidentiality, security or handling of information. When one of those

agreements differs from or conflicts with this Policy, the terms of those agreements will apply instead.

The information we collect

We collect information about you and how you're using our Products or Services along with information about your devices and equipment. This may include performance information, along with web browsing, location and TV viewing information.

Here are detailed examples of types of information we collect from our Products or Services:

- **Account information** includes things like contact and billing information, service-related details and history and similar information, including Customer Proprietary Network Information. It also includes technical, equipment and usage information that relate to the services, products, websites and networks we provide you.
- **Web browsing and app information** includes things like the websites you visit or mobile apps you use, on or off our networks. It includes internet protocol addresses and URLs, pixels, cookies and similar technologies, and identifiers such as advertising IDs and device IDs. It can also include information about the time you spend on websites or apps, the links or advertisements you see, search terms you enter, items identified in your online shopping carts and other similar information.
- **Equipment Information** includes information that identifies or relates to equipment on our networks, such as type, identifier, status, settings, configuration, software or use.
- **Network performance and usage information** includes information about our networks, including your use of Products or Services or equipment on the networks, and how they are performing.
- **Location information** includes your street address, your ZIP code and where your device is located. Location information is generated when the devices, Products or Services you use interact with cell towers, Wi-Fi routers, Bluetooth services, access points, other devices, beacons and/or with other technologies, including GPS satellites.
- **TV and video viewing information** is generated when you use our video services, such as apps, satellite or internet protocol television services or a streaming service. We get information from the technologies you use to watch TV or video. These services may also include video on demand, pay per view, streaming service, interactive services and games, DVR services, TV apps for a tablet or smartphone and similar services and products. If you are watching TV or video through a web browser or app, we may also collect information as described above in the web browsing and app information section. We also collect information related to your use and interaction with the equipment in your home, including the TV receivers, set top boxes, remotes and other devices you may use to access our services.

How we collect your information

We collect your information in 3 ways:

- **You give it to us** when you make a purchase, set up an account or otherwise directly communicate with us.
- **We automatically get it** when you use, or your device uses, our Products or Services. For example, we use network tools to collect information like call and text records and the web browsing information we describe in this Policy.
- **We get it from outside sources** like credit reports, marketing mailing lists, and commercially available geographic and demographic information, along with other available information, such as public posts to social networking sites.

How we use your information

We use your information to power our services and to improve your experiences. We use your information to provide, support, improve, protect, analyze and bill for our products, service and network; to communicate with you about your service, products or apps; to market our services; to detect and avoid fraud; for advertising; and for research purposes.

Here are examples of ways we use your information:

- Providing our Products and Services.
- Contacting you.
- Improving your experience and protecting the Products and Services we offer. This includes things like customer care, network security, verifying or authenticating your identity, detecting fraud, billing and collection, protecting your financial accounts, authorizing transactions and the development of future Products and Services.
- Helping us plan, deploy, improve, protect and defend our network infrastructure, detecting and preventing fraud, and protecting our property and legal rights.

- Understanding the Products, Services and offers that you, and other AT&T customers with whom you call and text and interact, might enjoy the most. We do not use the content of your texts, emails or calls for marketing or advertising.
- Creating engaging and customized experiences and offering new or improved Products and Services or offers. This is based on things like the information we've collected and our research, development and analysis.
- Supporting and providing location services.

- Preventing and investigating illegal activities and violations of our Terms, Use Policies and other service conditions or restrictions.

How we share your information

- **We share it with your permission.**
- **We share it across AT&T companies.**
- **We share it with non-AT&T companies or entities as explained in this Policy.** For more details about how your information may be shared for advertising and marketing see Privacy Choices and Controls at att.com/yourchoices.

Sharing information across the AT&T affiliates: Like many large companies, AT&T is made up of many affiliates. Our Products and Services are developed, managed, marketed and sold by a variety of our affiliates. We share information that may identify you personally internally among our affiliates, such as Xandr, the WarnerMedia family of companies and Cricket. A list of AT&T affiliates is found at att.com/WMAffiliate. You can learn more about AT&T affiliates by going to att.com. For information collected under this Policy, we require the affiliate to protect the information consistent with this Policy. We may also combine information that identifies you personally with data that comes from an app or affiliate that has a different privacy policy. When we do that, our Policy applies to the combined data set.

