Stay in touch with California LifeLine.

No matter where you live within an AT&T service area, with LifeLine you can have affordable access to local telephone service.

If you participate in a qualifying program or if your income is within the guidelines, you may qualify as a LifeLine customer.

With LifeLine you will receive:

- Significant savings every month on flat or measured rate telephone service. (If you live on federally-recognized tribal lands and qualify for LifeLine, you pay as little as \$1 every month for your local service.)
 - A big discount to get your phone service connected.
 - A second line with LifeLine benefits if there is a disabled member of your household who uses a TTY device.
-
- Emergency and operator services.

You may also purchase any other optional services, including long distance, from the provider of your choice. Toll restriction is available as an optional feature at no charge.

AT&T California is committed to helping all customers get the telephone service they need. If you know someone without telephone service who may qualify for LifeLine, please ask them to call AT&T customer service to learn more about LifeLine.

For more information on how to apply, visit us online at att.com/LifeLine or call toll-free at 1.800.446.5651 for pre-recorded information.
