SECTION 2

AGREEMENT FOR USE OF AT&T LONG DISTANCE EAST SERVICES, (CONT'D.)

11. If You Cancel Your Service Application. No cancellation charge applies if you cancel a service application prior to the start of service installation, or prior to the start of special construction. A charge may apply, however, if you cancel a service application after the start of installation or special construction. Cancellation charges may be specified in your written contract, if one is applicable. Otherwise, the cancellation charge will be equal to the costs we have incurred, but it will not be greater than the charge for the minimum period of service. In addition, applicable installation charges may apply.

12. Initial Contract Period. Your initial contract period for service is one month unless otherwise stated in this Agreement or agreed to in writing by the Parties. Thereafter, contract periods will be for successive one-month periods unless otherwise stated in this Agreement, or by written agreement of the parties.

13. Bill Payment, Late Payment Charges and Other Fees. All calls may be subject to a minimum billing period based upon the individual service or calling plan, a service charge for operator handled calls and Directory Assistance calls and/or a surcharge or alternate carrier charge for Calling Card calls. Service is provided and billed on a monthly basis. AT&T LD East, your Telephone Company, or another AT&T LD East affiliate or agent may issue your bill for AT&T LD East services.

Any payment made to the Telephone Company will first be applied to Basic Charges listed on your telephone bill. The balance will be applied to Non-Basic Charges, including AT&T LD East interstate and international long distance calling charges. Failure to pay Non-Basic Charges, including AT&T LD East interstate and international long distance calling charges, will result in termination of all Non-Basic Services and further collection action.

The current amount of the possible late payment charges, interest or other fees is stated on your monthly telephone bill. These charges may change as set forth in Section 2. To avoid these charges, you must ensure that we receive full payment of the total amount due on your bill no later than the date shown on your bill. You will also be charged a fee for any check returned to us by your bank. In addition to these fees, we reserve the right to terminate this Agreement and the Telephone Company reserves the right to terminate Basic and Non-Basic Services if you pay late or if your bank returns your check to us.
SECTION 2

AGREEMENT FOR USE OF AT&T LONG DISTANCE EAST SERVICES, (CONT'D.)

13.  Bill Payment, Late Payment Charges and Other Fees, (Cont'd.).

You are responsible for payment of all charges for service furnished to you, your agents, customers, or End Users. You must report any objections to billed charges promptly to our billing agent or us. The security of your Authorization Codes is your responsibility. All calls placed using your codes will be billed to you and will be your obligation. You will not be responsible for charges in connection with the unauthorized use of your codes that occur after you notify us of the loss, theft, or other breach of security of your codes.

14.  Disputed Bills. If you think your bill is incorrect, call the Service Center. If the service representative cannot resolve your concerns, ask to speak with a manager. If you are still not satisfied, you may ask for a review of the disputed amount. You must ask for the review within 60 days from the date of the bill containing the disputed amount, or seven days after receiving a termination notice.

The undisputed portion and subsequent bills must be paid on time, or your AT&T LD East service and other Non-Basic Services may be terminated as described in Section 13. If after the review, the Telephone Company or we believe that you owe us the disputed charges, you will promptly pay the charges plus any applicable late payment charges and/or interest.

15.  Deposits and Advance Payments. We and/or our billing agents reserve the right to examine your credit record and to require security deposits. If your financial condition is unknown or unacceptable, a security deposit may be required which will be applied to overdue charges. The security deposit will be equal to two months’ estimated usage but may vary with your credit history and projected usage. After nine months, your account will be reviewed and if good credit has been established, the deposit will be refunded in full. The establishment of good credit requires that bills be paid on time each month. If your service has been discontinued for nonpayment, AT&T LD East may require a security deposit before service is restored. The fact that a security deposit has been made does not relieve you from the requirement to promptly pay your bill.

If your payment or usage patterns change, we may request an additional security deposit.

We and/or our billing agents reserve the right to require an advanced payment from you instead of, or in addition to, a security deposit. The advanced payment shall be equal to or less than estimated installation charges plus two months’ estimated billing.
SECTION 2

17. Inspection, Testing and Adjustment. Upon reasonable notice, facilities or equipment provided to you by us will be made available to us for tests and maintenance adjustments. We may interrupt service at any time, without penalty or liability, if you fail to provide access for such tests or due to the departure from, or the reasonable suspicion of the departure from, any of these terms and conditions. No interruption allowance will be granted for such tests and adjustments, unless the interruption exceeds twenty-four hours and you request the allowance.

We do not undertake to provide any special facilities, equipment, or services for such interconnection. Our service is not part of a joint undertaking with such common carriers or systems. Such interconnection shall be under the applicable terms and conditions of this Agreement and other common carrier’s agreements. You shall ensure that your facilities or equipment are properly interconnected with our facilities or equipment. If you maintain or operate the interconnected facilities or equipment in a manner which results or may result in harm to our facilities, equipment, personnel, or the quality of service, we may, upon written notice, terminate your existing service.

Our liability is limited to an amount that is not more than what we charged you for our services for the period covered by your claim. We are not liable for any incidental, indirect, special or consequential damages, including lost revenue or profit of any kind whatsoever, regardless of their cause of foreseeability. We are not liable for interruptions, delays, errors, or defects in transmission.

We are not liable for service provided to you by the Telephone Company or any other common carrier. We are not liable to you for any problem that is due to any cause beyond our control. (C) All other claims (including claims for damage to any business or property, or injury to, or death of, any person) arising out of any act or omission of you, or your agents, End Users, or your customer, in connection with the use of any of our services, facilities or equipment.
SECTION 2

AGREEMENT FOR USE OF AT&T LONG DISTANCE EAST SERVICES, (CONT'D.)

21. Dispute Resolution. Any dispute between the Parties will be resolved exclusively and finally by arbitration administered by and under the rules of the National Arbitration Forum (“NAF”). If the NAF ceases to exist, the Parties will agree on another arbitration forum. The arbitration will be conducted by a single arbitrator and will be limited solely to the dispute between us. The arbitration may not be consolidated with any other dispute or arbitration or conducted on a class-wide or class action basis. The arbitration will be held at any reasonable location near your residence or by telephone at your option. If you win the arbitration, we will reimburse any fees that you paid to the NAF for the arbitration. We will not pay any other costs or fees that you incur. You are not responsible to pay any of the fees we incur.

If either Party tries to bring a dispute in a forum other than the NAF, the arbitrator may award the other party its reasonable costs and expenses, including attorney’s fees, incurred in staying or dismissing the dispute. You understand that in the absence of these Section 21 provisions, you could have sued us in a court and you could have consolidated your dispute with other disputes on a class-wide or class action basis. By accepting this Agreement, you have expressly and knowingly waived those rights and agreed to resolve any disputes through binding arbitration. The judgment of the arbitrator may be entered in any court having jurisdiction. Information concerning such arbitration may be obtained at the NAF website, www.arb-forum.com, by calling 800-474-2371 or by writing P.O. Box 50191, Minneapolis, MN, 55405.

22. Taxes and Local Charges. Federal excise tax and state and local sales, use, and similar taxes shall be billed as separate line items. In certain instances, you may be subject to local exchange company charges or message unit charges to access our network or to terminate calls. AT&T LD East is not responsible for any of these local charges.

23. Obligations of the Aggregator. When service is provided to the transient public through an Aggregator, the Aggregator must comply with the requirements of 47 U.S.C. §226(c) and any access requirements or rules that the Federal Communications Commission (FCC) sets forth.