Sharing information with non-AT&T companies that provide services for us or for you: We share information that identifies you personally with vendors that perform services for us or that support Products or Services provided to you, including marketing or ad delivery services. We do not require consent for sharing with our vendors for these purposes. We do not allow those vendors to use your information for any purpose other than to perform those services, and we require them to protect the confidentiality and security of data they get from us in a way that's consistent with this Policy.

Sharing information with non-AT&T companies to enable third party services to you: We may share information with non-AT&T companies for their purposes to provide you services such as verifying or authenticating your identity, detecting fraud, protecting your financial accounts, and authorizing transactions. We require proof of your explicit consent before sharing your information that identifies you personally for this purpose. We do not allow those non-AT&T companies to use it for any purpose other than to perform those services, and we require them to protect the confidentiality and security of data they get from us in a way that's consistent with this Policy. In some cases, to facilitate these programs, we will use or share identifiers such as your phone or account number. These identifiers are only used for network authentication, to detect fraud, for identity verification, or for the linking of devices you own to authenticate you.

Sharing information with other non-AT&T companies or entities: There are also times when we provide information that identifies you personally to other companies and entities, such as government agencies, credit bureaus and collection agencies, without your explicit consent, but where authorized or required by law. Reasons to share include:

- Complying with court orders, subpoenas, lawful discovery requests and as otherwise authorized or required by law. Like all companies, we are required by law to provide information to government and law enforcement agencies, as well as parties to civil lawsuits. You can find out more about this in our Transparency Report available at att.com/transparency.
- Detecting fraud.
- Providing or obtaining payment for your service.
- Routing your calls or other communications.
- Ensuring network operations and security.

- Notifying, responding or providing information (including location information) to a responsible governmental entity in emergency circumstances or in situations involving immediate danger of death or serious physical injury.
- Alerting the National Center for Missing and Exploited Children to information concerning child pornography of which we become aware through the provision of our services.
- Enforcing our legal rights, protecting our network and property or defending against legal claims.
- Complying with legal requirements to share the names, addresses and telephone numbers of non-mobile phone customers with phone directory publishers and directory assistance services. We honor your request for non-published or non-listed numbers.
- Providing name and number information for wireline and wireless CallerID and related services, like Call Trace. This means a person receiving a call can see the name and number of the caller.

Sharing Metrics Reports with non-AT&T companies: Sometimes the services you enjoy from us directly involve other businesses. We may pay a network for the rights to broadcast a sporting event or your favorite show on our television service. We may be paid by an advertiser to deliver an advertisement or by a business customer to provide its employee with a service. In such cases, we may use or share information that doesn't identify you personally to provide metrics reports to our business customers and service suppliers. We may also share it with advertising and other companies to deliver or assess the effectiveness of advertising and marketing campaigns.

Sharing information for research: We may share information that doesn't identify you personally with other companies and entities for research. When we share this information, we require companies and entities to agree not to attempt or to allow others to use it to identify individuals. Our agreements will also prevent businesses from reusing or reselling the information, and require that they handle it in a secure manner, consistent with this Policy.

Sharing information for aggregate media research reports: We share TV and video viewing information, tied to identifiers that do not identify you personally, with media research companies. They combine this data with other information to provide audience analysis services about what shows certain audience segments are watching. We require that they only use it to compile aggregate reports, and for no other purpose. We also require businesses to agree they will not attempt to identify any person using this information, and that they will handle it in a secure manner, consistent with this Policy.

Sharing information with AT&T affiliates and non-AT&T companies for advertising and marketing programs: We may share information with AT&T affiliates and with non-AT&T companies to deliver or assess effectiveness of advertising and marketing campaigns as described in Privacy Choices and Controls.

Sharing information to support location services: Location services rely on, use or incorporate the location of a device to provide or enhance the service. Location services may collect and use or share location information to power applications on your device (those that are pre-loaded or those that you chose to download), such as mapping and traffic apps, or other location services you subscribe to. AT&T will not share your location information for location services without your consent (to us or a company providing you service), except as required by law. If you purchase location services from another company, such as a medical alerting device, the use or disclosure of location information is governed by the agreement between you and the service provider, including any applicable privacy policy of the service provider, and is not governed by this privacy policy. In other cases – for example parental controls services - the account holder for the location services, instead of a user, may initiate or subscribe to the location services and provide the required consent.

