

Cruise Ship Guide

*When you reach 500MB of data usage At Sea within a 24-hour period, your data speed may be slowed to 512Kbps on certain ships. The highest available data speed will be restored at the beginning of the next 24-hour period.

Important: Participating cruise lines and ships are subject to change without notice. Availability, quality of coverage, technology, and services while roaming on maritime services aren't guaranteed.