Disclosing personally identifiable information collected from satellite and internet protocol television subscribers in response to a court order: When a non-governmental entity obtains a court order, we're authorized to disclose personally identifiable information collected from TV subscribers as a result of the subscriber's use of TV service, but only after we let the subscriber know what's going on. When a governmental entity obtains a court order, we're authorized to disclose personally identifiable information collected from a TV subscriber as a result of the subscriber's use of TV service, but only if the following conditions are met:

- A judge decides that the governmental entity has offered clear and convincing evidence that the subject of the information is reasonably suspected of engaging in criminal activity and that the information sought would be material evidence in the case; and
- The subject of the information has an opportunity to appear and contest the governmental entity's claim; and
- We have provided notice to the subscriber as required by applicable state law.

Your Privacy Choices and Controls

You can Manage Your Privacy Choices about how we contact you and how we use or share your information. You also have choices about how certain third parties and advertisers use your information, including how we use and share your information for advertising, marketing and analytics.

Communication preferences

Sometimes we have offers or programs that may interest you. We'd like to be able to tell you about these. You can manage how we do it. You can opt-out of marketing and advertising programs, but we still may contact you with service and non-marketing messages.

- **Email:** You can opt-out of marketing emails at att.com/remove.
- **Text messages:** Opt-out of our marketing text messages by replying "stop" to any message.
- **Consumer telemarketing:** Ask to be removed from our consumer telemarketing lists by contacting us at one of the numbers listed at the end of this policy, or by sending an e-mail to privacypolicy@att.com. You also can ask the AT&T representative to remove you from our telemarketing lists when you receive a marketing or promotional call from us.
- **Business telemarketing:** Where required by local laws and/or regulations, we'll remove your business information from our telemarketing lists at your request.
- **National Do Not Call Registry:** The FTC maintains a National Do Not Call Registry at donotcall.gov, and some states in the United States may maintain their own Do Not Call Registry. Putting your number on these registries also may limit our telemarketing calls.
- **Automated messages:** In some cases, we will ask for your permission to send you automated calls or messages to your mobile phone. To opt-out of these calls or messages from us, go to Manage Your Privacy Choices at att.com/cmpchoice. As required or allowed by law, even if you opt-out, we may continue to contact you with automated calls or messages at the telephone number issued by us for certain important informational messages about your service. For example, we may need to let you know about a problem with your wireless service.
- **Postal mail:** You can review our Residential Do Not Mail Policy Statement and limit postal mail solicitations by visiting att.com/donotmail. You'll still receive billing statements, legal notices, product updates and other similar correspondence, and you may still receive some promotional mailings.

Choices about how we use and share your information for advertising, marketing and analytics

You have choices about whether your information is used or shared in our programs that provide you with marketing and advertising tailored to your interests and for aggregate analytics. As your provider of communications and internet services, our collection and use of information operates independently in many cases from the user controls and settings on your device, through your operating system, or on third-party websites or apps.

Online behavioral advertising: Online behavioral advertising is automated, customized advertising that you see when using online services, like ads in mobile apps or on websites. Those ads are served to you based on inferences about your interests. Those interests are determined from data collected about you, whether by AT&T or other parties.

- We work with ad companies that may serve ads for us, and for others, across your use of online services. These companies may use cookies, mobile advertising identifiers, and other technologies to collect information about your use of our websites and other websites. This information may be used to, among other things, analyze and track online activities and deliver ads and content tailored to your interests as part of our advertising programs, such as Relevant Advertising.
- You can opt-out of online behavioral advertising from companies who participate in the Digital Advertising Alliance by going to their Consumer Choice Page at www.aboutads.info/choices or selecting this icon  when you see it on an online ad.

Relevant Advertising and Enhanced Relevant Advertising: Relevant Advertising and Enhanced Relevant Advertising both use information to deliver ads that we think you might be interested in on websites, TV and video programming, apps and other properties, sites or services.

- **Relevant Advertising:** This program is used to tailor the ads you see to match your interests. It doesn't give you more advertising — it just makes the ads you see more likely to be relevant to you. If you don't want to receive Relevant Advertising, you may opt-out by going to Manage Your Privacy Choices at att.com/cmpchoice.
- o **Information we use for Relevant Advertising:** In this program, we use information about your use of our Products and Services, information we get from companies like our advertising partners, and demographic information like ZIP code and age range to deliver or assess effectiveness of advertising and marketing campaigns. We use the information we collect about you, like your TV viewing, your location, or information about the apps you use or the websites you visit to place you into demographic or interest categories like "sports enthusiast" or "coffee lover." We do not use sensitive information such as medical conditions or diagnosis or financial account records to target ads. We don't use or share the content of your texts, emails or calls for marketing and advertising. Nor do we use or share information you provide to encrypted websites.

- o **Information we share in Relevant Advertising:** We may share non-sensitive information, such as your device information, information from companies like our advertising partners, and demographic information like your age range, gender and ZIP code. We may share this information with third parties, such as advertisers, programmers and networks, social media networks, analytics firms, ad networks, and other similar companies that are involved in creating and delivering advertisements. When we share that information, we combine it with an identifier like a device or ad ID (such as Apple or Android Ad ID).
- o **Information we don't share in Relevant Advertising:** We don't share information about your individual web browsing or TV viewing. Nor will we share the precise location of your device, Customer Proprietary Network Information, Social Security number, full date of birth, credit card information or driver's license number. When we share information with third parties, we won't share your name or identify you by anything other than an identifier, like a device or ad ID.
- **Enhanced Relevant Advertising:** This opt-in program further personalizes the ads you see. With your prior explicit consent, this program lets us use and share additional information for advertising and marketing purposes. Please see the Enhanced Relevant Advertising Terms and Conditions at att.com/legal/terms.enhancedRelevantAdvertising for more details. If you'd like to participate in Enhanced Relevant Advertising or change your previous choice, you can go to Manage Your Privacy Choices at att.com/cmpchoice.

External Marketing and Analytics: We may use or share information that does not identify you personally to help our business customers develop aggregate insights that improve their businesses. This information may be combined with other information, such as demographic information or an identifier like a device ID or ad ID. We require that your information be used only to develop aggregate insights that will improve products and services. In addition, we require anyone who receives this data to agree they will only use it for aggregate insights, won't attempt to identify any person or device using this information, and will handle it in a secure manner, consistent with this Policy.

If you don't want your information included in External Marketing and Analytics, you can opt out by going to Manage Your Privacy Choices at att.com/cmpchoice.

To limit collection of data on websites that may be used for advertising, you can manage cookies and other similar technologies on your computer at att.com/cookieotechnology. If you change computers, devices, web browsers or you delete cookies, you will need to opt-out again. Please note that our collection of web browsing information works independently of your web browser's privacy settings with respect to cookies and private browsing. In addition, we don't currently respond to Do Not Track and similar signals. You can manage AT&T's use of web browsing information at Manage Your Privacy Choices (att.com/cmpchoice).

Security

We work hard to safeguard your data using a range of technological and organizational security controls.

We maintain and protect the security of computer storage and network equipment, and we use security

procedures that require employees to authenticate themselves to access sensitive data. We also limit access to personal information only to those with jobs requiring such access. We require callers and online users to authenticate themselves before providing account information.

No security measures are perfect, however. We can't guarantee that your information will never be disclosed in a manner inconsistent with this Policy. If a breach were to occur, we will notify you as required by applicable law.

Data storage, transfer, retention and accuracy

We take steps to ensure that data is processed according to this Policy and to the requirements of applicable law of your country and of the additional countries where the data is subsequently processed.

Data we collect may be processed and stored in the United States or in other countries where we or our affiliates or service providers process data.

When we transfer personal data from the European Economic Area to other countries, we use a variety of legal mechanisms to help ensure all applicable laws, rights and regulations continue to protect your data.

We keep your information as long as we need it for business, tax or legal purposes. After that, we destroy it by making it unreadable or indecipherable.

Need to update your information? We're happy to help you review and correct the information we have on your account and billing records. For more information, please see the Contact Us section of this Policy.

Other privacy information

Changes in ownership or to the Policy

Information about our customers and users, including information that identifies you personally, may be shared and transferred as part of any merger, acquisition, sale of company assets or transition of service to another provider. This also applies in the unlikely event of an insolvency, bankruptcy or receivership.

We may update this Policy as necessary to reflect changes we make and to satisfy legal requirements. We'll post a prominent notice of material changes on our websites. We'll give you reasonable notice before any material changes take effect.

Information specific to children

We don't knowingly collect personally identifying information from anyone under the age of 13 unless we first get permission from the child's parent or legal guardian. Unless we have parental consent, we will not contact a child under the age of 13 for marketing purposes. Information about our collection, use or sharing of, and your choices and controls with respect to such information, is found in Learn more.

If you create an AT&T e-mail sub-account for a child under the age of 13, then with your explicit permission, we collect your child's name, "nicknames and aliases," alternative e-mail address, birth date, gender and ZIP code. We use the information collected on sub-accounts to create and maintain those accounts, for research, to customize the advertising and content seen on our pages, and for other marketing purposes. Your child can use their AT&T e-mail address and password to log onto websites and online services provided by us, like uverse.com. We and our advertising partners may collect, use or share information about customers who log onto those sites as described in the Information we collect, how we collect your information, how we use your information and how we share your information sections of this Policy. The option to opt out of online behavioral advertising by advertising partners who collect information from our sites and participate in the Digital Advertising Alliance is available at www.aboutads.info/choices

911 Acknowledgement

Limitations of 911 Service. AT&T U-verse Phone Service, which is provided via voice over IP, is not the same as traditional wireline telephone service, and may be provided to your device over a wired broadband or Wi-Fi connection rather than the wireless connection used by cellular telephones. The 911 service doesn't work the same as with traditional wireline telephones. You agree to tell anyone who may use your U-verse Phone Service of the limitations of 911 service. AT&T makes no warranty that access to 911 will be uninterrupted, timely, secure, or error-free. 911 service is available only at your service address, while connected to a properly powered and configured iNID, or WG (and a properly powered and configured ONT, if applicable) and after U-verse Phone Service has been properly activated. 911 service will not function if your U-verse Phone Service isn't functioning or was not configured correctly or if there is a power or network outage, broadband connection failure, if your service has been disconnected or suspended, your underlying data service plan has lapsed or has been disrupted or impaired. Following an outage, you may be required to reset or reconfigure your Equipment before 911 service will work. AT&T strongly recommends that you maintain an alternative means of accessing 911 services, such as a cellular phone, at all times. AT&T is not responsible for any losses incurred because of an inability to dial 911 or to access emergency service personnel for any reason. And you agree to defend, indemnify, and hold harmless AT&T and its subsidiaries, affiliates, officers, agents, directors, employees, and service providers for any claim by you or anyone else relating in any way to 911 service.

Aceptación del servicio 911

Limitaciones del servicio 911. El servicio AT&T U-verse Phone, que se proporciona a través de voz sobre IP, no es lo mismo que el servicio de telefonía fija tradicional, y puede brindarse a su dispositivo a través de una conexión cableada de banda ancha o Wi-Fi en lugar de la conexión inalámbrica utilizada por los teléfonos celulares. El servicio 911 no funciona igual que con los teléfonos fijos tradicionales. Usted acepta informar a toda persona que pueda usar su servicio U-verse Phone acerca de las limitaciones del servicio 911. AT&T no ofrece ninguna garantía de que el acceso al 911 será ininterrumpido, oportuno, seguro o sin errores. El servicio 911 está disponible solo en su dirección de servicio mientras esté conectado a un iNID o WG configurado (y a un ONT correctamente activado y configurado, si corresponde) y después de que el servicio U-verse Phone se haya activado correctamente. El servicio 911 no funcionará si su servicio U-verse Phone no funciona o si no se configuró correctamente o si hay un corte de energía o de red, falla de conexión de banda ancha, si su servicio ha sido desconectado o suspendido, su plan de servicio de datos subyacente ha caducado o ha sido alterado o afectado. Después de un corte de energía, es posible que deba reiniciar o reconfigurar su Equipo para que el servicio 911 funcione. AT&T le recomienda encarecidamente que mantenga, en todo momento, un medio alternativo para tener acceso al servicio 911, como un teléfono celular. AT&T no es responsable de ninguna pérdida incurrida debido a la incapacidad de marcar el 911 o de acceder al personal del servicio de emergencia por cualquier motivo. Y acepta defender, indemnizar y eximir de responsabilidad a AT&T y sus subsidiarias, filiales, directivos, agentes, directores, empleados y proveedores de servicios por cualquier reclamo de usted o de cualquier otra persona relacionado de alguna manera con el servicio 911.

Battery Backup Information

Your telephone service requires electrical power from your home to operate. An optional battery backup can be purchased to maintain working phone service up to 24 hours in the event of a power failure. This will keep your phone service available to you for calls to 911. If you have a compatible battery backup unit at time of service installation, AT&T will install it at no charge. You will need to backup your Wi-Fi® Gateway, and Optical Network Terminal (if provided). If you are using a cordless phone, it will not work during a power outage; a separate battery backup or other power source may be required. It is your responsibility to maintain/replace your battery backup power. For detailed information about 24-hour battery replacement, testing, storage, cordless phone use, service limitations, purchasing and warranties, please visit att.com/batterybackup or call us at the customer service number in your bill for more information.

For some apartment and other multi-unit buildings, phone service, including 911 service, will become unavailable after about 4-8 hours during a power outage, even if you purchase batteries capable of powering the equipment AT&T has furnished to you for a longer time. This occurs where certain AT&T network equipment required to provide phone service to the building is located inside the building. Normally, AT&T uses portable diesel generators to power this equipment beyond 4-8 hours in the event of a power outage; however, when this equipment is located indoors, it cannot be connected to a portable generator for safety reasons. If you live in one of these buildings, your phone service, including 911 service, will cease to function after about 4-8 hours, even if you have longer battery backup power for equipment used to provide service to your unit. A list of these buildings is available at <https://www.att.com/esupport/article.html#/u-verse-voice/KM1076505?gsi=3jjhrr>. If you live in one of these buildings, you can still purchase optional battery backup that will last 4-8 hours. For more information, please visit att.com/batterybackup. In addition, AT&T strongly recommends that you have other means of reaching 911, such as a mobile phone, for use during power outages that exceed 4-8 hours.

Información sobre el respaldo de batería

Su servicio telefónico necesita la energía eléctrica de su casa para funcionar. Se puede comprar un respaldo de batería opcional para mantener el servicio telefónico funcionando hasta 24 horas en caso de un corte de energía. Esto mantendrá su servicio telefónico disponible para las llamadas al 911. Si tiene una unidad de respaldo de batería compatible al momento de la instalación del servicio, AT&T la instalará sin cargo. Tendrá que respaldar su portal Wi-Fi® y su terminal para red de fibra óptica (si se proporciona). Si está usando un teléfono inalámbrico, este no funcionará durante un corte de energía; podría necesitar un respaldo de batería u otra fuente de energía aparte. Es su responsabilidad mantener/reemplazar su respaldo de batería. Para obtener información detallada sobre el reemplazo de batería de 24 horas, pruebas, almacenamiento, uso del teléfono inalámbrico, limitaciones del servicio, compras y garantías, visítenos en att.com/batterybackup o llámenos al número de atención al cliente que figura en su factura.

Para algunos apartamentos y otros edificios de varias unidades, el servicio telefónico, incluido el servicio 911, dejará de estar disponible después de aproximadamente 4 a 8 horas durante un corte de energía, incluso si compra baterías capaces de alimentar durante más tiempo el equipo que AT&T le ha suministrado. Esto ocurre cuando cierto equipo de la red de AT&T necesario para proporcionar servicio telefónico al edificio se encuentra dentro del edificio. Normalmente, AT&T usa generadores diésel portátiles para alimentar este equipo durante más de 4-8 horas en caso de un corte de energía; sin embargo, cuando este equipo se encuentra en el interior, no se puede conectar a un generador portátil por razones de seguridad. Si vive en uno de estos edificios, su servicio telefónico, incluido el servicio 911, dejará de funcionar después de aproximadamente 4 a 8 horas, incluso si tiene energía de respaldo de batería de mayor duración para el equipo que proporciona servicio a su unidad. Se puede encontrar una lista de estos edificios en <https://www.att.com/esupport/article.html#/u-verse-voice/KM1076505?gsi=3jjhrr>. Si vive en uno de estos edificios, aún puede comprar un respaldo de batería opcional que dure de 4 a 8 horas. Para obtener más información, visite att.com/batterybackup. Además, AT&T recomienda encarecidamente que tenga otros medios para comunicarse con el 911, como un teléfono móvil, para usar durante cortes de energía que excedan las 4-8 horas.
